*Out of the Twilight* Andrew Gottlieb, 2014-07-16 How would you react if your son told you he was gay? *Out of the Twilight: Fathers of Gay Men Speak* explores how fathers have dealt with discovering that their sons were gay and what effect it had on their own development as parents and people. This revealing, moving book will help you understand the difficulties and joys of a father-son relationship. *Out of the Twilight* draws from literary sources such as poems, fairy tales, plays, novels and movies as well as psychoanalytic theories to highlight the obstacles that a father must overcome to understand and identify with his son. In *Out of the Twilight*, you will discover the personal and intimate struggles of these fathers, including Mitchell whose son Jay came out at the age of twenty-one and who describes the coming-out process as a means of forging a closer father-son relationship; Juan Miguel who knew and accepted that his son was gay before his son told him and who discusses how his love and complete acceptance made the coming-out process easier for his son; Peter whose response to his son Richard was ordering him to live at home so the family could look for a cure for Richard's homosexuality; Daniel who admitted that he himself was gay after being married and who was very accepting when his son Charles came out since it provided them with a special bond; Marty whose response to his son Gary's coming out was to join PFLAG, an organization for parents of gay and lesbian children so he could find support and acceptance among other parents who were going through the same thing. *Out of the Twilight* allows you to see how fathers

Schifter, 2014-01-14 *Macho Love Sex Behind Bars* in Central America is the first in depth study of sexual culture and AIDS in Latin prisons. Psychologists, social workers, criminologists, and AIDS specialists will discover how the interplay of sexual ideals, prostitution, manipulation, resistance, and power relationships among prisoners and some staff are based on money, sex, drugs, and violence. *Macho Love* gives you a stirring and emotional look at the various risks and dangers lurking in the Latin American prison culture and discusses how Costa Rican and Central American prisons are improving the situation with new intervention programs. Fascinating and informative, *Macho Love* explores the dangerous Latin prison culture as it discusses new HIV/AIDS prevention programs implemented in some Costa Rican and Central American prisons, the frequency and types of prostitution and rape in prison, drug and alcohol addiction, and their effects on the spread of HIV/AIDS. An understanding of why rehabilitation programs fail or succeed, the lack of opportunities to work or to study that leaves the inmates vulnerable to the only freedom they have left, sex, why a *cachero* or a man who penetrates another man is not considered a homosexual, and often refuses to wear a condom, which tremendously increases the risk of HIV/AIDS. *Macho Love* explores the life-threatening sexual culture in prisons to bring you the realities of the Latin prison culture. This revealing book examines the different types of relationships which occur in prisons and the factors that place inmates at risk for contracting the HIV virus, such as not wearing a condom because of intoxication due to drugs and alcohol. *Macho Love* also shows you how the new HIV/AIDS intervention programs in Costa Rica are combatting these serious problems to lower HIV infection rates and avoid the spread of this deadly and dangerous disease.
