Rapture Regained Serena Alexander,1981 **The Permeable Self** Barbara Newman,2021-09-17 The Permeable Self offers medievalists new insight into the appeal and dangers of the erotics of pedagogy the remarkable influence of courtly romance conventions on hagiography and mysticism and the unexpected ways that pregnancy often devalued in mothers could be positively ascribed to men virgins and God *Rapture's Slave* Becky Lee Weyrich,2014-07-22 An emperor's concubine and a courageous gladiator succumb to forbidden passion in a historical romance from the author of Captive of Desire When the virile young Nero first spots the exquisite Acte illegitimate daughter of Emperor Claudius and a royal household slave he knows he must have her But even as Acte finds her deepest desires awakened by the magnificent Nero she fears his sadistic nature Though she has been fated to serve as Nero's carnal playmate when he becomes emperor of Rome Acte finds the true love she dreams of in Sergio a handsome gladiator But in a loveless world where lust and power rule side by side her secret obsession with Sergio might cost Acte her heart and both of their lives One of the finest and most gifted writers A master storyteller Romantic Times The Truth Behind Left Behind Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives

solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series

For Zion's Sake Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology

The Blessed Hope and the Tribulation John F. Walvoord, 1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author's conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian's assurance of the blessed hope

Expecting the End Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus' promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection
