Michael Ballou:

The Woody Allen Encyclopedia Thomas S. Hischak, 2018-11-09 For more than five decades Woody Allen has been one of the most critically acclaimed talents in American cinema. Allen has been nominated for best director seven times by the Academy of Motion Picture Arts and Sciences, winning for his 1977 film *Annie Hall*, and he has received more Oscar nominations for best screenplay than any other individual. But Allen's accomplishments are not limited to the big screen. In addition to writing and directing nearly fifty films, many of which he starred in, Allen has been a television writer, a stand-up comedian, a playwright, and the author of several short stories. *The Woody Allen Encyclopedia* is a compendium of information and commentary about every aspect of Allen as an artist. In this volume, Thomas S. Hischak details all of Allen's works for the cinema, television, and the stage, as well as all of his fiction, his comedy albums, his performances in other directors' movies, and even documentaries about him. In addition to such critically acclaimed films as *Sleeper*, *Manhattan*, *Hannah and Her Sisters*, *Zelig*, *Crimes and Misdemeanors*, *Match Point*, and *Midnight in Paris*, entries in this volume feature many of his collaborators, including actors, actresses, cinematographers, editors, designers, producers, and cowriters. This resource also highlights themes in Allen's work, the music he utilizes in his films, and his working methods, as well as box office figures and awards. An extensive and comprehensive overview of this artist's remarkable career, *The Woody Allen Encyclopedia* is a must-have for film aficionados and will be of great interest to all readers, from professors and students to Allen's most devoted fans.

Brainwashed Ben Shapiro, 2010-06-14 *Brainwashed* is the explosive exposé of the leftist agenda at work in today's colleges, revealed by firebrand Ben Shapiro, syndicated columnist, podcaster, radio show host, and one of today's most exciting conservative voices who's been on the front lines of the battle for America's young minds. This book proves once and for all that so-called higher education continues to sink lower and lower into the depths of liberal madness as close-minded professors turn their students into socialists, atheists, race baiters, and sex-crazed narcissists. In this book, author Ben Shapiro asks three critical questions: Why are universities so biased? Why do students take their professors at face value? What can we do to stop it? In addition to outlining practical solutions as part of a multi-pronged strategy to deal with this problem, *Brainwashed* encourages students to consider the motives of their professors, pay attention to how professors use facts and editorialize during lectures, and ask questions, encourage debate, and think before buying into a professor's mindset. Praise for *Brainwashed*: Ben Shapiro's writing is smart, informative, and incisive. He is wise beyond his years without losing the refreshing fearlessness of youth. Ann Coulter, bestselling author of *High Crimes and Misdemeanors*, *Slander and Treason*. In *Brainwashed*, Shapiro tells the truth that universities are forums of left-liberal indoctrination where dissent is discouraged and penalized with more restrictions on free speech than any other part of American society. Parents who are paying for tuition might want to take note and see what their hard-earned money is paying for. Michael Barone, *U.S. News & World Report* and co-author of *The Almanac of American Politics*. Welcome to P.C. 101. In this trenchant insider's expose, Ben Shapiro bears

witness to the modern American campus freak show You ll get up close and personal with the Marxist loons moral relativists multicultural zealots and American haters who are corrupting young minds Brainwashed reveals the ignominious lows to which higher education has sunk Get deprogrammed Buy this book Michelle Malkin nationally syndicated columnist and author of Invasion Sharp thinking tight writing crazy but true stories Ben Shapiro sees campus brainwashing and raises a national protest This is a good book to give both freshmen who need warning and voters alumni who need to take action Dr Marvin Olasky University of Texas professor and editor in chief of World magazine A worthy successor to God and Man at Yale and Harvard Hates America in exploring the belly of the academic beast David Horowitz founder of Students for Academic Freedom and author of Radical Son and Left Illusions What Animal House did for the toga party Brainwashed should do for American resistance to campus radicalism Rusty Humphries nationally syndicated radio talk show host
