King's Pleasure Ida Zeitlin,1929 **The Scepter's Return** Harry Turtledove,2015-12-15 Two rival kings must unite to defeat a malevolent god in the wise and humorous conclusion to the Hugo Award winning author s Scepter of Mercy trilogy Publishers Weekly When Avornis falls the Banished One will reign supreme Rival kings Lanius and Grus each covet solitary power but realize that a kingdom divided cannot stand against the evil god who enslaves the minds of men through their nightmares Once Avornis was safe from his dark influence protected by a powerful talisman supplied by the pantheon of deities who expunged the immortal called Milvago from their ranks But that was centuries earlier before the Scepter of Mercy was lost and only through its recovery can Avornis survive Now Lanius has a daring most likely impossible plan but it requires the cooperation of his fellow ruler the warrior and usurper king Grus If they fail to work together they will die together nevertheless along with everything that is good and right in their world Hugo Award winner Harry Turtledove brings his Scepter of Mercy trilogy to a spectacular end with a story of courage conflict and selfless sacrifice In The Scepter s Return as in the previous books of the series the acclaimed world builder reimagines epic fantasy leaving his own special imprint on the popular genre much as he has done with the alternate history for which he is so justifiably renowned

MacLeod,2010-10 Traveling underground through an icy tunnel system into an unknown mysterious realm seeking out the Gavel of Elrahon our Grenelf family and friends stumble into a land of ice According to dwarven traveling companion Sir Timlik dam it be the very lands of the hairy horned monsters from

his childhood tales Following closely behind the Grenelf family and friends in the ice tunnels a garrison of goblins sent by the Goblin King Nifere pursues them relentlessly Back within their home lands of the west Lord Eltr of Lavon murders his ruling brother King Edrain and seizes the throne of the Lavon kingdom for launching an invasion against neighboring Nhora Unknown to Eltr the diabolical Nifere wishes also to claim the lands of Nhora The two evils clash and only one of the evil leaders shall survive but not by the actions of the other Within the ice lands the quest for the Gavel of Elrahon becomes a task of survival as hidden treacheries from the past explode changing the course of destiny The race to save the westerly lands against something much worse than the wrath of the Lord of Darkness and Shadow emerges unleashing an ultimate evil force from the depths of the underworld Hold onto your bows and axes this action packed concluding story for the two part epic may only be the beginning [Whip 2](#) Tyler Johns,2016-04-11 It is Christmas vacation and the Psy family along with Whips friends Bobi and Pition head up to Canada but it is a scam run by a Russian dynasty of white tigers the Satvrinskis who kidnap Whips kid sister Sarah and try to make her as smart as she is expected to be by running a ceremony of sacrifice It is up to Whip and his pals along with a walrus named Fentruck to save the day **The Miniatures and Meters of the Old English Genesis, MS Junius 11** Seiichi Suzuki,2023-05-22 The Old English Genesis is the sole illustrated Anglo Saxon poem In full appreciation of this unique concurrent execution of visualization and versification in a single manuscript this multidisciplinary work explores the pictorial Vol 1 and the metrical Vol 2 organization from both synchronic structural and diachronic comparative perspectives Among the most significant findings of each volume are The first twenty two images in the Old English Genesis originated on the whole from the Tournian Bibles and the underlying classical Old English and Old Saxon meters were interactively reshaped through mutual adaptation and recomposition aimed at their firm integration into a synthesized Old English Genesis While each part is solidly embedded in the respective scholarly tradition and pursues its own disciplinary concerns and problematics vigorous formal and cognitive reasoning and theorizing run commonly through both By way of mutual corroboration and integration the twin volumes eventually converge on the hypothesis that the earliest portion of the extant Old English Genesis lines 1-966 derived from the corresponding episodes of an illustrated Tournian Old Saxon Genesis in both pictorial and metrical terms *Theological Dictionary of the Old Testament* G. Johannes Botterweck,Helmer Ringgren,Heinz-Josef Fabry,1974 This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set the Kittel Friedrich Theological Dictionary of the New Testament has been to New Testament studies Beginning with father and continuing through the alphabet the TDOT volumes present in depth discussions of the key Hebrew and Aramaic words in the Old Testament Leading scholars of various religious traditions including Roman Catholic Lutheran Reformed Anglican Greek Orthodox and Jewish and from many parts of the world Denmark France Germany Great Britain Greece Israel Italy the Netherlands Norway Sweden Switzerland and the United States have been carefully selected for each article by editors Botterweck Ringgren and Fabry and their consultants George

W Anderson Henri Cazelles David Noel Freedman Shemaryahu Talmon and Gerhard Wallis The intention of the writers is to concentrate on meaning starting from the more general everyday senses and building to an understanding of theologically significant concepts To avoid artificially restricting the focus of the articles TDOT considers under each keyword the larger groups of words that are related linguistically or semantically The lexical work includes detailed surveys of a word s occurrences not only in biblical material but also in other ancient Near Eastern writings Sumerian Akkadian Egyptian Ethiopic Ugaritic and Northwest Semitic sources are surveyed among others as well as the Qumran texts and the Septuagint and in cultures where no cognate word exists the authors often consider cognate ideas TDOT s emphasis though is on Hebrew terminology and on biblical usage The contributors employ philology as well as form critical and traditio historical methods with the aim of understanding the religious statements in the Old Testament Extensive bibliographical information adds to the value of this reference work This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars it does so however without sacrificing the needs of the latter Ancient scripts Hebrew Greek etc are regularly transliterated in a readable way and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars Where the Hebrew text versification differs from that of English Bibles the English verse appears in parentheses Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work
