Productive Ruminations James Burdick, 2014-01-27 a collection of poems and stories written by James Alan Burdick

Death Becomes Her and Other Short Stories Toshani Tamhane, 2023-05-25 Have you ever wanted to finish off a life really badly whether be it your own or someone you hate or worse still someone you love dearly Have you ever been to a funeral and wondered what it must feel like to be the centre of attraction just like the deceased if such a thing were possible Have you ever been excited by listening to the thrilling lives of people whose death is imminent be they famous criminals adventure seekers or people living close to the edge What would excite you more their upcoming death or the roller coaster of their lives Have you ever felt that you are actually dead but no one has buried you yet Has the drudgery of life overpowered you so much that the alternative seemed better at one point Are you lost with today's technological advances that you feel someone else or something controls your life and maybe just maybe you are actually dead Do you feel something similar to being trapped in the Matrix If your answer to any of the above questions is YES then this collection of short stories might be for you A Finger of Land on an Old Man's Hand

Earl Vincent de Berge, 2022-09-21 Chronicles in words and photographs the 1962-64 adventures of young men inspired by naturalist Joseph Wood Krutch's book *The Forgotten Peninsula* about Baja California 1961 Then a sparsely populated raw wilderness Baja proved a formidable challenge to men and equipment within its mountainous sometimes lush sometimes barren desert environments spectacular geology and complex ecologies bracketed by oceans They enjoyed encounters with wild animals found bountiful places to hunt and fish met frontier families of the kindest sort experienced Pacific storms and love in a frontier village met gold prospectors hermits and one of a kind characters They encountered brigands and fools had life threatening events found gold nuggets and rescued lost team members Plant photography was among the author's interests only partially foiled by wind blown sand fouling his camera lens Most important they learned about themselves and their relations with nature and God finding their own answers or clarifying what they hoped to better understand Major contributions to this book were provided by Earl's life long friend Mark Winheld

Miguk, the Holy Man Chaucer Malone, 2008-05 Miguk the Holy Man retires on the small Pacific island of Nevahachi People are amused when he rails against unwanted Western encroachments and the haphazard industrialization of the island Yet when he trades his life for a hostage the woman he loves during an aborted robbery and then induces his captor to give himself up the island begins to believe he is somehow graced He later saves the people from a curse that has hung over the island for many years He appears even to cure a woman of her illness His untimely death is turned into a miracle His hand appears to rise in benediction as if blessing the island and an industrial project that he once opposed

Flash Marriage: CEO's Contract Wife Ding DingDangDang, 2020-03-08 During the graduation party Qing Huan had gotten drunk and had somehow managed to push down a man Then the god like man looked at her coldly with a 100 000 000 yuan promissory note in his left hand and a small red book in his right hand Choose which one Qing Huan

trembled in fear Choose The red book The man smiled in satisfaction Three months ago Qing Huan had married the man with the highest status and the most money in Luo City Everyone was envious of her Three months later the man became a cripple His envious gaze turned into pity Qing Huan pursed her lips smiling so much that her eyes curved into crescents They say that not only are you crippled you re not even going to lift a single finger A certain someone who was trying hard to do some rehabilitation work asked Do you want to try

War God in Starry Sky Nan Shanyouzhu,2020-01-05 Chen Xingtian the Supreme Elder of the ancient Star Gate One day Chen Xingtian suddenly felt that he was about to break through He wanted to go into seclusion and have a breakthrough However who would ve thought that someone would interrupt them at the critical moment of their breakthrough In the end the fierce battle between Chen Xingtian and his opponent accidentally brought him to this moment and the Possession landed on the body of a youth who was also called Chen Xingtian After Chen Xingtian understood the environment he was in he began to adapt himself to this world At the same time he began to practice cultivation anew striving to reach the same or even higher level as before In modern times because of various reasons Chen Xingtian would always make enemies with others He first provoked the Venomous Serpent Gang but he was eventually destroyed by Chen Xingtian Afterwards because of his alchemy skills he was targeted by a few sects In the end under the pressure from those sects Chen Xingtian s power increased by leaps and bounds and his cultivation increased by leaps and bounds Soon those sects no longer dared to offend Chen Xingtian However perhaps it was due to Chen Xingtian being careless and letting Zhang Cheng go causing him to fall in love with the people of the island and attempting to kill Chen Xingtian s woman Fortunately Chen Xingtian had made it in time to save his woman However Chen Xingtian was also provoked by the island nation s people and led them to the island nation However Chen Xingtian s movements were too big startling some of the island s hidden experts In the end under the pressure of these experts Chen Xingtian s cultivation advanced by leaps and bounds In the end the Island Country sent out their people to kill Chen Xingtian Luckily Chen Xingtian obtained the inheritance of the ancient Great God which was why he was able to kill the Occult Snake However in the end when Chen Xingtian went through heavenly tribulation he was still messed up by the people of the island In the end Chen Xingtian was brought to a new world by the Heavenly Tribulation

Feeling Roots Rashmi Rai-Rawat,20-02-15 Globally one word is becoming popular isolation But are we really isolated We travel in circles from birth to death and vice versa During this journey the mind hardly stops thinking and interacting with several visible as well as invisible characters Feeling Roots is a collection of short stories that revolve around many characters and their life s journey or a part of their journey Characters include living non living visible invisible and the five elements sun water air fire and ether The short stories though dedicated to senior citizens are written for people of all ages Each one of the stories has a deeper meaning They reflect conversation with self and with the environment around They also indicate life and life beyond bonds Though this collection of short stories may appear simple they are in fact an interesting mind exercise that will be imbedded in the reader
