Mexican Politics The Containment Of Conflict Politics In Latin America Ser:

Mexican Politics Martin Needler, 1995-11-14 This thoroughly revised and updated edition of Needler's well known text brings his comprehensive examination and analysis of Mexican politics up through the 1994 Mexican elections Providing historical and geographical background the work examines economics and politics in the light of the structural changes attending the adoption of the neo liberal economic model Also addressed are the implications of NAFTA the Zapatista rebellion and the assassination of Luis Donaldo Colosio among other current political issues An ideal text for students of comparative politics Latin American studies and recent Latin American history

Welfare Politics in Mexico Peter Ward, 2023-08-01 When it was originally published in 1986 this was the first book to deal simultaneously with several aspects of social welfare provision in a developing country The unique contribution of the book is based on the analysis of 3 substantive welfare areas land for self help housing urban infrastructure and health which are examined in terms of the nature motivation and effectiveness of government intervention The book covers 3 administrations between 1970 and the mid 1980s and sets the analysis in the wider context of Latin American affairs The author shows that although social welfare expenditure has increased its importance as a government priority has been sharply eroded

Ethnicity and Class Conflict in Rural Mexico Frans J. Schryer, 2014-07-14 In this case study of a recent peasant uprising in an ethnically diverse region of Mexico Frans Schryer addresses an important issue in the cultural history of Latin America what is the relationship of class to ethnicity and how do these two elements of cultural perception and social hierarchy reinforce or contradict each other Examining the interaction between commercial cattle raisers and subsistence agricultural workers in both Nahua and Mestizo villages Schryer focuses on how ethnic identities and administrative structures affect the form and outcome of agrarian struggles He shows that class culture and social organization are interconnected but vary independently and demonstrates that communal land tenure and corporate structures are compatible with class differentiation and even overt class conflict within peasant communities Schryer's data is based on archival research direct observation and extensive interviews with key actors involved in the conflict His book traces the origins of local variations in legal status and ethnic relations back to the development of Indian republics haciendas and ranchos By considering competing interpretations of more recent history especially the CNBrdenas era the author also provides insights into the mentality of protagonists involved in both ideological confrontations and armed encounters What emerges is a detailed comprehensive study that places as much emphasis on culture and discourse as on economic structures and political forces Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the

thousands of books published by Princeton University Press since its founding in 1905 **Mexico, a Country Study** James D. Rudolph, 1985 *Controlling Latin American Conflicts* Michael A. Morris, 2019-03-04 Latin America remains a turbulent region characterized by conflict and increased militarization despite the existence of regional juridical mechanisms for controlling disputes In this book scholars from both Latin and North America collaborate in presenting ten original approaches to containing and resolving conflict in the region Stressing the need to closely link contemporary approaches to conflict management with the Latin American legalistic tradition they examine a broad scope of mechanisms ranging from confidence building measures to arms control agreements This book is the first systematic attempt to survey arms control and to generate approaches for controlling conflicts in Latin America Ten original approaches to containing and resolving conflict in Latin America are developed in the successive chapters of this volume **Books in Print Supplement** , 1994

Gangs, Pseudo-Militaries, and Other Modern Mercenaries Max G. Manwaring, 2012-10-11 As the first decade of the twenty first century has made brutally clear the very definitions of war and the enemy have changed almost beyond recognition Threats to security are now as likely to come from armed propagandists popular militias or mercenary organizations as they are from conventional armies backed by nation states In this timely book national security expert Max G Manwaring explores a little understood actor on the stage of irregular warfare the gang Since the end of the Cold War some one hundred insurgencies or irregular wars have erupted throughout the world Gangs have figured prominently in more than half of those conflicts yet these and other nonstate actors have received little focused attention from scholars or analysts This book fills that void Employing a case study approach and believing that shadows from the past often portend the future Manwaring begins with a careful consideration of the writings of V I Lenin He then scrutinizes the Piqueteros in Argentina gangs in Colombia private armies in Mexico Hugo Chavez s use of popular militias in Venezuela and the looming threat of Al Qaeda in Western Europe As conventional warfare is increasingly eclipsed by these irregular and uncomfortable wars Manwaring boldly diagnoses the problem and recommends solutions that policymakers should heed Books in Series , 1985 Vols for 1980 issued in three parts Series Authors and Titles *Bibliographie Mensuelle* United Nations Library (Geneva, Switzerland), 1984
