## **Rapid Reading With A Purpose:**

*Rapid Reading with a Purpose* Ben E. Johnson,1973      **Breakthrough Rapid Reading** Peter Kump,1998-11-01 The former National Director of Education for Evelyn Wood Reading Dynamics presents his do it yourself program for increasing reading speed and boosting comprehension This program distills fundamental principles and skills chat can be learned at home with the help of the drills and exercises provided And because it lets readers choose their own materials and set their own pace it s the ideal method for busy people juggling a full schedule      *Rapid Reading with a Purpose* Ben E. Johnson,1982-02 This book is an attempt to give the busy Christian an overview of reading problems common to most readers It also gives an understanding of how these problems can be overcome and provides insight into how more efficient reading habits can be particularly helpful in such things as Bible study Sunday School lesson preparation and sermon preparation Page 5      **The Art of Speed Reading - How To Rapidly Improve Your Reading Speed Without Getting**

**Overwhelmed?** Chris Diamond, Imagine being able to not only read but fully comprehend information at speeds more than 3 times the rate you are used to Can you imagine the amount of personal growth and professional success that you could accomplish if only you were able to absorb all of the information which until now you simply did not have the time to read This is what speed reading can do for and by taking the time to read this report You will be able to learn everything that you need to know in order to start speed reading today In this report you will learn the reasons behind traditional slow reading and the techniques that have been used by millions of people to effectively increase their reading speed You will learn about the five types of reading and when to use each of these methods You will learn a variety of tips and techniques that you can put into practice everyday to continuously perfect your abilities In addition to the written text you will also be given several different charts graphs and exercises that you can use to strengthen your eyes and increase your reading speed Since this report not only offers you the ability to read about speed reading and how it works but also the practical experience of putting your new skills to the test this is truly the only speed reading material that you will ever need Since the major motivation behind the desire to learn speed reading is the ability to gain access to information in a short period of time we have searched high and low for the most comprehensive information available and streamlined it into a short report so that you will be able to absorb this information quickly and start putting it to use right away If you do not have the time to read books you ll always fall behind and underachieve your goals That s because knowledge is power and things change dramatically That s why if you do not constantly learn and expand what you do not know you ll fail miserable in whatever you are trying to accomplish When you read this report you ll gain an unfair advantage over everyone else because knowledge is power especially if you learn twice or three times as fast You ll access and process knowledge at your advantage to achieve your goals quicker than you can imagine Do not wait grab your copy now      *Speed Reading Faster: Maximize Your Success in Business & Study* Jan Cisek and Susan Norman,2025-06-10 The Ultimate Guide to Reading Faster and Smarter Perfect for
