Love Politics And More:

Love, Etc. Rita Felski, Camilla Schwartz, 2024-10-17 The look of love through an analytic lens Long treated with skepticism in literary and cultural studies love as a subject of serious scholarly inquiry is now attracting intense interest and renewed attention *Love Etc* centers on two key themes representations of love in literature and culture and love as a relationship to literature and culture How are our attitudes to love changing in the wake of new technologies and social media shifting norms around partnering marriage and divorce and feminist and queer thought Fifteen short and accessible essays cover a wide range of topics from Tinder to *The Bachelor* from liking trees to loving aliens from unrequited love to maternal love from polyamory to new stories of female friendship from loving physical books to theorizing love in popular music Contributors Carolina Bandinelli University of Warwick Mette Blok Roskilde University Denmark Angus Connell Brown Stephanie Burt Harvard University Anne Marie S Christensen University of Southern Denmark Jonathan Flatley Wayne State University Lily Gurton Wachter Smith College Timothy Laurie University of Technology Sydney Hanna Meretoja University of Turku Finland Kevin Ohi Boston College John Plotz Brandeis University Anna Poletti Utrecht University The Netherlands Jessica Pressman San Diego State University Biswarup Sen University of Oregon Hannah Stark University of Tasmania

Murriyang Stan Grant, 2024-12-04 Shortlisted for the 2025 ABIA Awards Social Impact Book of the Year Stan Grant is talking to his country in a new way In his most poetic and inspiring work yet he offers a means of moving beyond the binaries and embracing a path to peace and forgiveness rooted in the Wiradjuri spiritual practice of Yindymarra deep silence and respect *Murriyang* in part Grant's response to the Voice referendum eschews politics for love In this gorgeous grace filled book he zooms out to reflect on the biggest questions ranging across the history literature theology music and art that has shaped him Setting aside anger for kindness he reaches past the secular to the sacred and transcendent Informed by spiritual thinkers from around the world *Murriyang* is a Wiradjuri prayer in one long uninterrupted breath challenging Western notions of linear time in favour of a time beyond time the Dreaming *Murriyang* is also very personal each meditation interleaved with a memory of Grant's father a Wiradjuri cultural leader It asks how any of us can say goodbye to those we love This is a book for our current moment and something for the ages **The Republican**, 1820 Activism in the Name of God Jami L. Carlacio, 2023-08-16 Contributions by Janet Allured Lisa Pertillar Brevard Jami L Carlacio Cheryl J Fish Angela Hornsby Gutting Jennifer McFarlane Harris Neely McLaughlin Darcy Metcalfe Phillip Luke Sinitiere P Jane Splawn Laura L Sullivan and Hettie V Williams *Activism in the Name of God* Religion and Black Feminist Public Intellectuals from the Nineteenth Century to the Present recognizes and celebrates twelve Black feminists who have made an indelible mark not just on Black women's intellectual history but on American intellectual history in general The volume includes essays on Jarena Lee Theresa Hoover Pauli Murray and Alexis Pauline Gumbs to name a few These women's commitment to the social political and economic well being of oppressed people in the United States shaped their work in the public sphere which took

the form of preaching writing singing marching presiding over religious institutions teaching assuming leadership roles in the civil rights movement and creating politically subversive print and digital art This anthology offers readers exemplars with whose minds and spirits we can engage from whose ideas we can learn and upon whose social justice work we can build The volume joins a burgeoning chorus of texts that calls attention to the creativity of Black women who galvanized their readers listeners and fellow activists to seek justice for the oppressed Pushing back on centuries of institutionalized injustices that have relegated Black women to the sidelines the work of these Black feminist public intellectuals reflects both Christian gospel ethics and non Christian religious traditions that celebrate the wholeness of Black people Secrets and Lies Ella Monroe,2012-11-13 As the girlfriend of the president s son Jackie a senior at an exclusive Washington D C prep school looks to her best friends the Capital Girls for support when she becomes the target of a stalker and experiences a devastating betrayal *Say More* Jen Psaki,2024-05-07 INSTANT NEW YORK TIMES BESTSELLER Former White House Press Secretary and current MSNBC host Jen Psaki shares the surprising lessons she s learned on her path to success and offers unique yet universal advice about how to be a more effective communicator in any situation Not many White House Press Secretaries capture the nation s interest the way Jen Psaki did Refreshingly candid and clear Psaki quickly became known for her ability to break through the noise and successfully deliver her message In her highly anticipated book Psaki shares her journey to the Briefing Room and beyond taking you along the campaign trail to the State Department and inside the White House under two Presidents With her signature wit Psaki writes about reporting to bosses from the hot tempered Rahm Emanuel to the coolly intellectual Barack Obama to the surprisingly tenderhearted John Kerry She also talks about her time working closely with President Joe Biden from the start of his administration to set a new tone for the country restoring a sense of calm and respect for the role of the media in our Democracy Since leaving the White House Psaki s star has continued to rise She launched a highly rated show on MSNBC and was so successful that in just six months she was given an additional primetime Monday slot ahead of Rachel Maddow And Psaki s work doesn t end at the office She is the mother of two young children and shares her stories about the journey of communicating as a parent During one bedtime briefing her young daughter asked the question Why do wars start which Jen carefully explained and then got a follow up Have you ever seen a unicorn In *Say More* Psaki explains her straightforward approach to communication walking you through difficult conversations as well as moments where humor saves the day whether it is with preschoolers partners or presidents She addresses the best ways to give and receive feedback how to connect with your audience how to listen actively and much more *Say More* is the book Psaki wishes she had when she started her career and is a trove of entertaining essential lessons from one of the most prominent voices in American politics today **The Priority of Injustice** Clive Barnett,2017-11-01 This original and ambitious work looks anew at a series of intellectual debates about the meaning of democracy Clive Barnett engages with key thinkers in various traditions of democratic theory and demonstrates the importance of a geographical

imagination in interpreting contemporary political change Debates about radical democracy Barnett argues have become trapped around a set of oppositions between deliberative and agonistic theories contrasting thinkers who promote the possibility of rational agreement and those who seek to unmask the role of power or violence or difference in shaping human affairs While these debates are often framed in terms of consensus versus contestation Barnett unpacks the assumptions about space and time that underlie different understandings of the sources of political conflict and shows how these differences reflect deeper philosophical commitments to theories of creative action or revived ontologies of the political Rather than developing ideal theories of democracy or models of proper politics he argues that attention should turn toward the practices of claims making through which political movements express experiences of injustice and make demands for recognition redress and repair By rethinking the spatial grammar of discussions of public space democratic inclusion and globalization Barnett develops a conceptual framework for analyzing the crucial roles played by geographical processes in generating and processing contentious politics

Love's Next Meeting Aaron Lecklider, 2023-05-02 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left's influence on American culture Combining rich archival research with inventive analysis of art and literature *Love's Next Meeting* explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged *Love's Next Meeting* cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century

Women and Politics Julie Dolan, Melissa M. Deckman, Michele L. Swers, 2017-06-01 *Women and Politics* Paths to Power and Political Influence examines the role of women in politics from the early women's movement to the female politicians in power today Following the historic 2016 presidential election this timely edition

includes analysis of the challenges of navigating gender in seeking the presidency It examines how both Hillary Clinton and Carly Fiorina were forced to perform gender on the campaign trail and tasked to at once prove their masculine capability and feminine likability in order to be considered competent for the job **Political Activists in America** Nathan

Teske,2009-01-01 Argues that active involvement in politics can be deeply fulfilling to the individual and that the construction of identity for all activists is both about morality and about what one wants for oneself Includes interviews with environmental social justice and pro life activists Provided by publisher *Theatre History Studies 2024, Vol 43* Jocelyn L.

Buckner,2025-02-04 The official journal of the Mid America Theatre Conference **Politics for Hire** Stefan

Svallfors,2020-12-25 This ground breaking book investigates the work of policy professionals They consist of political actors who although not elected to office are nonetheless employed to affect policy and politics on a partisan basis Through an analysis of the influence and power they wield this book sheds light on how the growth of this group represents a major transformation of the organization of politics and policy making in advanced democracies The Future of Nostalgia

Svetlana Boym,2008-08-05 Can one be nostalgic for the home one never had Why is it that the age of globalization is accompanied by a no less global epidemic of nostalgia Can we know what we are nostalgic for In the seventeenth century Swiss doctors believed that opium leeches and a trek through the Alps would cure nostalgia In 1733 a Russian commander disgusted with the debilitating homesickness rampant among his troops buried a soldier alive as a deterrent to nostalgia In her new book Svetlana Boym develops a comprehensive approach to this elusive ailment Combining personal memoir philosophical essay and historical analysis Boym explores the spaces of collective nostalgia that connect national biography and personal self fashioning in the twenty first century She guides us through the ruins and construction sites of post communist cities St Petersburg Moscow Berlin and Prague and the imagined homelands of exiles Benjamin Nabokov Mandelstam and Brodsky From Jurassic Park to the Totalitarian Sculpture Garden from love letters on Kafka s grave to conversations with Hitler s impersonator Boym unravels the threads of this global epidemic of longing and its antidotes

Russia's Wisdom Daniel H. Shubin,2014-08-10 Collection of aphorisms and philosophic religious and political convictions from the greatest of Russia s thinkers writers and clerics **Lincoln and the Power of the Press** Harold

Holzer,2014 Examines Abraham Lincoln s relationship with the press arguing that he used such intimidation and manipulation techniques as closing down dissenting newspapers pampering favoring newspaper men and physically moving official telegraph lines *Henry Clay* James C. Klotter,2018-07-02 Charismatic charming and one of the best orators of his era Henry Clay seemed to have it all He offered a comprehensive plan of change for America and he directed national affairs as Speaker of the House as Secretary of State to John Quincy Adams the man he put in office and as acknowledged leader of the Whig party As the broker of the Missouri Compromise and the Compromise of 1850 Henry Clay fought to keep a young nation united when westward expansion and slavery threatened to tear it apart Yet despite his talent and achievements

Henry Clay never became president Three times he received Electoral College votes twice more he sought his party's nomination yet each time he was defeated Alongside fellow senatorial greats Daniel Webster and John C Calhoun Clay was in the mix almost every moment from 1824 to 1848 Given his prominence perhaps the years should be termed not the Jacksonian Era but rather the Age of Clay James C Klotter uses new research and offers a more focused nuanced explanation of Clay's programs and politics in order to answer to the question of why the man they called The Great Rejected never won the presidency but did win the accolades of history Klotter's fresh outlook reveals that the best monument to Henry Clay is the fact that the United States remains one country one nation one example of a successful democracy still working still changing still reflecting his spirit The appeal of Henry Clay and his emphasis on compromise still resonate in a society seeking less partisanship and more efforts at conciliation

Becoming Canada Ken Dryden, 2010 In this passionate thought provoking vision for Canada Ken Dryden argues that we have paid a price for having the wrong sense of ourselves as a country The old definition of Canada genial but sometimes too self deprecating and ambition killing is no longer the real story Through recent global events such as Barack Obama's election and first year in office the climate conference in Copenhagen and even the 2010 Winter Olympics Dryden explores the clash between politics and story and the importance of a nation finding its true narrative in order to thrive By tracing the ups and downs in contemporary Canadian politics from the Liberal leadership race to Stephen Harper's Conservative minority governments Michael Ignatieff's appointment as Opposition leader and prorogation Ken Dryden presciently identifies the obstacles facing Canada He observes a sea change taking place among Canadians who want something more for their country The ambition of Canada's policies and the nature of our politics will not change Dryden says until we conceive of a new story for the nation Becoming Canada is at once a celebration of Canada and a timely ardent rallying cry to all Canadians to build upon Canada's unique place in the world It is certain to inspire new conversations about our Canada's identity at home and abroad

The Little Book Of Philosophy Andre Comte-Sponville, 2011-11-30 In this remarkable little book Andre Comte Sponville introduces the reader to the western philosophical tradition in a series of sparkling chapters on the big questions In doing so he reveals the essential bones of philosophical thought and shows why philosophy is relevant in our day to day lives In his brilliant and concise writing on morality politics love death knowledge freedom God atheism art time Man and wisdom he inspires the central question of philosophy how should we live and provides the reader with signposts towards a happier wiser life

Columbia Companion to Twentieth-century Philosophies Constantin V. Boundas, 2007 Columbia Companion to Twentieth Century Philosophies is the first guide to cover both the Anglo American analytic and European Continental traditions The first section features Nicholas Rescher writing on neoidealism Josephine Donovan commenting on feminist philosophy Tyler Burge discussing the philosophy of language and mind and Robert Hanna reflecting on Kant's legacy The second section presents Jean Grondin on hermeneutics Leonard Lawlor on phenomenology Charles Scott on postmodernism and Babette Babich on

the philosophy of science The volume also covers logical positivism naturalism pragmatism aesthetics existentialism Marxism the Frankfurt School structuralism psychoanalysis political philosophy ethics and the philosophy of religion The final section addresses concurrent trends in Indian Chinese Japanese and African philosophy and a comprehensive introduction by Constantin V Boundas not only provides a thorough outline of the problems and issues of the analytic and Continental traditions but also boldly challenges the conviction that the two approaches must be rivals Offering an unusually panoramic perspective the Columbia Companion to Twentieth Century Philosophies enables readers to encounter foundational materials on their own terms
