Love Of Worhers Bees A Great Love:

Love of Worker Bees Alexandra Kollontai, 2014-10-01 A rare graphic portrait of Russian life in 1917 immediately after the October Revolution The heroine struggles with her passion for her husband and the demands of the new world in which she Russian and West European Women, 1860D1939 Marcelline J. Hutton, 2001-08-14 This ambitious study provides a sweeping overview of the position of women in England France Germany and Russia USSR during a seminal period in world history Comparing Russian and European women's guest for respectability self realization justice and simple survival from 1860 1939 the book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary hard even horrifying lives Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives the book assesses the significance of gender class nationality and religion Through vivid description this history conveys a comprehensive picture of women's social educational economic and political position in the late nineteenth and early twentieth century This richly researched work traces common patterns and unique experiences in women s lives showing how they defined themselves coped with daily life and confronted disaster with courage and resourcefulness Sex in Public Eric Naiman, 2019-01-15 Sex in Public examines the ideological poetics and the rhetoric of power in the Soviet Union during the 1920s a period of anxiety over the historical legitimacy of Soviet ideology and Bolshevik power Drawing on a wide range of soruces Party Congress transcripts the classics of early Soviet literature sex education pamphlets the cinema crime reports and early Soviet ventures into popular science the author seeks to explain the period's preoccupation with crime disease and especially sex Using strategies of reading developed by literary scholars he devotes special care to exploring the role of narrative in authoritative political texts. The book breaks new ground in its attention to the ideological importance of the female body during this important formative stage of Bolshevik rule Sex in Public provides a fundamentally new history of the New Economic Policy and offers important revisionist readings of many of the fundamental cultural products of the early Soviet period Perhaps most important it serves as a model for the sort of interdisciplinary work that is possible when historians take literary and ideology theory seriously and when ideology theorists seek to conform to the standards of documentary rigor traditionally demanded by historians It thus becomes a study that can be read as both positivistic and postmodern Eric Naiman is Associate Professor of Russian and Comparative Literature at the University of California Berkeley Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of

the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Nuova: or. The New Bee Vernon L. Kellogg, 2023-09-18 In Nuova or The New Bee by Vernon L Kellogg the reader is immersed in a captivating story that combines elements of romanticism and science fiction Set in a futuristic world where bees have disappeared and a new genetically modified bee species emerges the book explores themes of environmentalism technology and the potential consequences of human intervention in nature Kellogg's writing style is both descriptive and thought provoking as he skillfully weaves together scientific principles with a narrative that challenges the reader's perceptions of the natural world The literary context of the book is rooted in the early 20th century a time of great scientific advancements and growing concerns about the impact of human activity on the environment Vernon L Kellogg a renowned entomologist and science writer drew inspiration from his own research and observations of insect behavior to create Nuova or The New Bee His deep knowledge of entomology and passion for environmental conservation are evident throughout the book as he uses fiction as a medium to raise awareness about the importance of bees in maintaining ecological balance Kellogg's unique background lends credibility to the scientific elements of the story adding depth and authenticity to the narrative I highly recommend Nuova or The New Bee to readers who enjoy thought provoking science fiction with a focus on environmental themes Kellogg s blend of scientific accuracy and storytelling makes this book both educational and entertaining offering a unique perspective on the relationship between humans and the natural world Juvenile Gleanings; Or, Boys' and Girls' Bee Journal ,1882 The Icon and Axe James Billington, 2010-09-22 A sweeping intricate description of Russian cultural history spanning the pre Romanov era through six centuries to the reign of Joseph Stalin Flowing with ease through time and topic from art to music literature philosophy mythology and more the book provides readers with an alluring portrayal of Russia s proud heritage Its impressive scope and lasting insights have made it a foundational text in Russian studies In fact it was this book more than any other that captured my imagination and propelled me toward the study of Russia and the Soviet Union Condoleezza Rice The New York Times A rich and readable introduction to the whole sweep of Russian cultural and intellectual history from Kievan times to the post Khruschev era Library Journal Includes Illustrations references index Gleanings in Bee Culture ,1898 Work That Body Jamie Hakim, 2019-10-16 Work That Body Male Bodies in Digital Culture explores the recent rise in different types of men using digital media to sexualise their bodies It argues that the male

body has become a key site in contemporary culture where neoliberalism's hegemony has been both secured and contested since 2008 It does this by looking at four different case studies the celebrity male nude leak the rise of young men sharing images of their muscular bodies on social media RuPaul s Drag Race body transformational tutorial and the rise of chemsex It finds that on the one hand digital media has enabled men to transform their bodies into tools of value creation in economic contexts where the historical means they have relied on to create value have diminished On the other it has also allowed them to use their bodies to form intimate collective bonds during a moment when competitive individualism continued to be the privileged mode of being in the world It therefore offers a unique contribution not only to the field of digital cultural studies but also to the growing cultural studies literature attempting to map the historical contradictions of the austerity American Bee Journal, 1892 Includes summarized reports of many bee keeper associations moment Desires Ania Loomba, 2018-07-24 Revolutionary Desires examines the lives and subjectivities of militant nationalist and communist women in India from the late 1920s shortly after the communist movement took root to the 1960s when it fractured This close study demonstrates how India s revolutionary women shaped a new female and in some cases feminist political subject in the twentieth century in collaboration and contestation with Indian nationalist liberal feminist and European left wing models of womenhood Through a wide range of writings by and about revolutionary and communist women including memoirs autobiographies novels party documents and interviews Ania Loomba traces the experiences of these women showing how they were constrained by but also how they questioned the gendered norms of Indian political culture A collection of carefully restored photographs is dispersed throughout the book helping to evoke the texture of these women's political experiences both public and private Revolutionary Desires is an original and important intervention into a neglected area of leftist and feminist politics in India by a major voice in feminist studies The Great Opera Cupideros, 2008-10-18 An exciting mix of poems about mysticism life and philosophy Textual Liberation (Routledge Revivals) Helena Forsas-Scott, 2014-11-13 Feminist writing has emerged in recent years as a major influence of twentieth century European literature Textual Liberation first published in 1991 provides a timely and wide ranging survey of twentieth century feminist writing in Europe presenting texts from a number of countries and highlighting some of the transnational parallels and contrasts The contributors emphasize the wider contexts political social economic in which the texts were produced They cover feminist literature in Britain Scandinavia Germany Eastern Europe Russia France Spain Italy and Turkey and consider a range of genres including the novel poetry drama essays and journalism Each chapter contains an extensive bibliography with special emphasis on material available in English A stimulating introduction to the development of European feminist writing Textual Liberation will be an invaluable resource for students of women s literature women s studies and feminism Encyclopedia of Women Social Reformers Helen Rappaport, 2001-12-06 The first comprehensive quide to women activists from every part of the world illuminating the broad range of women s struggles to reform society
