Raising Cain And Abel Too The Parents Of Sibling Rivalry:

Raising Cain (and Abel Too) John F. McDermott, 1980 **Re-educating Troubled Youth** Larry K. Brendtro, Arlin E. Ness, 2017-07-05 This book is about helping troubled young people who are searching separately for security identity and purpose in their lives Childhood and adolescence are pivotal stages in the quest to belong to become somebody and to be worth something Children need stimulation affection and guidance in order to develop their potentials but many are reared in environments that deprive them of these nutriment Adolescents approach the threshold of independence with only the experiences gained from childhood many lack the support of significant actions Those who encounter difficulty in navigating through these turbulent years are to be identified by society as troubled or troublesome These children and youth present challenges that do not yield to simple panaceas Although no simple approach holds all the answers bridging various concepts of education and treatment offers the best opportunity for creating positive changes The authors refer to this process as re education with full awareness that this term has been used in a variety of philosophical contexts including behavioral ecological and psychodynamic views **The Everything Parent's Guide To Raising Siblings** Linda Sonna, 2006-02-24 A Simon Schuster eBook Simon Schuster has a great book for every reader **Re-educating Troubled Youth** Alexis de Tocqueville, 2017-07-05 This book is about helping troubled young people who are searching separately for security identity and purpose in their lives Childhood and adolescence are pivotal stages in the quest to belong to become somebody and to be worth something Children need stimulation affection and guidance in order to develop their potentials but many are reared in environments that deprive them of these nutriment Adolescents approach the threshold of independence with only the experiences gained from childhood many lack the support of significant actions Those who encounter difficulty in navigating through these turbulent years are to be identified by society as troubled or troublesome These children and youth present challenges that do not yield to simple panaceas Although no simple approach holds all the answers bridging various concepts of education and treatment offers the best opportunity for creating positive changes The authors refer to this process as re education with full awareness that this term has been used in a variety of philosophical contexts including behavioral ecological and psychodynamic views **The Task Planner** William James Reid, 2000 This practical guide for social workers presents systematic and streamlined techniques for helping clients resolve their problems It includes an A Z set of task planners for more than 100 psychosocial problems encountered by human service professionals **Raising Cain** Dan Kindlon, Ph.D., Michael Thompson, PhD, 2009-08-05 The stunning success of *Reviving Ophelia* Mary Pipher's landmark book showed a true and pressing need to address the emotional lives of girls Now finally here is the book that answers our equally timely and critical need to understand our boys In *Raising Cain* Dan Kindlon Ph D and Michael Thompson Ph D two of the country's leading child psychologists share what they have learned in more than thirty five years of combined experience working with boys and their families They reveal a nation of boys who are hurting sad afraid angry and silent Statistics point

to an alarming number of young boys at high risk for suicide alcohol and drug abuse violence and loneliness Kindlon and Thompson set out to answer this basic crucial question What do boys need that they re not getting They illuminate the forces that threaten our boys teaching them to believe that cool equals macho strength and stoicism Cutting through outdated theories of mother blame boy biology and testosterone Kindlon and Thompson shed light on the destructive emotional training our boys receive the emotional miseducation of boys Through moving case studies and cutting edge research Raising Cain paints a portrait of boys systematically steered away from their emotional lives by adults and the peer culture of cruelty boys who receive little encouragement to develop qualities such as compassion sensitivity and warmth The good news is that this doesn t have to happen There is much we can do to prevent it Kindlon and Thompson make a compelling case that emotional literacy is the most valuable gift we can offer our sons urging parents to recognize the price boys pay when we hold them to an impossible standard of manhood They identify the social and emotional challenges that boys encounter in school and show how parents can help boys cultivate emotional awareness and empathy giving them the vital connections and support they need to navigate the social pressures of youth Powerfully written and deeply felt Raising Cain will forever change the way we see our sons and will transform the way we help them to become happy and fulfilled young men
