doomed from the start With this book learn to avoid the narcissists of the world and find the good loving person meant for you **Once and Once Again** John Randolph Price,2014-08-11 Is death a reality or an illusion Is love truly the answer in every situation You will find the answers as you follow the twisted path of darkness that descends upon Shea and Michael Ellington and Elizabeth Grant After the police tell Michael that Shea was killed in an explosion he seeks to put his life back together and tries to forget Elizabeth suffers from amnesia and wants only to remember What Elizabeth doesn't know is that an assassin Alexander Parapas has been paid to eliminate her It becomes a run for your life experience The question in her mind is why As she searches for answers she finally remembers her past and discovers not only the reason she's a target but also secrets considered nothing less than supernatural The strange and unexplainable events are more fully understood later from ancient scrolls and through discoveries from the heavenly side of life This book may be considered a suspenseful and emotional crime drama with the police and FBI working together but it is truly a heart song of timeless love that ultimately reveals the light behind the shadows *High Yellow...But a Black Woman Forever More!* Deborah Cofer,2006-09 Boy has this been one heck of a spiritual journey Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race Cofer's poetic accounts are both powerful and deeply profound Once More Unto the Speech, Dear Friends: The comedies William Shakespeare,2006 Applause Books There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones Each genre comedy history tragedy has different requirements No current monologue book deals directly with the bulk of these concerns One More unto the Speech Dear Friends now fills that gap This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer Of Shakespeare's 37 plays only Pericles is not included In the trilogy of books there are over 900 separate audition possibilities This represents about 600 more monologues than are available in any other series There are four parts to each speech A background giving context and

approximate timing A modern text version The original folio version Commentary to explain the differences between the two texts including full discussion of the devices peculiar to that speech s genre the age and gender of the character and more

Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded
