Michel Foucault David Macey, 2005-03-01 With Michel Foucault Reaktion Books introduces an exciting new series that brings the work of major intellectual figures to general readers illuminating their groundbreaking ideas through concise biographies and cogent readings There is no better thinker than Foucault with which to begin the Critical Lives series Though reticent about his personal life for most of his career Foucault in the last years of his life changed his stance on the relationship between the personal and the intellectual and began to speak of an aesthetics of existence in which the life and the work become one David Macey a renowned expert on Foucault demonstrates that these contradictions make it possible to relate Foucault s work to his life in an original and exciting way Exploring the complex intellectual and political world in which Foucault lived and worked and how that world is reflected in his seminal works Macey paints a portrait of Foucault in which the thinker emerges as a brilliant strategist one who while fiercely promoting himself as a maverick aligned himself with particular intellectual camps at precisely the right moments Michel Foucault traces the philosopher s career from his comfortable provincial background to the pinnacle of the French academic system paying careful attention to the networks of friendships and the relations of power that sustained Foucault s prominence in the

academy In an interview in 1966 Foucault said One ought to read everything study everything In other words one must have at one s disposal the general archive of a period at a given moment It is precisely this archive that Macey restores here accessibly relating Foucault s works to the particular context in which they were given form **The Lives of Michel Foucault** David Macey,2019-01-22 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification have had a lasting impact on philosophers historians critics and novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault s former lover David Macey gives the richest account to date of Foucault s life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature *Michel Foucault* Dan Beer,2017-12-02 This is a study of the French philosopher and historian Michel Foucault s 1976 work *La Volonte de Savoir* Dan Beer aims to uncover a network of ideas and linguistic patterns beneath the surface of the text Through close textual analysis he addresses the issue of language and its effects on the world we inhabit The book covers a range of references from the forgotten narratives of 19th century European psychiatry examining the scope of confessional literature to the heated debates that surround Foucault s language and ideas *Michel Foucault* David Owen,2017-05-15 Michel Foucault was one of the twentieth century s most influential thinkers whose work has unsettled and transformed the field of social philosophy and the social sciences The essays and articles selected for this volume are written by many of the most important of Foucault s interpreters and interlocutors and show the range of Foucault s influence and the debates it has provoked about Foucault s own approaches and in relation to substantive areas of social philosophy and social science such as power critique enlightenment law governance ethics and truthfulness This volume provides a comprehensive introduction to and overview of the development of Foucault s thought and demonstrates its enduring significance on our understanding of how we have become what we are *Michel Foucault: A Research Companion* Sverre Raffnsøe,Morten S Thaning,Marius Gudmand-Hoyer,2016-08-31 Michel Foucault continues to be hugely influential His diagnoses challenge us to rethink crucial phenomena such as madness discipline the human sciences the state neoliberalism sexuality and subject formation Based on his work in its entirety and with special emphasis on his many recently published lecture series this book provides an updated comprehensive and original account of his thought By reading Foucault as a philosopher it offers an extensive systematic assessment and discussion of his unique conception of philosophical practice and brings a unifying trajectory in his work to light **Foucault** Hinrich Fink-Eitel,1992
