## **Raoul Wallenberg The Man Who Stopped Death:**

**Raoul Wallenberg** Sharon Linnea, 1993 Traces the life of the Swedish diplomat who saved Hungarian Jews during World War II and then mysteriously disappeared after the Russians occupied Budapest **Raoul Wallenberg**, 1979 **The Holocaust** David M. Crowe, 2021-12-30 Now in its second edition this book takes a fresh probing look at one of the greatest human tragedies in modern history Beginning with a detailed overview of the history of the Jews and their two millennia old struggle with the anti Judaic and anti Semitic prejudice and discrimination that set the stage for the Holocaust David M Crowe discusses the evolution of Nazi racial policies beginning with the development of Adolf Hitler s anti Semitic ideas their importance to the Nazi movement in the 1920s and 1930s and their expanding role in the evolution of German policies leading to the Final Solution in 1941 the mass murder of Jews throughout Nazi occupied Europe The German program involved the creation of death camps like Auschwitz and Treblinka and mass murder sites throughout Eastern Europe and the Soviet Union While the Jews were the principal victims other groups who were deemed racial or biological threats to Hitler s goal of creating an Aryan pure Europe were also targeted including the Roma and the handicapped This book discusses Nazi policies in each country in German occupied Europe as well as the role of Europe s neutrals in the larger German scheme of things It also takes an in depth look at liberation Displaced Persons the founding of Israel and efforts throughout the western world to bring Nazi war criminals and their collaborators to justice This second edition includes a new chapter on the importance of memory and the Holocaust the evolution of interpretative Holocaust scholarship and media recent controversies about national responsibility and the work of Holocaust museums archives and libraries in Israel Germany Poland and the United States to promote Holocaust education and memory It concludes with the rise of Neo Nazism white nationalism and other movements in Germany and the United States and their relationship to questions about Holocaust memory and its lessons Comprehensive and offering a detailed historical perspective this is the perfect resource for those looking to gain a deep understanding of this tragedy *The Supremacist Syndrome* Marsh, Peter, 2021-03-10 A careful and compelling examination of human supremacism underlies ideologies such as anti Semitism genocide racism misogyny and cruelty to animals Proponents of human exceptionalism claim that only humans possess certain morally significant capacities and as a result are entitled to be treated better than members of all other species In the last fifty years scientists have discovered how these capacities are shared by other species which only raises the questions of how and why we evade responsibility for inhumane behavior not only to animals but to one another To answer these questions independent scholar Peter Marsh examines in depth three different ideologies ethnonationalist supremacism the Holocaust in Hungary racial supremacism the rule of King Leopold II of Belgium in the Congo and gender based supremacism men s treatment of women in Victorian and Edwardian England He shows how supremacists applied mechanisms of moral disengagement to legitimize and evade personal responsibility for oppressing and exploiting members of a less powerful group Marsh then considers

whether these different types of supremacism have common features and compares them to the way we treat animals to examine whether that too causes unjustified harm to members of a weaker group and is wrong in the same way racism sexism and other supremacist ideologies are Finally he asks the what we can do to overcome human supremacism and other supremacist ideologies providing practical examples of cross cultural collaboration humane education veganism and extending concepts of identity beyond borders of culture race and nation as Europeans have done by establishing the European Union

The Jewish Holocaust Marty Bloomberg, Buckley Barry Barrett, 1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance

**The Envoy** Alex Kershaw, 2010-10-26 Based on recently released archives and extensive interviews with eyewitnesses and survivors The Envoy is the inspiring and unforgettable story of a lost hero his greatest adversary and the men and women who were saved by his courage and sacrifice December 1944 Soviet and German troops fight from house to house in the shattered corpse strewn suburbs of Budapest Crazy Hungarian fascists join with die hard Nazis to slaughter Jews day and night turning the Danube blood red In less than six months thirty eight year old SS Colonel Adolf Eichmann has sent over half a million Hungarians to the gas chambers in Auschwitz Now all that prevents him from liquidating Europe's last Jewish ghetto is an unarmed Swedish diplomatic envoy named Raoul Wallenberg The Envoy is the stirring tale of how one man made the greatest difference in the face of untold evil The legendary Oscar Schindler saved hundreds but Raoul Wallenberg did what no other individual or nation managed to do He saved more than 100 000 Jewish men women and children from extermination Written with Alex Kershaw's customary narrative verve The Envoy is a fast paced nonfiction thriller that brings to life one of the darkest and yet most inspiring chapters of twentieth century history It is an epic for the ages

The Columbia Guide to the Holocaust Donald L. Niewyk, Francis R. Nicosia, 2012-07-24 Offering a multidimensional approach to one of the most important episodes of the twentieth century The Columbia Guide to the Holocaust offers readers and researchers a general history of the Holocaust while delving into the core issues and debates in the study of the Holocaust today Each of the book's five distinct parts stands on its own as valuable research aids together they constitute an integrated whole Part I provides a narrative overview of the Holocaust placing it within the larger context of Nazi Germany and World War II Part II examines eight critical issues or controversies in the study of the Holocaust including the following questions Were the Jews the sole targets of Nazi genocide or must other groups such as homosexuals the handicapped Gypsies and political dissenters also be included What are the historical roots of the Holocaust How and why did the Final Solution come about Why did bystanders extend or withhold aid Part III consists of a concise chronology of major events and developments that took place surrounding the Holocaust including the armistice ending World War I the opening of the first major concentration camp at Dachau Germany's invasion of Poland the failed assassination attempt against Hitler and the formation of Israel Part IV

contains short descriptive articles on more than two hundred key people places terms and institutions central to a thorough understanding of the Holocaust Entries include Adolf Eichmann Anne Frank the Warsaw Ghetto Aryanization the SS Kristallnacht and the Catholic Church Part V presents an annotated guide to the best print video electronic and institutional resources in English for further study Armed with the tools contained in this volume students or researchers investigating this vast and complicated topic will gain an informed understanding of one of the greatest tragedies in world history     **A Resource Book for Educators** ,1995     **Suing Foreign Governments and Their Corporations, 2nd Edition** Joseph Dellapenna,2021-10-25 When Suing Foreign Governments and Their Corporations was first published in 1988 one reviewer predicted that it would become the bible for all attorneys litigating such cases Since then the book has become the standard work on the intricacies of litigation under the Foreign Sovereign Immunities Act In the most recent Supreme Court decision applying the Foreign Sovereign Immunities Act both the majority and the dissent cited the book as the definitive work on the topic     Congressional Record United States. Congress,2000
