remarkable range in both style and tone the letters disclose Warren's attitudes toward his work as a teacher and his thoughts on the events of World War II the Korean War and the political conflicts in postwar Europe Thoroughly annotated and scrupulously researched Volume Three captures Warren in an extraordinary phase in his life and career reaching his maturity and making many commitments at once yet pursuing them all with a seemingly boundless energy **Sylvia Plath** Suman Agarwal, 2003 This book celebrates Sylvia Plath's achievements as a highly prolific writer who brought a path breaking revolution in the world of poetry thereby making each woman feel the pulse of life A confessionalist of both weight and colour Plath was not scared to openly pen down her feelings what she underwent and in no way was she different or less as compared to her contemporaries and the modernists This enigmatic personality plunged into depression and resorted to hair raising incident of rendering a note to her life by committing suicide at the age of 32 Disdaining political and social subjects Plath was a different breed from the beat nicks of her own time and all this goes to prove that she was stunningly original and a powerful poet Even 40 years after her death in 1963 her place in English literature is assured Twentieth century has been a devastating one especially when one is to peep into writers personal life which has been nerve wrecking and this book is an attempt to analyze Plath her life writings and also her relation to modern poets
