Gabriel, 2013-09-15 Johannine Writings and Apocalyptic provides a wide ranging and thorough annotated bibliography for John's Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access The Gospel of John as Genre Mosaic Kasper Bro Larsen, 2015-10-28 In recent decades New Testament scholarship has developed an increasing interest in how the Gospel of John interacts with literary conventions of genre and form in the ancient Jewish and Greco Roman context The present volume brings together leading scholars in the field in order to discuss the status quaestionis and to identify new exegetical frontiers In the Fourth Gospel genres and forms serve as vehicles of ideological and theological meaning The contributions to this volume aim at demonstrating how awareness of ancient and modern genre theories and practices advances our understanding of the Fourth Gospel both in terms of the text as a whole gospel ancient biography drama romance etc and in terms of the various literary tiles that contribute to the Gospel's genre mosaic *Sacra Pagina: The Gospel of John* Francis J. Moloney, 2016-03-18 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity's earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John's significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney's particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology **The Composition of John's Gospel** David E.

Orton,2024-01-08 Readers of the Fourth Gospel have always been moved to the use of superlatives in its exposition The most fascinating of the Gospels in so many ways has been the subject of enquiry by many of the best minds in biblical scholarship in the past decades and this is amply illustrated in the pages of *Novum Testamentum* This selection of essays on John presents a tapestry of critical insights into the origins and composition of the Gospel from the hands of many of the world's leading Johannine scholars writing since the Second World War A number of these articles have been seminal for a generation of scholarship in the field Taken together they constitute a treasury of insights and a representative grounding in the critical study of the Gospel since Bultmann

Rainbow,2014-09-05 In this magisterial synthesis Paul A Rainbow presents the most complete account of the theology of the Johannine corpus available today Both critical and comprehensive this volume includes all the books of the New Testament ascribed to John the Gospel the three epistles and the book of Revelation

*The Quest for the Origin of John's Gospel* Thomas L. Brodie,1993-07-29 Drawing on the insights of ancient literary theory and practice this book seeks to unlock the age old puzzle of the relationship of John's gospel to the other gospels and to the early Christian church Applying a new method to an old problem Brodie uses a form of source analysis that takes account of the practices of ancient writers to reveal John as someone who deliberately rendered the earlier gospels into a new language The deeply theological and at the same time more down to earth voice characteristic of John is revealed to be not that of a marginal community the Johannine community but of an independent prophetic presence within the mainstream church

Jesus and the Gospels (2nd Edition) Craig Blomberg,2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg's award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament

*The Search for Ultimate Reality* Dan Liroy,2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Liroy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

**Jesus the Purifier** Craig L. Blomberg, 2023-02-28 Christianity Today 2024 Book Award Biblical Studies The third quest for the historical Jesus has reached an impasse But a fourth quest is underway one that draws from a heretofore largely neglected source John s Gospel In this book now in paperback renowned New Testament scholar Craig Blomberg advances the idea that John is a viable and valuable source for studying the historical Jesus The data from John should be integrated with that of the Synoptics which will yield additional insights into Jesus s emphases and ministry Blomberg begins by reviewing the first three quests reassessing both their contributions and their shortcomings He then discusses the emerging consensus regarding demonstrably historical portions of John which are more numerous than usually assumed Peeling back the layers we discover in Jesus s ministry an emphasis on purity and purification The Synoptics corroborate this discovery specifically in Jesus s meals with sinners Blomberg then explores the practical and contemporary applications of Jesus the purifier including the contagious holiness that Jesus s followers can spread to others **Reading Johannine Dramatic**

**Irony through Ancient Dramatic Devices** Tat Yan Lee, 2021-11-30 When studying irony in the Gospel of John scholars have largely relied on modern literary theories and anachronistic interpretive tools In this book Dr Tat Yan Lee pushes beyond contemporary interpretations to examine the literary context of the Gospel s original audience Utilizing Aristotle s Poetics and drawing parallels between John s Gospel and ancient Greek tragedy Dr Lee offers a fresh perspective on the role of dramatic irony within the text His exploration of Aristotelian theory highlights the significance of emotion as an intended by product of ancient drama and provides a critical method for establishing plausible early readings of the Gospel and its dramatic devices Offering present day readers a chance to encounter John s Gospel through ancient eyes this book holds valuable insight for Johannine scholars classicists students of literary theory and all those desiring greater insight into the gospel and its impact *The Targums* Paul V.M. Flesher, Bruce D.
