*Love Among the Haystacks (Annotated)* David Herbert Lawrence,2021-06-16 The two large fields lay on a hillside facing south Being newly cleared of hay they were golden green and they shone almost blindingly in the sunlight Across the hill half way up ran a high hedge that flung its black shadow finely across the molten glow of the sward The stack was being built just above the hedge It was of great size massive but so silvery and delicately bright in tone

that it seemed not to have weight It rose dishevelled and radiant among the steady golden green glare of the field A little farther back was another finished stack The empty wagon was just passing through the gap in the hedge From the far off corner of the bottom field where the sward was still striped grey with winrows the loaded wagon launched forward to climb the hill to the stack The white dots of the hay makers showed distinctly among the hay The two brothers were having a moment's rest waiting for the load to come up They stood wiping their brows with their arms sighing from the heat and the labour of placing the last load The stack they rode was high lifting them up above the hedge tops and very broad a great slightly hollowed vessel into which the sunlight poured in which the hot sweet scent of hay was suffocating Small and inefficacious the brothers looked half submerged in the loose great trough lifted high up as if on an altar reared to the sun Maurice the younger brother was a handsome young fellow of twenty one careless and debonaire and full of vigour His grey eyes as he taunted his brother were bright and baffled with a strong emotion His swarthy face had the same peculiar smile expectant and glad and nervous of a young man roused for the first time in passion Tha sees he said as he leaned on the pommel of his fork tha thowt as tha d done me one didna ter He smiled as he spoke then fell again into his pleasant torment of musing I thought nowt tha knows so much retorted Geoffrey with the touch of a sneer His brother had the better of him Geoffrey was a very heavy hulking fellow a year older than Maurice His blue eyes were unsteady they glanced away quickly his mouth was morbidly sensitive One felt him wince away through the whole of his great body His inflamed self consciousness was a disease in him Ah but though I know tha did mocked Maurice Tha went slinkin off Geoffrey winced convulsively thinking as that wor the last night as any of us ud ha e ter stop here an so tha d leave me to sleep out though it wor thy turn He smiled to himself thinking of the result of Geoffrey's ruse I didna go slinkin off neither retorted Geoffrey in his heavy clumsy manner wincing at the phrase Didna my feyther send me to fetch some coal Oh yes oh yes we know all about it But tha sees what tha missed my lad Maurice chuckling threw himself on his back in the bed of hay There was absolutely nothing in his world then except the shallow ramparts of the stack and the blazing sky He clenched his fists tight threw his arms across his face and braced his muscles again

**Selected Stories** D. H. Lawrence, 2018-11-08 This

collection of short stories traces D H Lawrence's development as a writer His early tales often draw on personal experiences as in *Odour of Chrysanthemums* a work he described as full of my childhood's atmosphere while the horror of the First World War haunts England My England Later stories such as *Things* powerfully express his evolving ideas about the duality of our lives With their complex characters these stories illuminate emotional lives and above all illustrate Lawrence's passionate belief about the destructive forces in modern society and their effect on love With an Introduction by Louise Welsh and Notes by Sue Wilson

**Love Among the Haystacks by David Herbert Lawrence** David Herbert Lawrence, 2020-02-16 It is hay making time on the Wookey farm Two brothers are building the haystack but thinking about other things about young women and love There are angry words and then a fight between the brothers But the work goes on visitors come and go and the

long hot summer day slowly turns to evening Then the sun goes down covering the world with a carpet of darkness From the hedges around the hayfield comes the rich sweet smell of wildflowers and the hay will make a fine soft bed D. H. Lawrence,2007-06 The Rainbow David Herbert Lawrence,2002 *Reading Late Lawrence* N. Reeve,2003-07-25 Reading Late Lawrence is a study of a number of the neglected fictional works of D H Lawrence s last period these include Glad Ghosts Sun The Lovely Lady The Blue Moccasins and the first two revisions of Lady Chatterley s Lover The particular focus is upon Lawrence s revisions and the insights they offer into the complexity of his writing processes and the depth of his commitment to renewal and re imagining The study draws extensively upon the manuscript and variant material recently made available in the new scholarly editions of Lawrence s work

## **Love Among The Haystacks And Other Stories Introduction**

In today's digital age, the availability of Love Among The Haystacks And Other Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Among The Haystacks And Other Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Among The Haystacks And Other Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Among The Haystacks And Other Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Love Among The Haystacks And Other Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Among The Haystacks And Other Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Among The Haystacks And Other Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Among The Haystacks And Other Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Among The Haystacks And Other Stories books and manuals for download and embark on your journey of knowledge?
