Rape Of Midian:

Rape of Midian Thomas B. Hargrave, 2001-12-01 **The Land of Midian** Richard F. Burton, 2019-09-25 Reproduction of the original *The Land of Midian* by Richard F Burton *The Land of Midian; Revisited, in Two Volumes* Richard Francis Burton, 2023-09-18 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Is It God's Word** Joseph Wheless, 2007-03-01 Is the Bible the word of God This classic of atheistic literature has the answer and it s a loud and profound NO American writer JOSEPH WHELESS 1868 1950 employs all the tools of the logician from the self evidence of reason to the words of the very proponents of the attitudes he strives to dismiss to condemn Christianity as nonsense Wheless roundly debunks the patriarchs and the covenants of Yahweh the wonders of the Exodus the forty years in the wilderness the ten commandments and the law the conquest of the promised land the holy priests and prophets of Yahweh the prophecies of Jesus Christ the inspired harmony of the Gospels the Christian plan of salvation and more This is a highly provocative work one that should be explored by believers and doubters alike ALSO AVAILABLE FROM COSIMO Wheless s *Forgery in Christianity* **Truth Seeker** Warren Mueller, 2019-08-14 Was Jesus a Zealot Has the tomb of Jesus been discovered Was Christianity an outgrowth of Mystery Religions What is the relationship between Christianity and the Essenes or Gnostics Did the Catholic Church create a Bible that is different from apostolic writings These are some of the questions that have surfaced in recent years and that are discussed in this book Warren s father was a deep thinker a voracious reader and seeker after historical truths He adopted many ideas that challenged traditional Christian views He believed that religious and political institutions have altered history to reflect their views While this is true to an extent there are many solid facts upon which Christianity is founded that support the divinity of Jesus and his redemptive work on the cross This book continues a dialogue between Warren and his father that spanned more than thirty years and began with Warren s book *Truth Seeker Objections to the Bible* This book is for those who have questions and problems with aspects of the Bible It also debunks the ancient alien theory for the creation of mankind **Clothed with the Sun** Joyce Hollyday, 1994-01-01 A contributing editor for *Sojourners* magazine introduces readers to women in the Bible many of them unfamiliar in 50 meditations that are grounded in the lives of biblical women The meditations are designed to be used throughout the year and questions for group discussion are included *Bible Tales for Ages 18 and Up* G. Richard Bozarth, 2014-09-01 In 1947 Dr Sebeaus Piafraus discovered the Terminally Ill Sea Scrolls in the same month the Dead Sea Scrolls were found The Dead Sea Scrolls became internationally famous but the Terminally Ill Sea Scrolls were consigned to obscurity along with their discoverer Dr Piafraus who endured decades of ego bruising neglect provides translations of well known Old Testament stories which he insists are the most authentic versions of the stories because the Jewish eschatological cult that created the Scrolls claimed that they were These stories are more fully developed than in the Old Testament and are humorous though some parts are appalling

because Bible stories often are appalling **The God Dilemma** V.C. Thomas, 2009-08-25 Today's modern technology and scientific knowledge contradicts all religious dogma created in ancient times by ignorant and superstitious people who had just learned to write. Modern science can test the strength of one's faith and it can make him a skeptic causing him to discard the religious beliefs of his family for generations past. Deep religious experiences or self-induced delusions can be explained by physical, psychological, biological, and medical sciences today. Evil or Sin is the result of social and mental conditions and can be corrected with education and medication today and without the help of an imaginary God. To quote Mark Twain: Faith is to believe in what you know for sure is not true. The GOD Dilemma is an unscientific investigation to justify believing in religion today and in particular the Christian faith. It argues that scientific and logical discussions about religion and the existence of God are futile; however, we cannot stop thinking about it. Humans are maybe born with a faith in God's existence and with a conscience that tells them which is morally and ethically right and which is not. Author Thomas used to believe in religion, God, and Christianity through his teenage years, but even if he learned to ignore it during his 50 adult years, he never consciously discarded his Christian faith. He now shares his investigations and attempts to believe in Jesus Christ once again despite today's knowledge of the universe and evolution and by ignoring the sanctimonious behavior of fundamentalist US Christians. In the international scene, Thomas believes that the US wars since WWII cannot be justified by the life and the teachings of Jesus Christ. There is an underlying moral claim by fundamentalist Christian Americans that its actions are justified by Jesus and Christianity. The new phenomenon called Christian Zionism, which requires the removal of Palestinians from their homeland to create and expand Israel to enable the second coming of Christ, categorically contradicts the teachings of Jesus in the four Gospels. Zionism is based on the Old Testament Bible (OTB) and Revelations in the New Testament, both of which are scientifically ridiculous. The OTB is also historically questionable about a God interacting with his only chosen people in the Middle East and morally criminal. God sponsored and assisted armed robbery and genocide to create Israel, ancient and modern, by today's legal and ethical standards. Why has the life and teachings of Jesus Christ not produced universal love and non-violence among Christians? Why are American Christians the most active supporters of or not speaking out against the wars, bombing, and destruction by the USA since WWII? Are Ashkenazi European Jews really the descendants of Semitic slaves from Egypt? What were the reasons for anti-Semitism and the Holocaust in Christian Europe of the past? Why is the European Union and the US punishing the Palestinians for the Holocaust crimes in Europe? Can God's orders in the Bible be legally used by the United Nations to recreate Israel again in the 20th century after 3000 years by getting rid of Palestinians? The book seeks to inform and provoke critical thinking of the readers through this investigation into religion and God and in particular the violent, intolerant, and self-righteous behavior of Christians for centuries past and even in today's enlightened age using the source of the Christian religion, the Bible. **The Africana Bible, Second Edition** Hugh R. Page, Jr., Cheryl A. Kirk-Duggan, Valerie Bridgeman, Stacy Davis, Madipoane Masenya, Rodney S. Sadler,

Jr.,2023-11-07 The second edition features an updated commentary on each book of the Hebrew Bible that is authoritative for African and African diaspora communities worldwide It highlights issues of the Black community such as globalization and the colonial legacy and the distinctive norms of interpretation in African and African diaspora settings **The Political**

Dramaturgy of Nicodemus Frischlin David Price,2020-05-01 This is the first comprehensive study of the dramas of Nicodemus Frischlin 1547 1590 one of the most versatile and complex playwrights of early modern Germany Frischlin s broad range encompassed biblical confessional and historical drama all of which expressed bold social and political criticism His plays were influential frequently printed and translated and often controversial He ended his short life trying to escape prison where he was being held for threatening further political publications Price analyzes Frischlin s dramatic output as well as humanist literary theory in particular Renaissance approaches to rhetoric and imitation to explain how humanists modified or even subverted classical forms to accommodate political and theological activism
