Raptures Dream:

Dreams and Visions of Heavens in the Rapture James Burlison, 2017-11-28 Dreams and Visions of Heavens in the Rapture By James Burlison James Burlison began having dreams and visions of things in the Bible when he was just a child who could not yet read He did not discover the truth until years later That everything he had dreamt was true Here he recounts his visions including dreams of the End Times *Rapture's Dream* Carol Finch, 1982-08 [My Calling](#) Kristin Lintz, 2025-05-01 My Calling is a personal account of the Authors spiritual journey prophetic dreams and messages from God including warnings about very soon future events *Rapture River* Robert Edward Smith, 2024-11-08 Rapture River Robert Edward Smith's first novel tracks the relationship of two lovers who are as unpredictable as Michigan's weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh's 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times *The Rapture, One-World Government and the "Great Tribulation"* Luis Muñoz, 2013-08-13 This book explains in great detail and exceptional clarity the

issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV

Tennyson's Rapture Cornelia D. J. Pearsall, 2008-01-29 This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers' ambitions are both articulated in and attained through their consequential speech

The Apocalyptic Rapture Exodus Daniel E Almonz, 2004 *The Lady of Rapture* Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before What the Committee didn't know however was that Hiva wasn't an event it was a person Iris Marlow An African tightrope dancer with no memories of her past A girl who cannot die At least she couldn't die Until her own friends discovered her one weakness and murdered her once and for all The world ending threat she posed should be gone too but there's one more Hiva out there and unlike Iris this one has no love for humanity In her absence this Hiva has taken it upon himself to judge if humanity deserves to live But when it comes to Hiva's judgment it is always the same The ending is always total destruction And while Iris is dead she's not gone and after the betrayal that ended her life as Iris she is now out for revenge The world's days are numbered The Cataclysm has begun *Revelations of the Rapture* Beverley-Anne Bear, 2017-06-06 On my search for finding the meaning of life I made the most amazing discovery

which is what this book is all about I discovered how to remember who we truly are and how to reconnect to God Creator of all that is the source of all life Life is a journey As we travel along the road discovering life we realize that there is no road map for life just a moment by moment discovery of selfdiscovering who we are and more excitingly who we want to be or become This book has taken me over ten years to write since I had a powerful prophetic dream in August 2005 I have been on a personal journey of discovery and of immense growth since then resulting in all the beliefs that I had since a young girl to be turned upside down If anybody had told me what I know today ten years ago I would have argued with them and told them that they were being misled and would have considered it heresy An age old parable talks about an old beggar who was sitting on a box at the side of the road When a stranger came walking past the beggar asked the stranger for some spare cash The stranger replied that he had no money to give him but then asked the beggar what was inside the box that he was sitting on The beggar replied that it was an old box that he had been sitting on for as long as he could remember and that he had never looked inside as it was surely empty The stranger encouraged him to open the box and to look inside which the beggar duly did only to find that the box was filled with gold All these years this beggar has been begging for money and eating scraps of food or any morsel that he could find while if he had only looked inside he would have realized that he was extremely wealthy The first few chapters of this book are written with an extremely religious tone due to the fact that I was writing from my belief at that time However this is not a religious book You will notice how my beliefs change as the book unfolds This book has been written from my belief which I believe God revealed to me through many hours of studying the Bible praying and listening to the still small voice within I had many hours of quiet time with God I am sharing information with you that I have gathered on my personal journey but what you do with this information is up to you as you always have a choice
