Covenants of Life K.L. Vaux, M. Stenberg, 2013-03-14 The intense fervor of a Mississippi Methodist preacher the meticulous reasoning of an Oxford logician the dogged persistence of a head longshoreman the unflagging humor of a Rabelaisian satirist To have met Paul Ramsey at a lecture in a medical university a heady conference at Hastings on Hudson a congressional hearing deliberations at a church assembly or a bull session in some coffee shop was to be confronted with a gentleman of unforgettable energy insight and delight In many roles as a young instructor in religious studies at Princeton University a concerned moral theologian commenting on the ethics of the sit ins and nuclear issues an observer and dialogue partner with physicians at Georgetown and other medical centers a faithful editor and analyst of Jonathan Edwards ethical writings a trustee of the Hastings center a voluminous correspondent with others who would join to disciplined pursuit of values Paul Ramsey in all roles was indefatigable in zeal rigorous in demand and gracious in coadventuring to use one of his wonderful metaphors This volume captures a unique exchange between Paul Ramsey and his most prominent colleagues In one sense it remains a Festschrift in his honor characterized at times by a markedly informal tone **Frank Ramsey** Cheryl Misak, 2020-02-13 When he died in 1930 aged 26 Frank Ramsey had already invented one branch of mathematics and two branches of economics laying the foundations for decision theory and game theory Keynes deferred to him he was the only philosopher whom Wittgenstein treated as an equal Had he lived he might have been recognized as the most brilliant thinker of the century This amiable shambling bear of a man was an ardent socialist a believer in free love and an intimate of the Bloomsbury set For the first time Cheryl Misak tells the full story of his extraordinary life [The History of the Worshipful Company of the Drapers of London](#) Arthur Henry Johnson, 1922 **Power and Purpose** Adam Edward Hollowell, 2015-01-26 Not long ago Paul Ramsey 1913 1988 was a leading voice in North American Christian ethics Today however his intellectual

legacy is in question and his work is largely ignored by current scholars in the field Against the tide of that neglect Adam Edward Hollowell argues in *Power and Purpose* that Ramsey's work can still yield considerable insight for contemporary Christian political theology Hollowell shows the influences of Jean Jacques Rousseau and Karl Barth on Ramsey's early work discusses his conversations with political theologians of his generation including Reinhold and Richard Niebuhr and Joseph Fletcher considers his influence on the early virtue theory of Jean Porter and Oliver O Donovan and places Ramsey's work in conversation with more recent voices in Christian ethics including John Bowlin Jennifer Herdt Charles Mathewes Eric Gregory and Daniel Bell Hollowell thus forges new connections between Ramsey and contemporary debates in political theology on such issues as political authority power just war and torture Hollowell's *Power and Purpose* also revisits well known aspects of Ramsey's work for example his insistence on the political significance of God's covenant with creation and offers an original account of the role of judgment in his theology of repentance The book dedicates considerable attention to Ramsey's description of practical reasoning and highlights his commitment to the virtues especially prudence This accessible introduction to Paul Ramsey will appeal to a wide swath of scholars and students in Christian ethics and political theology
