Love Lyrics Amaru Bhartrihari And Bilhana:

Caurapa [c_ik_ Greg Bailey, Richard F. Gombrich, 2005-02 Short lyrical poems in a Sanskrit English bilingual edition

Erotic Love Poems from India, 2019-01-15 The poets of classical India regarded love as the first and deepest of passions Translator and scholar Andrew Schelling perfectly encapsulates the history and passion of eighth century India in this collection A single stanza of the poet Amaru declared a ninth century poetry critic may provide the taste of love equal to what s found in whole volumes Graceful and yet remarkably playful intensely passionate and at times hinting of divine transcendence the poems translated here offer poignant glimpses into the many faces of erotic love This collection known in Sanskrit as the Amarushataka One Hundred Poems of Amaru was compiled in the eighth century and remains to this day one of India s finest collections of love poetry Legend connects the poetry s authorship to King Amaru of Kashmir while present day scholars generally consider it an anthology of the verses of many poets V. S. Naipaul and World Literature Vijay Mishra, 2024-02-08 This book engages with Naipaul s literary corpus and reconceptualizes what it means to be a writer of world literature India Audrey Truschke, 2025-06-03 A dazzling new history of the Indian subcontinent and its diverse peoples in global context from antiquity to today Much of world history is Indian history Home today to one in four people the subcontinent has long been densely populated and deeply connected to Asia Africa Europe and the Americas through migration and trade In this magisterial history Audrey Truschke tells the fascinating story of the region historically known as India which includes today s India Pakistan Bangladesh and parts of Afghanistan and the people who have lived there A sweeping account of five millennia from the dawn of the Indus Valley Civilization to the twenty first century this engaging and richly textured narrative chronicles the most important political social religious intellectual and cultural events And throughout it describes how the region has been continuously reshaped by its astonishing diversity religious and political innovations and social stratification Here readers will learn about Hinduism Buddhism Jainism Islam and Sikhism the Vedas and Mahabharata Ashoka and the Mauryan Empire the Silk Road the Cholas Indo Persian rule the Mughal Empire European colonialism national independence movements the 1947 Partition of India the recent rise of Hindu nationalism the challenges of climate change and much more Emphasizing the diversity of human experiences on the subcontinent the book presents a wide range of voices including those of women religious minorities lower classes and other marginalized groups You cannot understand India today without appreciating its deeply contested history which continues to drive current events and controversies A comprehensive and innovative book India is essential reading for anyone who is interested in the past present or future of the subcontinent **Some Unquenchable Desire** Bhartrihari, 2018-11-27 An award winning translator finds surprisingly modern themes in a selection of erotic and religious stanzas from one of classical India s most celebrated poets Although few facts are known about his life the Indian poet Bhartrihari leaps from the page as a remarkably recognizable individual Amidst a career as a linguist courtier and hermit he used poetry to explore themes of love desire

impermanence despair anger and fear A thousand emotions ideas words and rhythmic syllables stormed through him writes translator Andrew Schelling in an evocative introduction In particular he shows himself torn between sexual desire and a hunger to be free of failed love affairs and turbulent karma Schelling s translation represents a rare opportunity for English language readers to become acquainted with this fascinating poet Attuned to Bhartrihari s unique poetic sensibility Schelling has produced a compelling personally curated set of translations

All You Want is Money, All You Need is Love Rachel Dwyer,2000 This is an examination of India s bourgeois its lifestyle and aspirations as manifested in fiction and film It looks at idealised womanhood and examines how these are reworked in narratives how conflicts are resolved and new models developed

The Body Adorned Vidya Dehejia,2009-02-26 The sensuous human form elegant and eye catching is the dominant feature of premodern Indian art From the powerful god Shiva greatest of all yogis and most beautiful of all beings to stone dancers twisting along temple walls the body in Indian art is always richly adorned Alankara ornament protects the body and makes it complete and attractive to be unornamented is to invite misfortune In *The Body Adorned* Vidya Dehejia who has dedicated her career to the study of Indian art draws on the literature of court poets the hymns of saints and acharyas and verses from inscriptions to illuminate premodern India s unique treatment of the sculpted and painted form She focuses on the coexistence of sacred and sensuous images within the common boundaries of Buddhist Jain and Hindu sacred spaces redefining terms like sacred and secular in relation to Indian architecture She also considers the paradox of passionate poetry in which saints praised the sheer bodily beauty of the divine form and nonsacred Rajput painted manuscripts which freely inserted gods into the earthly realm of the courts By juxtaposing visual and literary sources Dehejia demonstrates the harmony between the sacred and the profane in classical Indian culture Her synthesis of art literature and cultural materials not only generates an all inclusive picture of the period but also revolutionizes our understanding of the cultural ethos of premodern India
