Divination in Ndembu Ritual Victor Turner, 1975 **Theoretical Explorations in African Religion** Wim van Binsbergen, Matthew Schoffeleers, 2013-10-28 First published in 1985 This collection of papers on theoretical and methodological perspectives in the study of African religion is the outcome of a conference which the editors were asked to convene on behalf of the African Studies Centre Leiden in December 1979 *The Pursuit of Certainty* Wendy

James, 2003-12-16 An exploration of the effect of anthropology's inherited tradition of tolerance and cross cultural understanding has on the new pursuits of truth Religion, Philosophy and Knowledge Gregory W. Dawes, 2016-11-07 This book offers a philosophical approach to religion that acknowledges both the diversity of religions and the many and varied dimensions of the religious life Rather than restricting itself to Christian theism it covers a wide range of religious traditions examining their beliefs in the context of the actual practice of the religious life After outlining the aims of religion the book focuses on claims to knowledge What kinds of knowledge do religions purport to offer In what idiom is it couched From what sources do devotees draw their claims to knowledge Are these sources reliable Rather than trying to settle age old questions about religious belief the book offers its readers a set of criteria with which they can make informed decisions in matters of faith

Physiognomy in Ming China: Fortune and the Body Xing Wang, 2020-03-23 In *Physiognomy in Ming China: Fortune and the Body* Xing Wang investigates the intellectual and technical contexts in which the knowledge of physiognomy xiangshu was produced and transformed in Ming China 1368 1644 C E Known as a fortune telling technique via examining

the human body and material objects Xing Wang shows how the construction of the physiognomic body in many Ming texts represent a unique unprecedented somatic cosmology Applying an anthropological reading to these texts and providing detailed analysis of this technique the author proves that this physiognomic cosmology in Ming China emerged as a part of a new body discourse which differs from the modern scholarly discourse on the body

African Voices, African Lives Pat Caplan, 2003-09-02 African Voices African Lives explores the world of Mohammed a swahili peasant living on Mafia Island Tanzania Through his own words some written some spoken and those of his relatives including his ex wife and one of his daughters he enables us to see the world through his eyes including the invisible world of spirits which plays a significant role in his life This information is gathered by Pat Caplan the anthropologist over almost three decades of talking and writing to each other She acts not only as translator and editor but also as interpreter bringing in her own knowledge gathered from field data as well as comparative material from other anthropological work By utilising a mixture of styles narrative and life history ethnographic observation and the diary kept by Mohammed at the anthropologist's bequest African Voices African Lives will make an important contribution to current debates in anthropology by grappling with issues raised by personal narratives authorial authority and with reflexivity

Son, 2014-05-08 *Ritual Practices in Congregational Identity Formation* investigates the educational roles of ritual practices in the process of congregational identity formation Son identifies and analyzes various kinds of Christian rituals with respect to how rituals influence the formational processes of a congregation's identity Based on Victor Turner's ritual theory this book also investigates the pedagogical and transformative efficacies of ritual practices within the dynamics of congregational education

A Celebration of Demons Bruce Kapferer, 2021-01-07 The Sinhalese exorcism rituals are perhaps the most complex and the most magnificent in performance still extant For this second edition the author has written a new preface and introduction in which he argues that the techniques of healing in Sri Lanka and the aesthetics of this healing cannot be reduced to Western psychoanalytic or psychotherapeutic terms and develops new and original approaches to ritual and the aesthetic in general

The Slain God Timothy Larsen, 2014-08-28 Throughout its entire history the discipline of anthropology has been perceived as undermining or even discrediting Christian faith Many of its most prominent theorists have been agnostics who assumed that ethnographic findings and theories had exposed religious beliefs to be untenable E B Tylor the founder of the discipline in Britain lost his faith through studying anthropology James Frazer saw the material that he presented in his highly influential work *The Golden Bough* as demonstrating that Christian thought was based on the erroneous thought patterns of savages On the other hand some of the most eminent anthropologists have been Christians including E E Evans Pritchard Mary Douglas Victor Turner and Edith Turner Moreover they openly presented articulate reasons for how their religious convictions cohered with their professional work Despite being a major site of friction between faith and modern thought the relationship between anthropology and Christianity has never before been the subject of a book length study In this groundbreaking work Timothy Larsen examines the point where doubt and faith collide with anthropological theory and evidence

Performing Interpersonal Violence Werner Riess, 2012-01-27 This book offers the first attempt at understanding interpersonal violence in ancient Athens While the archaic desire for revenge persisted into the classical period it was channeled by the civil discourse of the democracy Forensic speeches curse tablets and comedy display a remarkable openness regarding the definition of violence But in daily life Athenians had to draw the line between acceptable and unacceptable behavior They did so by enacting a discourse on violence in the performance of these genres during which complex negotiations about the legitimacy of violence took place Performances such as the staging of trials and comedies ritually defined the meaning of violence and its appropriate application Speeches and curse tablets not only spoke

about violence but also exacted it in a mediated form deriving its legitimate use from a democratic principle the communal decision of the human jurors in the first case and the underworld gods in the second Since discourse and reality were intertwined and the discourse was ritualized actual violence might also have been partly ritualized By still respecting the on going desire to harm one s enemy this partial ritualization of violence helped restrain violence and thus contributed to Athens relative stability

Boundaries of Self and Other in Ghanaian Popular Culture Joseph K. Adjaye, 2004-03-31 Rituals are among the most enduring aspects of the African cultural landscape They appear to exist outside of time eternal and unchanging Joseph Adjaye argues that while rituals may seem to be static in reality they are dynamic and changing Through intense analysis of child naming ceremonies libations puberty initiation rights funerals and two major Ghanaian festivals Adjaye explores the interplay between ritual and audience interaction and participation By so doing he shows the many ways rituals have provided Ghanaians with a means to conceptualize and change their present and shape their future In other words rituals help individuals escape the boundaries of self by promoting a sense of collective purpose and agency This book will appeal to not only Africanists but to readers interested in the roles rituals play in their own lives and the ways that rituals encourage socially transforming initiatives
