National Self Images And Regional Identities In Russia

Geir Hønneland

National Self Images And Regional Identities In Russia:

National Self-images and Regional Identities in Russia Bo Petersson, 2018-02-06 This title was first published in 2001 This text looks at what being Russian means to a Russian politician the country they live in and what they think it ought to be It is a study of self images in Russia pertaining to the Russian state policy and the cognitive and affective strands regarding Russia's past its friends and foes externally and internally and Russia's role in the international arena as well as key issues related to internal developments This book attempts to assess to what extent a new sense of identity emerged in Russia during the decade after the dissolution of the Soviet Union In this book Petersson argues that the development of a civic national identity centered around belonging to the state and not an ethnic community is the only viable option to prevent further disintegration and bring about stability and cohesion for the country *After Communism* Donald R. Kelley, 2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism's aftermath They consider state building and constitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization *Myth Making in the Soviet Union and Modern Russia* Vicky Davis, 2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state's appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today *Russia and the Arctic* Geir Hønneland, 2020-01-09 The world is currently witnessing an Arctic Scramble as the major powers compete to demarcate and occupy Arctic territory The region is known to be home to large gas and oil reserves and its position at the top of the globe holds significant trading and military advantages Yet the territorial boundaries of the region remain ill defined and Russia under the increasingly bold foreign

policy of Vladimir Putin has emerged as a forceful power in the region Geir H nneland investigates the political contexts and international tensions surrounding Russia s actions focusing especially on the disputes which have emerged in the Barents Sea where European and Russian interests compete directly Skillfully delineating Russian policy in the region and analyzing the mineral and environmental consequences of the recent treaty agreements Russia and the Arctic is a crucial addition to our understanding of contemporary International Relations concerning the Polar North This new updated edition takes into account Russia s recent moves in the Arctic region and the development of the Arctic council

Putin's Predicament Bo Petersson,2021-09-09 Using the Russian president s major public addresses as the main source Bo Petersson analyzes the legitimization strategies employed during Vladimir Putin s third and fourth terms in office The argument is that these strategies have rested on Putin s highly personalized blend of strongman image projection and presentation as the embodiment of Russia s great power myth Putin appears as the only credible guarantor against renewed weakness political chaos and interference from abroad in particular from the US After a first deep crisis of legitimacy manifested itself by the massive protests in 2011 2012 the annexation of Crimea led to a lengthy boost in Putin s popularity figures The book discusses how the Crimea effect is by 2021 trailing off and Putin s charismatic authority is increasingly questioned by opposition from Alexei Navalny the effects of unpopular reforms and poor handling of the COVID 19 pandemic Moreover Russia is bound to head for a succession crisis as the legitimacy of the political system continues to be built on Putin s projected personal characteristics and now apparently waning charisma and since no potential heir apparent has been allowed on center stage The constitutional reform of summer 2020 made it possible in theory for Putin to continue as president until 2036 Yet this change did not address the Russian political system s fundamental future leadership dilemma

Postcommunist Film - Russia, Eastern Europe and World Culture Lars Kristensen,2013-02-28 A post communist condition has arisen from the fall of the Berlin Wall and later the Soviet Empire this book looks at how this condition has manifested itself globally in the production of post communist film It argues post communism is a shared experience on a geopolitical level unlimited by national state borders and examines post communist cross culturalism and global totalitarianism within film The book examines different national cinemas and dissimilar cinematic modes from Russian blockbuster cinema to Chinese independent cinema from Serbian city films to revolutionary films of Mozambique all formulated as within the postcommunist condition It considers the postcommunist film in terms of transnational and World cinema It covers a wide range of films from small and independent filmmaking to mainstream popular cinema and explains post communist signifiers as manifested in visual culture both inside and outside former and current communist countries

The SAGE Handbook of Nations and Nationalism Gerard Delanty,Krishan Kumar,2006-06-14 With its list of distinguished contributors and its wide range of topics the handbook is surely destined to become an invaluable resource for all serious students of nationalism Michael Billig Professor of Social Sciences at Loughborough University and author of Banal

Nationalism SAGE 1995 The persistence some would say revival of nationalism across the recent history of modernity in particular the past two decades has taken many scholars in the social sciences by surprise In response interest in the analysis of nationalism has increased and given rise to a great variety of new angles under which to study the phenomenon What was missing in the cacophony of voices addressing nationalism was a volume that brought them together and confronted them with each other This handbook does just that It deserves particular praise for the wide range of approaches and topic included and for the systematic attempt at studying nationalism as a phenomenon of our time not a remnant from the past Peter Wagner Professor of Social and Political Theory European University Institute and Professor of Sociology University of Warwick For students concerned with the contemporary study of nationalism this will be an invaluable publication The three fold division into approaches themes and cases is a very solid and sensible one The editors have commissioned essays from leading scholars in the field and this handbook provides the best single volume overview of contemporary nationalism John Breuilly Professor of Nationalism and Ethnicity London School of Economics Nationalism has long excited debate in political social and cultural theory and remains a key field of enquiry among historians anthropologists sociologists as well as political scientists It is also one of the critical media issues of our time There are however surprisingly few volumes that bring together the best of this intellectual diversity into one collection This Handbook gives readers a critical survey of the latest theories and debates and provides a glimpse of the issues that will shape their future Its three sections guide the reader through the theoretical approaches to this field of study its major themes from modernity to memory migration and genocide and the diversity of nationalisms found around the globe The overall aim of this Handbook is to relate theories and debates within and across a range of disciplines illuminate themes and issues of central importance in both historical and contemporary contexts and show how nationalism has impacted upon and interacted with other political and social forms and forces This book provides a much needed resource for scholars in international relations political science social theory and sociology

Research Handbook on Nationalism Liah Greenfeld,Zeying Wu,2020-09-25 Assembling scholarship on the subject of nationalism from around the world this Research Handbook brings to the attention of the reader research showcasing the unprecedented expansion of the scholarly field in general and offers a diversity of perspectives on the topic It highlights the disarray in Western social sciences and the rise in the relative importance of previously independent scholarly traditions of China and post Soviet societies Nationalism is the field of study where the mutual relevance of these traditions is both most clearly evident and particularly consequential

Exploring Russia's Exceptionalism in International Politics Raymond Taras,2023-12-19 This book explores Russia s sense of its own uniqueness and the impact this has had on Russia s conduct of international relations Examining concepts such as Russia s special civilising mission its difference from the West its proneness to conduct violent warfare and more and discussing these concepts in relation to Russia s history and its present behaviour and also in relation to other countries views of themselves as exceptional the book highlights Russia s

sense of its own identity as a key factor shaping current international events **Good Governance in the Era of Global Neoliberalism** Jolle Demmers,Alex E. Fernández Jilberto,Barbara Hogenboom,2004-08-02 The contributions cover a wide range of territories Argentina Russia the Ukraine Indonesia and Taiwan The book will be the first to call into question the idea of good governance and exactly what that implies The editors have a good track record and have been widely published in the area Book should be of great appeal to all international and development economists

Delve into the emotional tapestry woven by in **National Self Images And Regional Identities In Russia** . National Self Images And Regional Identities In Russia Introduction

In the digital age, access to information has become easier than ever before. The ability to download National Self Images And Regional Identities In Russia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download National Self Images And Regional Identities In Russia has opened up a world of possibilities. Downloading National Self Images And Regional Identities In Russia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading National Self Images And Regional Identities In Russia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download National Self Images And Regional Identities In Russia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading National Self Images And Regional Identities In Russia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading National Self Images And Regional Identities In Russia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download National Self Images And Regional Identities In Russia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About National Self Images And Regional Identities In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Self Images And Regional Identities In Russia is one of the best book in our library for free trial. We provide copy of National Self Images And Regional Identities In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Self Images And Regional Identities In Russia. Where to download National Self Images And Regional Identities In Russia online for free? Are you looking for National Self Images And Regional Identities In Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another National Self Images And Regional Identities In Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of National Self Images And Regional Identities In Russia are for sale to free while some are payable.
