Sodomy Michael Carden, 2014-12-18 The biblical narrative of Sodom and Gomorrah has served as an archetypal story of divine antipathy towards same sex love and desire Sodomy offers a study of the reception of this story in Christian and Jewish traditions from antiquity to the Reformation The

book argues that the homophobic interpretation of Sodom and Gomorrah is a Christian invention which emerged in the first few centuries of the Christian era The Jewish tradition in which Sodom and Gomorrah are associated primarily with inhospitality xenophobia and abuse of the poor presents a very different picture The book will be of interest to students and scholars seeking a fresh perspective on biblical approaches to sexuality *Euripides and the Myth of Perseus* P.J.

Finglass,2024-08-05 A recently published second century papyrus P Oxy 5283 contains prose summaries hypotheses of six plays by the Greek dramatist Euripides including two lost plays depicting the hero Perseus Dictys and Dana This book demonstrates the significance of this discovery for our understanding of Greek tragedy After setting out the mythological and dramatic context and offering a new text and translation based on autopsy the book analyses the light which the papyrus sheds on these plays whose narratives centred on female resistance to abusive male tyrants speak as powerfully to us today as they did to their original audiences It then investigates Euripides tragic trilogy of 431 BC which ended with Dictys and began with Medea whose dramatic power now stands in sharper focus given our improved understanding of the production in which it originally appeared Finally it ponders the purpose which these hypotheses served and why readers in the second century AD should have wanted a summary of plays written more than half a millennium before All Greek and Latin is translated making the book accessible not just to classicists but to theatre historians and to anyone interested in Greek literature drama and mythology
