

Mexican Revolution 1910 1940

Alan Knight

Mexican Revolution 1910 1940:

The Mexican Revolution, 1910-1940 Michael J. Gonzales, 2002 Examines Mexican politics and government from the dictatorship of General Porfirio Díaz to the presidency of General Lázaro Cárdenas *The Mexican Revolution* Douglas W. Richmond, Sam W. Haynes, 2013-03-22 In 1910 insurgent leaders crushed the Porfirian dictatorship but in the years that followed fought among themselves until a nationalist consensus produced the 1917 Constitution This in turn provided the basis for a reform agenda that transformed Mexico in the modern era The civil war and the reforms that followed receive new and insightful attention in this book These essays the result of the 45th annual Walter Prescott Webb Memorial Lectures presented by the University of Texas at Arlington in March 2010 commemorate the centennial of the outbreak of the revolution A potent mix of factors including the concentration of wealth in the hands of a few thousand hacienda owners rancheros and foreign capitalists the ideological conflict between the Díaz government and the dissident regional reformers and the grinding poverty afflicting the majority of the nation's eleven million industrial and rural laborers provided the volatile fuel that produced the first major political and social revolution of the twentieth century The conflagration soon swept across the Rio Grande indeed The Mexican Revolution shows clearly that the struggle in Mexico had tremendous implications for the American Southwest During the years of revolution hundreds of thousands of Mexican citizens crossed the border into the United States As a result the region experienced waves of ethnically motivated violence economic tensions and the mass expulsions of Mexicans and US citizens of Mexican descent **The Mexican Revolution** Mark Wasserman, 2018-12-27 During the Mexican Revolution a remarkable alliance of peasants working and middle classes and elites banded together to end General Porfirio Díaz's thirty five year rule as dictator president and created a radical new constitution that demanded education for all children redistributed land and water resources and established progressive labor laws In this collection Mark Wasserman examines the causes conduct and consequences of the revolution and carefully untangles the shifting alliances of the participants In his introduction Wasserman outlines the context for the revolution rebels differing goals for land redistribution and the resulting battles between rebel leaders and their generals He also examines daily life and the conduct of the revolution as well as its national and international legacy The accompanying selected sources include political documents along with dozens of accounts from politicians and generals to male and female soldiers civilians and journalists Collectively they offer insight into the reasons for fighting the politics behind the war and the revolution's international legacy Document headnotes a chronology selected bibliography and questions for consideration provide pedagogical support **The Mexican Revolution, 1910-1940** Michael J. Gonzales, 2002-02-04 This judicious history of modern Mexico's revolutionary era will help all readers and in particular students understand the first great social uprising of the twentieth century In 1911 land hungry peasants united with discontented political elites to overthrow General Porfirio Díaz who had ruled Mexico for three decades Gonzales offers a path breaking overview of the revolution from its

origins in the Díaz dictatorship through the presidency of radical General Lázaro Cárdenas 1934-1940 drawn from archival sources and a vast secondary literature His interpretation balances accounts of agrarian insurgencies shifting revolutionary alliances counter revolutions and foreign interventions to delineate the triumphs and failures of revolutionary leaders such as Francisco I Madero Pancho Villa Emiliano Zapata Alvaro Obregón and Venustiano Carranza What emerges is a clear understanding of the tangled events of the period and a fuller appreciation of the efforts of revolutionary presidents after 1916 to reinvent Mexico amid the limitations imposed by a war torn countryside a hostile international environment and the resistance of the Catholic Church and large land owners

The Mexican Revolution Stuart Easterling, 2013-01-11 An excellent account and analysis of the Mexican Revolution its background its course and its legacy an important contribution and a must read Samuel Farber author of Cuba Since the Revolution of 1959 The most significant event in modern Mexican history the Mexican Revolution of 1910-20 remains a subject of debate and controversy Why did it happen What makes it distinctive Was it even a revolution at all In *The Mexican Revolution* Stuart Easterling offers a concise chronicle of events from the fall of the longstanding Díaz regime to Gen Obregón's ascent to the presidency In a comprehensible style aimed at students and general readers Easterling sorts through the revolution's many internal conflicts and asks whether or not its leaders achieved their goals

Emergence of the Modern Mexican Woman Shirlene Ann Soto, 1990 Soto Chicano studies Cal State U Northridge examines women's participation in the Mexican Revolution 1910-1940 and the Mexican women's rights movement during the same period Paper edition unseen 16-95 Published by Arden Press PO Box 418 Denver CO 80201 Annotation copyrighted by Book News Inc Portland OR

Revolution in Mexico James Wallace Wilkie, Albert L. Michaels, 1969

Plutarco Elías Calles and the Mexican Revolution Jürgen Buchenau, 2023-06-14 This biography of the Mexican revolutionary examines his rise from soldier to president to his continued influence as Jefe Máximo Hailing from the border state of Sonora Plutarco Elías Calles found his calling in the early years of the revolution quickly rising to national prominence As president from 1924 to 1928 Calles undertook an ambitious reform program modernized the financial system and defended national sovereignty against an interventionist U S government Yet these reforms failed to eradicate underdevelopment corruption and social injustice Moreover his unyielding campaigns against political enemies and the Catholic Church earned him a reputation as a repressive strongman After his term as president Calles continued to exert broad influence as his country's foremost political figure while three weaker presidents succeeded each other in an atmosphere of constant political crisis He played a significant role in founding a ruling party that reined in power hungry military leaders and helped workers attain better living conditions This dynastic party and its successors including the present day Partido Revolucionario Institucional Party of the Institutional Revolution remained in power until 2000 Through this comprehensive assessment of a quintessential Mexican politician Buchenau opens an illuminating window into both the Mexican Revolution and contemporary Mexico

The Mexican Revolution Robert Weis, 2024-10-01 This volume untangles

the multiple threads of the Mexican Revolution to present an accessible introduction to its causes development and consequences Grounded in a detailed narrative that readers can actively explore through accompanying primary sources the book also provides a broad view of Mexico s cultural political and social evolution from the 1870s to the 1940s It traces the promises and perils of export led modernization during the late nineteenth century the subsequent explosion of popular discontent the difficult process of reconstruction and the lasting legacies The book emphasizes the promises and shortcomings of liberalism the demands from workers and peasants the gender underpinnings of revolutionary principles new forms of authoritarianism and how conservative resistance curbed the revolution s reform agenda Featuring a number of learning tools such as a chronology glossary and introduction to key historical figures The Mexican Revolution is a helpful resource for undergraduate students and non specialist readers interested in Mexico and its major revolution *British Attitudes Towards the Mexican Revolution* Alan Knight,1994 *The Wind that Swept Mexico* Anita Brenner,2010-03-01 100 pages of text and 184 historical news photographs This is the Mexican Revolution in its drama its complexity its incompleteness Bertram D Wolfe The Mexican Revolution began in 1910 with the overthrow of dictator Porfirio D az The Wind That Swept Mexico originally published in 1943 was the first book to present a broad account of that revolution in its several different phases In concise but moving words and in memorable photographs this classic sweeps the reader along from the false peace and plenty of the D az era through the doomed administration of Madero the chaotic years of Villa and Zapata Carranza and Obreg n to the peaceful social revolution of C rdenas and Mexico s entry into World War II The photographs were assembled from many sources by George R Leighton with the assistance of Anita Brenner and others Many of the prints were cleaned and rephotographed by the distinguished photographer Walker Evans Here is the history of the revolution in 184 of the best photographs of the time The whole disintegration and painful reintegration of a society is marvelously set before the eyes Times Literary Supplement A classic and sympathetic statement of the first of the great twentieth century revolutions its words and pictures command our attention and our respect Military History One could not have seen it more closely and fully had one taken part in it Bertram D Wolfe *The Mexican Revolution* Jurgen Buchenau,Timothy Henderson,2022-10-03 Henderson and Buchenau have done an excellent and thoughtful job of collecting a wide range of voices for students to learn about the Mexican Revolution and its causes both from above and from below I m particularly appreciative of the authors inclusion of women s voices and women s issues of the era including the point of view of the first woman elected to public office in Mexico They deserve praise for including documents that complicate widely accepted heroic revolutionary narratives of the period for students such as the experience of soldaderas and the massacre of Chinese people in Torre n It is also worth mentioning that the editors have done an admirable job in choosing documents from across Mexico s many diverse and heterogenous regions The general Introduction is excellent it is both accurate and highly readable for students It is no easy feat to succinctly describe both the events and the significance of this period in

Mexican history as the authors have done here Sarah Osten The University of Vermont **The Essential History of Mexico** Philip Russell, 2015-08-20 The full text of The History of Mexico From Pre Conquest to Present traces the last 500 years of Mexican history from the indigenous empires devastated by the Spanish conquest through the 21st century including the election of 2012 Written in a clear and accessible manner the book offers a straightforward chronological survey of Mexican history from pre colonial times to the present and includes a glossary as well as numerous images and tables for comprehensive study This version The Essential History of Mexico streamlines and updates the text of the full first edition to make it easier for classroom use Helpful pedagogy has been added for contextualization and support including Side by side world and Mexican timelines at the beginning of each chapter that place the national events from each chapter in broader global context Bolded keywords that draw attention to important terms Cultural and biography boxes in each chapter that help highlight aspects of social history Primary documents in each chapter that allow historical actors to speak directly to students Annotated suggestions for further reading In addition the companion website provides many valuable tools for students and instructors including links to online resources and videos discussion questions and images and figures from the book The Mexican Revolution Alan Knight, 1990 This comprehensive two volume history of the Mexican Revolution presents a new interpretation of one of the world s most important revolutions While it reflects the many facets of this complex and far reaching historical subject it emphasises its fundamentally local popular and agrarian character and locates it within a more general comparative context Publisher The Anglo-American Novel of the Mexican Revolution, 1910-1940 Sheryl Marie Sherman Pearson, 1976 **The Course of Mexican History** Susan M. Deeds, Michael C. Meyer, William L. Sherman, 2018 Part I Pre Columbian Mexico The first Mexicans Mesoamerica s golden age the classic period Times of trouble post classic Mexico The rise of the Aztecs Aztec society and culture Part II Colliding worlds The Spanish invasion The settlement of new Spain Part III Living in the viceroyalty The imperial system entrenched The colonial economy The colonial church Colonial society race ethnicity class gender and identity Culture and daily life in New Spain Part IV Reform and reaction the move to independence The Bourbons restructure New Spain Society and stress in the late colonial period The wars for independence The first Mexican empire Part V The trials of nationhood The early Mexican Republic Santa Anna the centralized state and the war with the United States Society and culture in the first half of the nineteenth century Part VI Liberals and conservatives search for something better The reform and the French intervention The restored republic nascent modernization Society and culture in the middle of the nineteenth century Part VII The modernization of Mexico The Porfiriato order and progress The costs of modernization Society and culture during the Porfiriato Part VIII The Revolution of 1910 Madero and the liberal indictment of the Porfiriato Revolts and dictatorship obstruct the democratic overture The illusory quest for a better way Society and culture during the revolutionary years PART ix The revolutionary aftermath Calles supreme chief of an institutionalized revolution Cardenas and the essence of the revolution Society and culture in the

postrevolutionary period Part X Development and dissent under a one party system From revolution to evolution The lull and the storm Failures of development in the one party state Society and culture a new internationalism Part XI Crisis and change in an era of globalization The neoliberal state a path to democracy The challenges of democratization Progress and problems Society and culture in an era of crises and global entanglements **Gender and the Mexican Revolution**

Stephanie J. Smith,2009 The state of Yucatan is commonly considered to have been a hotbed of radical feminism during the Mexican Revolution Challenging this romanticized view Stephanie Smith examines the revolutionary reforms designed to break women s ties to tradition and rel **Mexican History** Nora E. Jaffary,Edward W. Osowski,Susie S. Porter,2018-05-04 Mexican History is a comprehensive and innovative primary source reader in Mexican history from the pre Columbian past to the neoliberal present Chronologically organized chapters facilitate the book s assimilation into most course syllabi Its selection of documents thoughtfully conveys enduring themes of Mexican history land and labor indigenous people religion and state formation while also incorporating recent advances in scholarly research on the frontier urban life popular culture race and ethnicity and gender Student friendly pedagogical features include contextual introductions to each chapter and each reading lists of key terms and related sources and guides to recommended readings and Web based resources **The Mexican Revolution and the National Presbyterian Church of Mexico, 1910-1940** Marian Elizabeth McKechnie,1970

The Roots and Consequences of Civil Wars and Revolutions Spencer C. Tucker,2017-02-16 This book treats 30 important civil wars and revolutions across the world including Africa Asia the Americas Europe and the Middle East covering a broad swath of recorded history from ancient times to the present Human history as a whole results from social changes technological advances and evolutions in thinking and religion all of which often lead to wars and conflicts Behind each major war are myriad interrelated causes This book examines 30 of the most significant civil wars and revolutions in recorded history from ancient times to the modern era identifying the origins consequences and subtle impacts of many of these conflicts that are still being felt today A comprehensive overview essay as well as explanations of the causes and consequences of each conflict give readers the context needed to understand the importance of these seminal events Additional learning tools include a detailed timeline that sets all of the key events in the conflict in the proper context maps of several of the key battles that help readers visualize the strategies of both sides and a lengthy bibliography that offers a wealth of options to students looking to investigate any of the conflicts further
