Parenting beyond the Rules Connie Albers,2019-04-02 Parenting teens is one of the most challenging seasons of parenting isn t it While this can be a difficult time of transition for parents and teens there is hope You can parent well and build a stronger relationship even through the teen years After 30 years of parenting five children and 20 years of working with teens Connie Albers has witnessed the negative impact of well intentioned but misguided parenting styles all focused on managing teens rather than guiding them But through learning to focus on the hearts of your teens you can avoid those pitfalls and build relationships that last beyond the transition years as you intentionally learn about connect with and listen to your teens In a world filled with distractions and devices it is possible to guide their hearts and remain the primary influence in their lives In Parenting beyond the Rules you will discover how to raise a teen according to his or her strengths talents and personality type as these things equip teens to manage life Join Connie Albers in discovering practical solutions for every parent trying to raise a responsible godly teenager

Raising Teenagers John S. Roberts,2019-06-12 Have you wondered if you re making the right decisions when it comes to raising your daughter Over the last years there has been a lot of confusion about the role of girls and boys in our society It s easy to see why parents are left with lots of unanswered questions when they re raising their children Raising girls the right way through positive parenting can help them become responsible and balanced teenagers and adults Here s some of what you can expect to learn inside the pages of this book Learn how to avoid common mistakes that parents make that can end up harming their daughter s development in the long term How to teach proper conduct at home the right way saving yourself from countless headaches Discover how to teach important values such as empathy and gratefulness Caring for your child s emotional and mental state The most common challenges when raising daughters and how to easily overcome them Would you like to enjoy going through every stage of your child s life without worrying if you re doing the right thing or not The earlier you manage to give proper guidance the easier it is for a child to grow into a healthier person However there is no such thing as being too late and even the most damaging of behaviors and habits can be helped Do not leave anything to chance Start by guiding your child towards the best possible path towards a healthy and responsible adulthood today

Raising a Responsible Child: Elizabeth Ellis,1996-01-01 It has often been said Give a man a fish and he has food for a day Teach him to fish and he can provide for himself over a lifetime Raising a Responsible Child explains the phenomenon of the overindulgent parent who helps and protects too much and the underdeveloped child who never really learns to stand on his or her own feet Today many parents are especially prone to shower their children with love and attention and attempt to minimize stress by doing for them In the scurry of

modern life parents often can't resist giving in to children's demands or solving their problems just to keep the peace. While this is basically a loving approach, it does not teach children how to be responsible and independent. Parents learn the hard way that their overindulgence does more harm than good; their children will only come to them with more demands and act helpless in the face of new problems. If you find yourself entrenched in this pattern, you can change by using a system of consistent, straightforward and logical rules every day. You can teach your children to take responsibility for their actions and earn their privileges, and you will find, perhaps to your surprise, that they are willing and ready to do so. Some of the issues this book will help you to deal with are: The whiny and overly demanding preschooler, The small child who throws tantrums in public to get his way, The older child who is inconsiderate of family members, The teenager who is constantly late for school, The young adult who can't get her life together and mooches off her parents indefinitely. Many parents discover that the tried and true methods detailed here not only help their children handle emotions in a more mature and constructive manner, but also result in higher self-esteem and a happier outlook on life.

Raising Responsible Children Joseph Fricker, 2021-05-15

Teaching a child responsibility can help him grow into a sensible, dependable adult who's always accountable for himself and his actions. We all want to raise responsible children. And we all want to live in a world where others have been raised to be responsible, a world where adults don't shrug off their responsibilities as citizens. How we can do that. Discover this book now. This book tells you what you need to do, how you can handle teenager problems, how you can improve communication in sexual matters and gain the trust of your teens. This in-depth analysis and solution-providing approach has helped many parents to cope up with teenager problems. If you are raising stepchildren, children with disabilities and off-road teens, you will find this book an asset as a guide on how you can cope up with these situations. Buy this book now.
