Event Theory for a Sociology of Practice Frank Hillebrandt,2025-05-22 The sociological theory of practices developed in this book from the concept of the event compels us to question how practices not only chain into forms of practice The approach also allows us to see how these practices give rise to practice formations that manifest as enduring zones of intensity within society This very problem is at the center of the considerations pursued here and is unfolded through an analysis of pop music as a formation of practice As an exemplary case study the author chooses the Love and Peace Festival on Fehmarn from the year 1970 In doing so the book brings to life a period of pop music that has much more to do with our present than it may seem at first glance

Critical Feeling Rolf Reber,2016-03-07 How can we develop the sensitivity necessary for playing music or making crafts How can teachers make their lessons interesting In what ways can consumers avoid undue influence How do we acquire refined tastes or come to believe what we want to believe Addressing these issues and providing an account for tackling personal and societal problems Rolf Reber combines insights from psychology philosophy and education to introduce the concept of critical feeling While many people are familiar with the concept of critical thinking critical feeling denotes the strategic use of feelings in order to optimize an outcome Reber discusses the theoretical and empirical foundations of critical feeling and provides an overview of applications including well being skill

learning personal relationships business politics school art morality and religion This original and thought provoking study will interest a broad range of researchers students and practitioners

Love Finds a Way , Dear Zoe || Love Dad: Our Journey through IVF to the NICU to your 1st Birthday Ryan Richardson,2012-01-01 I began writing to my unborn child as soon as my wife and I decided to have a child Never could I have imagined what an amazing journey was set in motion These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF our daughter s stay in the NICU and our first year as a family From giving my wife daily shots to staring at the various screens monitoring my newborn daughter the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need The book concludes with my honest unadulterated reflections on having going through IVF and the NICU My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby

Hypnosis in the Realm of De-Sign Maurício S. Neubern,2025-01-23 This book presents a new theoretical framework for the study of hypnosis based on an innovative epistemological approach called De sign This approach transcends the opposition subjectivity objectivity and presents itself as a metaknowledge that integrates design and semiotics and proposes a phenomenological method of inquiry that helps overcome some of the traditional challenges to create theoretical models to explain hypnosis Both hypnosis and De sign are critical practices against absolute notions of reality especially regarding time space and otherness Both of them consider the importance of epistemological notions such as imagination feelings and desire that modern science commonly marginalizes Hypnosis and De sign implicate people in partnership being critical to a dominant notion of control Thus the book presents in depth discussions on major themes of hypnosis bringing clinical practice closer to the reflections brought by De sign Hypnosis in the Realm of De Sign shows how to integrate semiotic systems pragmatism and De sign principles to analyze actual hypnotherapeutic experiences As with every De sign situation each patient requires a unique therapeutic strategy and approach that is individually appropriate for them The author thereby encourages therapists to become de signers working with not for their subjects to create a context within which their subjects can awaken their therapeutic potential By doing so patients can then bring into focus that which could be rather than focusing on that which is

Love, Henri Henri J. M. Nouwen,2016-10-04 Seven million copies of his books in print This collection of over 100 unpublished letters from the bestselling author of such spiritual classics as The Return of the Prodigal Son and The Wounded Healer offers deep spiritual insight into human experience intimacy brokenness and mercy Over the course of his life Henri Nouwen wrote thousands of letters to friends acquaintances parishioners students and readers of his work all around the world He corresponded in English Dutch German French and Spanish and took great care to store and archive the letters decade after decade He believed that a thoughtful letter written in love could truly change someone s life Many people looked to Nouwen as a long distance spiritual advisor Love Henri consists of over a hundred letters that stretch from the earliest years of Henri s career up through his last 10 years at L Arche Daybreak Rich

in spiritual insights the letters highlight a number of themes that emerged in both Henri's work over the years including vocation solitude prayer suffering and perseverance in difficult times These deeply spiritual letters sometimes poignant sometimes funny ultimately demonstrate the rich value of communicating with God through others **No Remedy for Love** Liona Boyd, 2017-08-19 A fascinating personal story of the adventures romance and recovery of renowned classical guitarist Liona Boyd After her divorce and departure from Beverly Hills Boyd reinvented her career became a singer songwriter and the pen pal of Prince Philip and turned a devastating diagnosis into a new chapter in her life and career *Distortion and Love* Nigel Rapport, 2016-07-07 In this ground breaking book a theory of distortion of the way in which the processes of human life are subject to interference diversion and transformation is developed by way of the art of one of Britain's greatest twentieth century painters and that art's public reception Devoted to his native village of Cookham on Thames Stanley Spencer painted not only landscapes and portraits with loving detail but also the memory feelings which he felt were a sacred part of his consciousness Yet Spencer was also a controversial public figure with some taking the view that his visionary paintings were ugly distortions of human life even marks of an immoral nature Examining how Spencer lived his vision how he painted it and wrote it and also how his attempts to communicate that vision were received by his contemporaries and have continued to be interpreted since his death the author posits distortion as key an intrinsic aspect both of human creation and of human interaction What we intend to make to say to do and have done often mutates in the process of being expressed or put into effect we live amid distortion Love the affective appreciation of one another is then a means by which we accommodate distortion and its consequences in our lives An illustration through Stanley Spencer's story of significant aspects of a human condition this book will appeal across disciplines including to art historians and students of Spencer's work as well as to scholars of anthropology with interests in creativity perception and interpretation
