The Rape of the Powerless William Osborne,1971 Rape Work Patricia Yancey Martin,2005 Publisher Description

The Rape of the Powerless William Osborne,1971-01-01 **Confronting Rape and Sexual Assault** Jody

Clay-Warner,Mary E. Odem,1997-11-01 So serious are the topics of rape and sexual assault that the mere discussion of them is often avoided In this book Mary Odem and Jody Clay Warner examine the complex and painful issue of sexual violence from various perspectives including sociology criminology anthropology public health and women s studies The inclusion of personal accounts from women who have been raped or threatened by rape makes this collection particularly accessible compelling and powerful An essay details one woman s long struggle as a rape survivor a poem describes the fear of rape and society s treatment of the victim and a sonnet traces the journey from victim to survivor Not only does this invaluable collection define and examine the prevalence of rape and sexual assault but it analyzes social and institutional factors that contribute to their occurrence and provides strategies for prevention and change *I Have Been Raped. Now What?* Susan Henneberg,2015-07-15 The CDC estimates that nearly one in five women and one in seventy one men have been raped in their lifetime Almost half of them experienced their first rape before age eighteen But what exactly constitutes rape and why does it happen Using sensitive narrative and inspiring case studies this book guides teens whether they are survivors friends of survivors or confused or concerned citizens through the process of what to do if they are raped how to begin the process of recovery and how to stay safe in an attempt to prevent a rape from occurring *Gendered Outcasts and Sexual Outlaws* Chris Kendall,Wayne Martino,2012-12-06 A candid re examination of what it means to be a gay man Gendered Outcasts and Sexual Outlaws Sexual Oppression and Gender Hierarchies in Queer Men s Lives explores the impact and effects of sexual oppression and power relationships within the gay male community This controversial book features thoughtful and provocative essays from authors educators and activists who challenge the stigmatization and issues of power they face as gay men who don t fit the masculine mold formed by the gay porn industry and the media Their poignant words reveal the sting of finding discrimination and alienation where least expected as the rise of sexualized hyper masculinity racism and femiphobia among gay men has created a need to re examine appropriate gay male identity and sexuality Editors Christopher Kendall and Wayne Martino who have written about and researched the negative side of gay male pornography the links between sexism and homophobia gay male suicide and the impact of masculinity and sexuality on gay men divide the book s powerful essays into two sections The Dynamics of Sex Gender Oppression and When Gender Harms and Oppression Becomes the Norm The first section challenges the assumptions that form the basis of gay male identity Relying on the work of radical feminists and cultural theorists the authors explore the meaning of gender in a society that expects men to act according to a masculine ideal and punishes them when they don t The book s second section analyzes the reality of gender oppression caused by inequality and sexualized gender hierarchies Contributors discuss what can happen when gay men take

seriously the sexual role models that are offered and what happens if they dare to reject them Gendered Outcasts and Sexual Outlaws examines effeminacy in gay men's lives the idealization of the gay male body straight acting masculinities and the rejection of the feminine narcissism masculinity and body absorption racialized masculinity the feminization of the Asian gay male in gay pornography gay male rape domestic violence and much more Gendered Outcasts and Sexual Outlaws is an eye opening re evaluation of what being gay means why being gay is still considered socially unacceptable and how the gay male community can respond to systemic stigmatization and hate *Psychiatric Treatment of Sexual Offenders* Jamshid A.

Marvasti, 2004 The approach of this book is a humanistic one that characterizes the individual suffering from paraphilia as a human being With this perspective in mind the author posits that any sexual offender who has a history of childhood trauma needs to be treated not only for the sexual offenses but also for past trauma Consisting of eight chapters the first chapter addresses the issues of paraphilias and their sexual offense behavior Chapter 2 focuses on typology and characteristics of pedophiliacs and rapists Chapter 3 details the issues of sexual offense and hypersexuality in elderly males Ch **The Grip**

of Sexual Violence in Conflict Karen Engle, 2020-04-07 Contemporary feminist advocacy in human rights international criminal law and peace and security is gripped by the issue of sexual violence in conflict But it hasn't always been this way Analyzing feminist international legal and political work over the past three decades Karen Engle argues that it was not inevitable that sexual violence in conflict would become such a prominent issue Engle reveals that as feminists from around the world began to pay an enormous amount of attention to sexual violence in conflict they often did so at the cost of attention to other issues including the anti militarism of the women's peace movement critiques of economic maldistribution imperialism and cultural essentialism by feminists from the global South and the sex positive positions of many feminists involved in debates about sex work and pornography *The Grip of Sexual Violence in Conflict* offers a detailed examination of how these feminist commitments were not merely deprioritized but undermined by efforts to address the issue of sexual violence in conflict Engle's analysis reinvigorates vital debates about feminist goals and priorities and spurs readers to question much of today's common sense about the causes effects and proper responses to sexual violence in conflict *The Emotional Rape Syndrome* Michael Fox, Ph.D., 2015-08-28 We can touch the part of a person's body that gets used to sexual rape but we can't touch what gets used in emotional rape the higher emotions of love or trust for example Sexual rape is a violation of the human body emotional rape is a violation of the human soul This book is about identifying preventing and healing emotional rape It's about telling victims that they didn't do anything morally wrong that they are not to blame for what happened to them and that recovery is possible It's about telling victims how they can recover to become survivors Only after this underrated trauma is properly identified can survivors begin to heal their wounds Only when it is discussed honestly and openly can we as individuals and as a society act effectively to prevent the spread of this destructive behavior

Slavery, Empathy, and Pornography Marcus Wood, 2002-11-21 *Slavery Empathy and Pornography* considers the

operations of slavery and of abolition propaganda on the thought and literature of English from the late eighteenth to the mid nineteenth centuries Incorporating materials ranging from canonical literatures to the lowest form of street publication Marcus Wood writes from the conviction that slavery was and still is a dilemma for everyone in England and seeks to explain why English society has constructed Atlantic slavery in the way it has He takes on the works of canonic eighteenth and nineteenth century white authors which claimed when written to account for slavery and asks with some scepticism what kind of truth they hold Taking an interdisciplinary approach chapters focus on the writings of the major Romantic poets English Radicals William Cobbett and John Thelwall the Surinam writings of John Stedman the full range of slavery texts generated by Harriet Martineau John Newton and the social prophets Carlyle and Ruskin Slavery Empathy and Pornography also contains a radical new critique of the operations of slavery within the work of Austen and Charlotte Bront
