[The Love of God](#) Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable, sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K. Stenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series.

It's very unique analogy creates a virtual playing field that allows the reader to apply their dream of what romance should be like if they were able to make a right and informed decision about that once in a lifetime person of their dreams. The reason the reader would be interested in hearing my voice as opposed to another, it would be that as the one who experienced the story line in the first place, coupled with being through a number of heartbreaking relationships. This Viet Nam war veteran and licensed Baptist Minister has a voice that would reach the soul of those listening to the audio version.
