through Knowledge Management and Social Media Strategies Goel, Alok Kumar, 2015-11-24 *It's About Excellence* David W. Gill, 2011-08-01 It's About Excellence Building Ethically Healthy Organizations For too many businesses and their leaders today business ethics is just about staying out of jail Litigation indictment and penal system avoidance is not just the first but the only reason they think ethics is important It's about damage control It's not by accident that these damage control ethics programs are generally under the guidance of legal and compliance departments Of course companies need a damage control crisis management trouble shooting component in their ethics and management toolbox But if that's all there is something of critical business value is missing It's About Excellence tells the larger story Ethics is about identifying and pursuing excellence and business achievement It's about getting clear on an inspiring corporate mission and vision building a value embedded culture and pursuing principle guided practices Ethics is not a patch and repair add on here it's something woven through the whole organization created and owned by the whole workforce *The Purrfect Trilogy*: Lynn Margaret Hamilton, 2013-05-31 The Purrfect Trilogy was written for the millions of ordinary everyday people who will move our civilization into a new era and feel overwhelmed by this task These books are written to the science of vibration Different levels of understanding are woven through the text so one will be right for you Each time you read them your comprehension changes as you can see more than you could before As your comprehension changes so your vibration changes and manifests according to your new tone As we understand within ourselves so we manifest without to explore our level of understanding individually and collectively Through this journey of the rational mind and the emotional heart you'll explore different levels of understanding eventually coming to see a bigger picture of yourself as you understand more about the human condition and our interconnectedness Micro to macro The only way to greater understanding of humanity and how we create is through greater understanding of self and the magic within oneself The magic we use every day but often misuse when we don't realize we're energy beings who use our mind to do magic every day The Three Step Lesson of This Trilogy Book 1 See with two eyes Book 2 Open your heart to others and your experiences Book 3 Live in your brother sisterhood your wholeness

Ethnopsychology Rolando Díaz-Loving, 2019-10-08 This book presents an overview of Mexican ethnopsychology an original theoretical and methodological approach that seeks to complement the mainstream psychological science based on universal principles processes and constructs with scientific methods to study the idiosyncratic features and behaviors typical of specific cultural groups It proposes a historic bio psycho socio cultural theoretical model to describe research findings of social psychological collective and individual phenomena Psychology is at a crossroads of years of research with stress on internal validity and little attention to contextual and cultural variables It becomes fundamental to continue on the internal validity track but at the same time incorporate external validity issues The growth of indigenous movements and data allows for a profound evaluation of the extents to which apparent universal phenomena are truly universal and to what extent they are idiosyncratic manifestations of the cultures where the mainstream research is conducted Mexican

ethnopsychologists have been following this path for decades since the pioneer work of Rogelio D az Guerrero but until now little has been published in English about this innovative theoretical approach Ethnopsychology Pieces from the Mexican Research Gallery fills this gap by presenting the international community an overview of Mexican ethnopsychology and thus providing a useful tool to behavioral social and health scientists interested in understanding how culture shapes both collective and individual behaviors

Greed, Gold and Giving Mike Murdock, 2012-09 This Study Will Give You A Whole New Perspective Understand The Purpose of Money Defining Greed In The Christian The Delivering Power of Giving Mixing Faith With Your Giving and much more The Secret of Expectation Is The Secret of Harvest I Choose to Rejoice! Tammy Hendrix, 2022-06-22 I Choose To Rejoice is the devotional for you The author has written 365 daily devotions to uplift your spirit and bring joy to your every day walk with your Beloved This book includes personal stories and over thirteen years of prophetic words from the Lord pictures lots of Scripture and some research from a Hebrew perspective The messages are straight from the Throne Room

Juvenile Delinquency and its Origins Richard E. Johnson, 1979-07-01 First published in 1979 this book examines past thought and research about the social and psychological causes of juvenile delinquency in Western society The first few chapters summarise major delinquency theories and survey an extensive list of studies that demonstrate those theories The author then develops a single model of individual causation from the divergent theoretical traditions The model includes such variables as social class parent child relations school experiences strain peer relations personal values and the perceived risk of being caught in lawbreaking Testing the model with information from 734 large city adolescents results in several innovations in the measurement and conceptualisation of key variables in delinquency research In his search for a better understanding of delinquency the author shows the usefulness of examining the impact of all the variables at once and finds that the major theories of delinquency complement rather than contradict one another

The Handbook of Sexuality in Close Relationships John H. Harvey, Amy Wenzel, Susan Sprecher, 2004-04-26 Although sexuality is an integral part of close romantic relationships research linking these two constructs has been less systematic than other areas pertaining to close relationships To date researchers in communication sociology family studies psychology and psychiatry have made significant advances in both of these fields The editors goal is to integrate this research into one volume They bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological rigor and critical analysis This volume explores early sexual experiences and their impact on late life sexuality how life s stresses impact sexuality and satisfaction with closeness the affect of postpartum depression on sexuality and the relationship between control power anger as well as revenge and sexual processes in couples The Handbook of Sexuality in Close Relationships is intended for students and researchers in the disciplines of social clinical developmental and health psychology family studies counseling and interpersonal family and health communication An excellent reference in advanced

courses in close relationships taught in psychology communications sociology anthropology and family studies the material in Part V will also appeal to clinical psychologists health professionals and policymakers Penetrating God's World with the Gospel of Christ Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you **Rejoice** Janice Selene Thornton-Hubbard, 2024-07-25 Harnessing the Power of Your Focus and Thoughts to Experience Unspeakable Joy and Incomprehensible Peace Our thoughts wield immense power steering our lives toward triumph or defeat How we think is the compass that guides us to success or failure While we can reach the pinnacle of success and victory nurturing negative thoughts will breed an unhealthy mind plunging us into mental emotional and physical ailments Each of us possesses the power of choice and the ability to transform our thinking Don't squander your life dwelling on negative thoughts Nurture your mind with positivity and contemplate what is good true pure correct morally and spiritually excellent beautiful friendly and proper But remember it's about overcoming the unfavorable circumstances the tragedies and the traumas Overcome them with the greatness that resides within you Rise above it all and let your resilient spirit guide you fearlessly toward the life you desire a life brimming with indescribable Joy and Peace that transcends all understanding Now unleash the miracles in your words and REJOICE REJOICE highlights the power of joy and peace amid tragedy and trauma It is an inspiring motivating and insightful storyline that showcases the human spirit's ability to reflect GREATNESS and embody courage and resilience The backdrop points the reader to the Miraculous power of the Supernatural invading lives and how we possess the power through our words and choices to steer our lives in the direction of joy and peace Janice Selene is a mother grandmother servant leader psalmist songstress author motivational speaker and retired law enforcement professional with over 25 12 years of experience She has served men women and juvenile boys demonstrating her commitment to community service Janice Selene holds a bachelor's degree in Christian Ministry and an associate's degree in Criminal Justice showcasing her academic prowess A Builder of people a container of Joy and God's mouthpiece Janice Selene continues to utilize her creative gifts to reach the unreachable unteachable and unnurtured in her community Selene Thornton Hubbard the Visionary Founder of the Beauty for Ashes Ministry carries the anointing from the Holy Spirit to preach the message of Good News minister Worship to release Healing Freedom and Joy and do the ministry of Jesus that God receives the glory Her mission is to bring hope and transformation to
