And Other Team Building Activities

Sam Sikes

Foreword by Karl Rohnke

Raptor And Other Team Building Activities

Barney Straus

Raptor And Other Team Building Activities:

Raptor and Other Team Building Activities Sam Sikes, 2003 This book is designed as a training resource You will find many sample scenarios and activity variations that allow you to customize and add life to your trainings meetings and learning events

Healing in Action Barney Straus, 2018-09-04 Healing in Action Adventure Based Counseling with Therapy Groups is a practical guide for therapists wanting to integrate interactive games and challenges into their work It provides current research supporting using ABC with trauma survivors and those recovering from addictions as well as its efficacy with a broader population Twelve activity based chapters take the reader through various one hour sessions of activities based on a particular theme or material used complete with 50 descriptive photos of groups in action Therapists will be able to use these activities to help their patients experience in vivo the joy freedom and playfulness that are the hallmarks of sound mental health With its combination of sound theoretical material and practical application this book is a valuable resource for practitioners and graduate students alike

Adventure Group Psychotherapy Tony G. Alvarez, Gary Stauffer, D. Maurie Lung, Kim Sacksteder, Bobbi Beale, Anita R. Tucker, 2020-11-29 Adventure Group Psychotherapy An Experiential Approach to Treatment explores what is necessary for an experiential therapy group to function effectively and the practical skills needed to inspire success The authors describe how to use activities in a manner that produces the greatest opportunity for clients to reach their goals Issues such as how to actively assess client functioning in the group how to select the appropriate activity how to shape an effective environment and how to help clients process their experience are a few of the aspects examined to help clients move toward their goals The practical skills the authors describe enable readers to immediately learn and apply their practice with groups This book will be an important tool in any group therapy class in practice settings to train practitioners and for any clinician trying to expand their group work capabilities

Teaching Adventure Education Theory Bob Stremba, 2009 Teaching Adventure Education Theory Best Practices offers stimulating fun and engaging activities instructors can use in assisting future adventure educators outdoor leaders and group facilitators in making the connections between adventure theory and practice

The Other Side of Glory Carl J. Pierson, Lindsay Whalen, 2021-11-02 People often forget the road to greatness is rarely a smooth ride The Other Side of Glory reminds us of the enormous power of persistence and what can be achieved when a group of young athletes takes the journey and finds that a team first attitude can navigate the rocky road that leads to the ultimate prize Tim Miles head men s basketball coach San Jose State University A compelling story of teamwork and commitment in the competitive world of girls high school basketball When the Waconia Wildcats embarked on the 2019 season their motto was simple FINISH It was a mandate to follow through on every play at the basket and a promise to

address unfinished business from the previous season when a one point loss was all that kept them from reaching the state tournament for the first time in school history The Other Side of Glory is a sensitive and riveting portrait of youth basketball in small town Minnesota a world familiar to many but brimming with its own characters quirks and challenges Readers will get to know the players girls with nicknames like Sauce Salsa Raptor and Snake as they navigate high school life struggle to accept their roles on the team wrestle with self doubt and ultimately band together with the goal of vanquishing a 45 year legacy of coming up short Inspirational and relatable this is a must read for athletes coaches and parents everywhere
