Coming Home, Coming Home Again Wanda R.A. Jones LCSW, 2021-02-17 This book serves to awaken mankind to open the line of communication with Spirit Ascended Masters Angelic Realms your own High Self Committee and more Powerful channeled information and techniques working for the highest good of all in assisting mankind in empowering themselves to their highest spiritual potential and ascension Providing a portal to connect with and hear spirit **The Afro-Blues**

Tradition Kwame Copeland, 2006-08 The Blues was born from praise songs poetry metaphorical tales and folk traditions of the Africans as they became Americana's The Afro Blues sprouted up wherever the African landed in this hemisphere The tradition mixed with existing cultures but retained its uniqueness Part of its uniqueness was its use of percussive tones and its use of mythological references in its idiom and artistic rituals As a historical tradition it was so receptive and creative that its classical roots evolved into the 21st Century At this time of moral and spiritual crises I fall back on my inheritance where meditative prose and poetry are used to reflect the moment from emotive reasoning John Coltrane and Mongo Santamaria both claimed the song Afro Blue Yet This song reflects where the tradition had traveled since Coltrane was an African American and Santamaria was an African Cuban This great stream of maternal traditions has given much to the world and in these times of great transition its glorious well should be dipped in more often If just to argument this present debate What is Human

"I" on Life Howard Scheiner, 2014-06-02 New York NY Dr Howard Scheiner invites you to share his I ON LIFE as he continues his highly personal journey of life and spirit He offers his readers a distinctive and even greater understanding of universal truth as he enlarges his vision for happiness and a joy-filled life Moving further than his last book

REAWAKENING he adds new perspective and perceptions to self-awareness Filled with enlightenment and wisdom it is offered from the same point of intersection of science and spirituality called belief Through examples of his own life readers are again given understanding and insight into their own personal journeys A successful Manhattan physician Scheiner awakes each day happy to be alive feeling blessed with the joys and sorrows of his life joyfully connected to All That Is and thoroughly savoring his singular journey How can the heart soar in the midst of personal struggles and a world in crisis How

can one savor blissful delight when emotional or physical pain takes hold The answer is easy to state when one recognizes that the struggles are only illusory and that apparent crisis is a perfect backdrop that offers opportunities for learning and growth pain is a teaching and we designed the course The seemingly impossible task is to take the answer and believe it to be true While most everyone has dissatisfactions not everyone questions nor recognizes that there must be a better way He invites investment in a spiritual toolbox and offers his tools to do just this He again bares his soul with a highly personal and sometimes humorous and often shocking I ON LIFE enlarging his interpretation regarding the concept of God Universe

Townsend P. ABELL,1841 **The Scottish Jurist** ,1864 Experiencing God's Love in the Church Tom

Blackaby,2011-06-01 The church is not dead nor does it need to be abandoned as some think It is still a body that can best demonstrate the heart of God to a needy world Many have looked at the church with all its flaws and turned their backs on it saying it has passed its prime The main reason for this is that the church has lost its love for one another and consequently for God While the church may serve God try to please God and make efforts to obey God love is sadly missing This lack of love for one another manifests itself through church splits lack of loyalty ostracizing those who disagree turning on one another over insignificant reasons church hopping firing pastors etc Experiencing God's Love in the Church seeks to challenge believers to renew their commitment to loving one another and in so doing returning to what Christ intended His body to look like When the world sees God's people truly loving one another they will then be more apt to see how the Father sent the Son as a demonstration of His love for them
