The Church in End-Time Prophecy Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts

concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

The Rapture of the Church and the Events of the End Time Adeyinka Adebisi Lawani, 2020-07-20 The rapture of the Church and the events of the end time is a classical teaching about the rapture which will occur any moment from now and also an Eschatological exposition of the events that will occur after the rapture The book tries to correct a lot of wrong teachings that has been taught by several Churches and pastors and handed over from one generation to another It exposes in chronological order the events of the end time from the pre rapture signs discussing the different schools of thought about the pre tribulation mid tribulation and post tribulation ideas the manifestation of the man of lawlessness to the second coming Parousia of the Lord Jesus Christ the arrest of Satan his imprisonment the millennium reign the release of Satan for a short period of time till the event of the end of age All these events are compared to the current world events and how the rapture is very close by It is concluded with creation of the new heaven the new earth and the new Jerusalem as three different and distinct entities The book is based on several years of studies research and teaching of the subject

The Pre-Wrath Rapture of the Church Paul S. Karleen, 1991 Dr Paul Karleen offers an insightful evaluation of the pre wrath view of the Rapture challenging such pre wrath assertions as these The church will be taken after the middle of Daniel s 70th week There is no biblical evidence for the imminent return of Christ The Day of the Lord does not include the Millennium The Tribulation is shortened to less than 3 1 2 years The archangel Michael is the restrainer of 2 Thessalonians chapter 2 Jesus Christ returns to earth only once in a combined Rapture and Second Advent in a coming that begins before the end of the 70th week and finishes after it The Pre Wrath Rapture of the Church Is it Biblical weighs pre wrath arguments not from the standpoint of any particular Rapture position but with regard to facts contexts language and logic Back cover

Before God's Wrath H. L. Nigro, 2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position

RAPTURE of the CHURCH Michael E. Pfeil, 2013-11-07 WHAT Would this headline mean we ve missed the Rapture Absolutely Not In light of the rampant evil permeating so much of our world few would deny that Daniel s seventieth week appears to be rapidly approaching Even so we are secure in God s promise that we will be taken to heaven prior to His end time judgments BUT Do the Lord s judgments begin with the peace treaty Surprisingly NO The Bible does not tell us when we will be raptured but it does tell us what must happen prior to that glorious event There are no hidden secrets to understanding end times prophecy It is astounding how clear the Scriptures are If you have been taught the

Pretrib Rapture position a second look is in order Walk with Mike through Old and New Testament passages that shed light on the timing of the Rapture and its relationship to the seven sealed scroll of Revelation

The Partial Rapture and the Left Behind Church Paul Shonebarger, 2020-10-15 Israel was not prepared for the first appearance of the Messiah Yet Israel had esteemed religious leaders the Pharisees Sadducees and an awesome Temple Likely they felt they were ready to welcome the Messiah Today members of the church sound like they are ready for the next appearance of Christ when He comes to rapture the church But it would be prudent to consider that we could also be making a tragic mistake Jesus warned us to Keep Watch This warning was given using parables One such story concluded that if the owner of the house had known when the thief was coming he would have kept watch and not been robbed Jesus said that if we are not ready when the rapture occurs there will be consequences We will feel robbed as if struck by a thief who comes in the night The last time Christ appeared His people were not prepared and Christ suffered When Christ comes to rapture the church many of His people will not be prepared But this time it will be the unprepared believer who will suffer Christ will be coming with power and great glory Jesus warned us to keep watch you need to understand why

INTRODUCTION Current rapture theories assume that there will be only one rapture of the church It will be a defining moment when from among God's people only Israel will remain on earth But such a limited view of the rapture has resulted in conflicting theories Advocates of each rapture theory zealously explain why the other theories are wrong To resolve these contradictions and more importantly to get at the truth the possibility of two separate raptures needs to be considered An early partial rapture followed by a complete rapture of the church much later meets the criteria upon which the leading rapture theories are based From this perspective we find in scripture an early rapture that marks the end the Church Age While it is the birthright of every believer to participate in this early rapture those destined for discipline such as promised the Laodicea Church will be left behind on earth Revelation 3 19 Matthew 24 50 51 Other theories place the rapture much later in the final seven years and emphasize that the church must be raptured prior to God's wrath upon the earth 1 Thessalonians 1 10 5 9 What is found in scripture is a complete rapture of the church accompanied by the resurrection of God's people just before the seven bowls of God's wrath Revelation 14 14 16 In the past this harvest has been largely ignored it is frequently interpreted as having only symbolic meaning Casual observers of our rapture debate sometimes observe that our theories do not matter Do any of the current theories change the way we live on a daily basis Some say that knowing that the blessed hope of rapture is imminent gives Christians greater security It is sometimes stated that this security allows believers to live an enhanced Christian life But is there any proof After all a primary criticism of the arrogant Laodicea Church is that they place too much emphasis on their own security Revelation 3 17 When Christ appears there is a requirement that His people must be prepared John the Baptist was sent in the first century Matthew 3 1 6 Two witnesses in Jerusalem will prepare Israel for His second coming Revelation 11 3 6 Those of us with military experience can witness to the fact that when a senior officer is to visit those who

do not prepare in advance will likely regret not having done so How much exponentially more must we be prepared for the next appearance of Christ With the early partial rapture countless believers will be caught off guard The Sardis Church is an example of believers who are not ready if you do not wake up I will come like a thief and you will not know at what hour I will come to you Revel **Final Call** Jon Dowler,2019-10-03 Final Call was written to focus on what the Bible teaches concerning the Rapture of the Church There is a precedent for the Rapture in the Bible and it is clear that the Rapture will take place before the Tribulation Jesus Paul Peter and John all taught the Rapture of the Church and all their teachings are examined The message of the Rapture of the Church must NOT be lost from this generation Everyone needs to be ready as God s Final Call approaches
