

Reading The Gospel

Raymond E. Brown

Reading The Gospel:

Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture. It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically. Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible. It yields material for theological reflection and moral edification. Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources. Rather, he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation.

Reading the Gospels with the Church Raymond E. Brown, 2008-08-01 What is the best way of getting interested in Bible reading? Why not start with the passages that the Church reads to us in the seasons dedicated to the great events in the life of Christ: Christmas, Lent, Holy Week, and Easter? That would truly be *Reading the Gospels with the Church*. This book, with its reflections on the Gospels of these seasons, offers a wonderful entry into appreciation of the Bible. And since many mainline Churches have the same Gospel readings on Sundays, it is a book that can serve all. Time magazine called Raymond E. Brown probably the premier Catholic Scripture scholar in the U.S. Brown wrote major books on those portions of the Gospels used by the Church in its most sacred seasons, and no surer guide can be found to their wealth. Best of all, he here digests his thought in the attractive style employed in *Catholic Update*, a style aimed at enabling all to understand. This book is a fascinating introduction to the riches of the Gospels.

Reading the Gospel of Mark as a Novel Geert Van Oyen, 2014-11-12 The world is flooded with novels about secret messages or hidden texts. They all pretend to reveal the ultimate truth of Jesus. In this book, Geert Van Oyen goes back to the oldest gospel and explores its story as a challenging and revolutionary message for any reader. By employing a narrative critical approach, Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist, Jesus. Along the way, readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience. Who can remain indifferent when they hear the paradox at the heart of the gospel? Whoever wishes to become great among you must be your servant, and whoever wishes to be first among you must be slave of all.

Reading the New Testament as Christian Scripture (Reading Christian Scripture) Constantine R. Campbell, Jonathan T. Pennington, 2020-08-04 This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates. The book effectively covers the New Testament books and major topics in the New Testament, assuming no prior academic study of the Bible. The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures. They also show how the New Testament writings provide basic material for Christian doctrine, spirituality, and engagement with culture. Chapters

can be assigned in any order making this an ideal textbook for one semester courses at evangelical schools This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments The book features full color illustrations that hold interest and aid learning and offers a full array of pedagogical aids photographs sidebars maps time lines charts glossary and discussion questions Additional resources for instructors and students are available through Textbook eSources

Reading the Gospel John S. Dunne, 2000 Reading the Gospels according to Dunne means passing over into the relation of Jesus with his God the God he calls Abba in prayer and then coming back from that with a changed vision of life and death If I pass over into the relation of Jesus with God then Jesus disappears from in front of me and I find myself in relation to what Jesus calls my God and your God When I come back then to myself I see my life in terms of his life and my death in terms of his death and resurrection and I am able to say with Paul I live now not I but Christ lives in me

Reading Jesus Vance L. Toivonen, 2012-04 For more than five hundred years the Bible has been referred to as the Word of God Yet even before the Bible was written there was a Living Word spoken through prophets and through Jesus of Nazareth that ultimately echoes through the centuries Pastor Toivonen relies on his nearly thirty years of preaching as well as studying and interpreting the Bible to inspire others to contemplate how God speaks in the contemporary world and whether God prefers flesh and blood to ink and paper While sharing his careful examination of how the Bible came to be the Word of God through a very human process and why the Word of God is intended to be living and breathing as opposed to a book Toivonen offers intriguing insights and commentary that encourages spiritual seekers to embark on a personal journey to answer their own questions about the Bible its authority and its trustworthiness Reading Jesus offers encouragement to anyone ready to consider a deeper and more meaningful relationship with Jesus of Nazareth and apply the Word of God to truly live God's way today
