Sam Houston's Wife A Biography Of Margaret Lea Houston

James L. Haley

Sam Houston's Wife A Biography Of Margaret Lea Houston:

Sam Houston's Wife William Seale, 1992 Although Sam Houston has been the subject of several biographies and many historical articles little attention has been paid to his third wife whose enormous influence on the Liberator of Texas has never before been examined closely In this first biography of Margaret Lea Houston a remarkable woman is finally awakened from the historical sleep which has enveloped her for over a century Alabama born Margaret Lea was just a schoolgirl when she first saw Sam Houston arrive at New Orleans after the Battle of San Jacinto to have his wounds tended She later described having a premonition that she would some day meet Sam Houston says William Seale But she told that story many years later after she had become his wife For marry Sam Houston she did in the face of strong opposition of family and friends and of Houston's friends and advisers Twenty six years younger than her husband this protected child of a Baptist minister set out to change the life of the frontier hero Aware that alcoholism and the sorrows of personal misfortune weighed upon him she battled the former and sought to alleviate the latter Her abiding faith in him coupled with his unceasing devotion to her and to their children is a central theme of this book The author explores the personality of Margaret the idealist whose absorption in religion often led her to melancholia the reader of romances who was never able to come to terms with the Texas wilderness the wife who strummed her guitar and wrote love poems during her husband's absences on affairs of state This account of Sam Houston's wife which presents details of the general's life not hitherto explored is in addition a colorful picture of the time in which she lived It is a realistic appraisal of Sam and Margaret Houston to which the author has brought a fresh and sympathetic understanding In writing the richly human story he has made extensive use of unpublished manuscripts and original documents in private hands and public archives **Star of Destiny** Madge Thornall Roberts, 1993 Biography of Sam Houston discussing the influence of his wife and children on his life The Personal Correspondence of Sam Houston: 1846-1848 Sam Houston, 1996 Volume II of Sam Houston's personal correspondence continues the four volume series of previously unpublished personal letters to and from Sam Houston covering the time 1846 to 1848 Writing to people he knew and assuming confidentiality Houston was unrestrained in his candor in discussing affairs of state and other aspects of his life and career AUSTIN AMERICAN STATESMAN Sam Houston's Wife William Seale, 1970 **The Papers of Andrew Johnson** Andrew Johnson, 1967 **Humor & Drama of Early Texas** George Hubbard, 2002-11-30 Entertaining historical vignettes focus on the human interest aspects of real people and actual events of frontier Texas Included are stories about the early colonists the Indians the cowboys the gunslingers the lawmen the entrepreneurs and the statesmen Subjects such as the conflicts with Mexico the railroads the Civil War and the cattle drives are also included The vignettes short and well written in an easily readable style bring history to life with the humor and drama of the people who settled Texas **Sam Houston** James L. Haley, 2015-04-10 In the decades preceding the Civil War few figures in the United States were as influential or as controversial as Sam Houston In Sam Houston James L Haley

explores Houston's momentous career and the complex man behind it. Haley's fifteen years of research and writing have produced possibly the most complete, most personal and most readable Sam Houston biography ever written. Drawn from personal papers never before available as well as the papers of others in Houston's circle, this biography will delight anyone intrigued by Sam Houston, Texas history, Civil War history or America's tradition of rugged individualism. **Bathsheba's**

Breast James S. Olson, 2021-04-27 An absorbing and unsettling history of breast cancer told through the stories of women who have confronted it from ancient times to the present. A Los Angeles Times Best Book of the Year. In 1967, an Italian surgeon touring Amsterdam's Rijks museum stopped in front of Rembrandt's *Bathsheba at Her Bath* and noticed an asymmetry to Bathsheba's left breast; it seemed distended, swollen, near the armpit, discolored and marked with a distinctive pitting. The physician learned that Rembrandt's model, Hendrickje Stoffels, later died after a long illness. He conjectured that the cause of her death was almost certainly breast cancer. In *Bathsheba's Breast*, James S. Olson traces the history of breast cancer through women's experiences of the disease across epochs and continents. The stories range from the sixth-century Byzantine empress Theodora, who chose to die rather than lose her breast, to Dr. Jerri Nielson, who was evacuated from the South Pole in 1999 after performing a biopsy on her own breast and self-administering chemotherapy. Olson explores every facet of the disease: medicine's evolving understanding of its pathology and treatment options; its cultural significance; the political and economic logic that has dictated the terms of a war on a woman's disease; and the rise of patient activism. An invaluable aid to those breast cancer survivors with an interest in taking the long view of their illness. Nick Owchar, Los Angeles Times. [Eavesdropping on Texas History](#) Mary L. Scheer, 2017-02-15 Most writers and readers of history have at one time or another wished that they could have been at some particular defining event in history. Whether it was a moment of a great decision, a major turning point that changed everything, or simply an intriguing occurrence, many scholars and others have on occasion wished that they could have been there. Texas history provides infinite Lone Star episodes to consider, rooted in the widespread assumption that Texas is a colorful, unique and exceptional place with larger-than-life heroes and narratives. Mary L. Scheer has assembled fifteen contributors to explore special moments in Texas history. The contributors assembled for this anthology represent many of the all-stars among Texas historians: two State Historians of Texas, two past presidents of TSHA, four current or past presidents of ETHA, two past presidents of WTHA, nine fellows of historical associations, two Fulbright Scholars and seven award-winning authors. Each is an expert in his or her field and provided in some fashion an answer to the question: At what moment in Texas history would you have liked to have been a fly on the wall, and why? The choice of an event and the answers were both personal and individual, ranging from familiar topics to less well-known subjects. One wanted to be at the Alamo. Another chose to explore when Sam Houston refused to take a loyalty oath to the Confederacy. One chapter follows the first twenty-four hours of Lyndon Baines Johnson's presidency after Kennedy's assassination. Others write about the Dust Bowl coming to Texas or when Texas Southern University was created.

Their respective essays are not written as isolated occurrences or moments but as causal developments presented within the larger social and political context of the period

Slavery in the City Clifton Ellis, Rebecca Ginsburg, 2017-07-24 Countering the widespread misconception that slavery existed only on plantations and that urban areas were immune from its impacts *Slavery in the City* is the first volume to deal exclusively with the impact of North American slavery on urban design and city life during the antebellum period This groundbreaking collection of essays brings together studies from diverse disciplines including architectural history historical archaeology geography and American studies The contributors analyze urban sites and landscapes that are likewise varied from the back lots of nineteenth century Charleston townhouses to movements of enslaved workers through the streets of a small Tennessee town These essays not only highlight the diversity of the slave experience in the antebellum city and town but also clearly articulate the common experience of conflict inherent in relationships based on power resistance and adaptation *Slavery in the City* makes significant contributions to our understanding of American slavery and offers an essential guide to any study of slavery and the built environment

Exiled Ron Rozelle, 2017-12-01 After an undisputed record of political achievement leading the decisive battle for Texas independence at San Jacinto serving twice as president of the Republic of Texas twice again as a United States senator after annexation and finally as governor of Texas Sam Houston found himself in the winter of his life in a self imposed exile among the pines of East Texas Houston was often a bundle of complicated contradictions He was a spirited advocate for public education but had little formal education himself He was very much a Jackson man but disagreed with his mentor on the treatment of Native Americans He was a slaveholder who opposed abolition but scuttled his own political reputation by resisting the South's move toward secession After refusing to take an oath of loyalty to the Confederacy in 1861 Houston was swiftly evicted from the governor's office Let me tell you what is coming he later said from a window at the Tremont Hotel in Galveston After the sacrifice of countless millions of treasure and hundreds of thousands of lives you may win Southern independence if God be not against you but I doubt it Houston died just two years later and the nation was indeed fractured Ron Rozelle's masterful biographical portrait here lingers on Houston's final years especially as lived out in Huntsville when so much of his life's work seemed on the verge of coming undone Artfully written for the general reader *Exiled: The Last Days of Sam Houston* is a compelling look at Sam Houston's legacy and twilight years

Sam Houston John Hoyt Williams, 1994-03-03 Against the tumultuous backdrop of early Texas history Williams sketches a vivid portrait of a truly American legend

Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt Bertis D. English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County Alabama In his fascinating in depth study Bertis D English analyzes why Perry County situated in the heart of a violence prone subregion of Alabama enjoyed more peaceful race relations and less bloodshed than several neighboring counties Choosing an atypical locality as central to his study English raises questions about factors affecting ethnic

disturbances in the Black Belt and elsewhere in Alabama He also uses Perry County which he deems an anomalous county to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen clergy politicians and other leaders during Reconstruction Together with egalitarian or opportunistic white citizens they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched English also illustrates how a significant number of educational institutions a high density of African American residents and an unusually organized and informed African American population were essential factors in forming Perry County s character He likewise traces the development of religion in Perry the nineteenth century Baptist capital of Alabama and the emergence of civil rights in Perry an underemphasized center of activism during the twentieth century This well researched and comprehensive volume illuminates Perry County s history from the various perspectives of its black interracial and white inhabitants amplifying their own voices in a novel way The narrative includes rich personal details about ordinary and affluent people both free and unfree creating a distinctive resource that will be useful to scholars as well as a reference that will serve the needs of students and general readers

Ghosts of Houston's Market Square Park Sandra Lord,Debe

Branning,2020-09-07 Visitors to Market Square Park can pause on their stroll through the downtown centerpiece for a palpable experience of its past Houston s first four city halls laid their foundations here and relics of the square s heritage remain embedded in the sidewalks of the park Chalk up a chance sneeze on Milam Street to the final ghostly gasp of dust from Robert Boyce s sawpits Step from Congress Street into La Carafe Houston s oldest commercial building for the kind of atmosphere that even deceased bartenders are reluctant to leave From the phantom tailors above Treebeard s to the forgotten mysteries of the town s founding Sandra Lord and Debe Branning resurrect the history humming through the four blocks surrounding Market Square Park

The Raven's Honor Johnny D. Boggs,2018-01-01 Sam Houston is a living legend in 1861 The hero of the Battle of San Jacinto he had defeated Santa Anna to win independence for Texas back in 1836 He had twice served as president of the Republic of Texas helped Texas join the Union and served as senator and governor of Texas Before settling in Texas he had been a hero of the Creek War and governor of Tennessee He had been friends with Andrew Jackson and Davy Crockett and had been adopted into the Cherokee tribe whose rights he had often defended and who had named him the Raven Yet now approaching seventy years of hard living he finds everything he has fought for being torn asunder Texas is joining the Confederacy and Houston a Unionist who has been cast out as governor quickly loses power prestige and friends He could hide in retirement but such is not the way of a warrior The Raven prepares for his most important fight yet He knows this battle will test his endurance and faith He knows he will need his wife Margaret to save him from his own worst enemy himself And he knows this war which will pit brother against brother will also try to divide Houston s family What he doesn t know yet is that he will find help from long dead friends and enemies to help him sort out

his life and restore his honor Johnny D Boggs among the most honored Western writers of the twenty first century brings one of Texas greatest heroes to life warts and all in a character study and love story of a man fighting for his country and legacy but mostly for his family

Dining at the Governor's Mansion Carl McQueary,2003-02-24 You are invited to dine at the Texas Governor s Mansion to be the guest of the first ladies and two women governors of the Lone Star State as they offer through author Carl McQueary some of their finest recipes and favorite stories of life in the heart of Austin The ingredients in Dining at the Governor s Mansion include one part culinary history and one part social history along with a generous helping of recipes cooked by Texas first ladies or in later years their personal chefs from the completion of the Austin mansion in 1856 down to the present Carl McQueary s folksy cookbook offers a look at food and its preparation entertaining at the Mansion and the challenges the women faced keeping the old home together It includes brief biographical sketches of the first ladies who usually orchestrated food service for both family meals and social or political events and considerable background on the mansion s infrastructure challenges interior decoration landscaping and restoration The book also provides an intimate portrait of Texas life during the last century and a half since the trends in food enjoyed by the governors and their families especially in their private lives have been surprisingly similar to those enjoyed by even the humblest of Texas citizens Most of all it presents dozens of tasty appetizing historic recipes tested by McQueary in his own kitchen and annotated for the contemporary cook No matter how you slice it up as Texas history food history women s history or cookbook Dining at the Governor s Mansion offers a palate pleasing smorgasbord for your reading dining or gift giving pleasure

The Book Lover's Tour of Texas Jessie Gunn Stephens,2004 This book takes readers on a literary ride across the Lone Star State J Frank Dobie tells true stories of rattlesnakes and buried treasure Jodi Thomas finds romance in the oilfields

Texas Rupert N. Richardson,Cary D. Wintz,Adrian Anderson,Ernest Wallace,2016-05-23 Written in a narrative style this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis

The book delves into Sam Houston's Wife A Biography Of Margaret Lea Houston. Sam Houston's Wife A Biography Of Margaret Lea Houston is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Sam Houston's Wife A Biography Of Margaret Lea Houston, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Sam Houston's Wife A Biography Of Margaret Lea Houston
 - Chapter 2: Essential Elements of Sam Houston's Wife A Biography Of Margaret Lea Houston
 - Chapter 3: Sam Houston's Wife A Biography Of Margaret Lea Houston in Everyday Life
 - Chapter 4: Sam Houston's Wife A Biography Of Margaret Lea Houston in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Sam Houston's Wife A Biography Of Margaret Lea Houston. The first chapter will explore what Sam Houston's Wife A Biography Of Margaret Lea Houston is, why Sam Houston's Wife A Biography Of Margaret Lea Houston is vital, and how to effectively learn about Sam Houston's Wife A Biography Of Margaret Lea Houston.
 3. In chapter 2, the author will delve into the foundational concepts of Sam Houston's Wife A Biography Of Margaret Lea Houston. This chapter will elucidate the essential principles that need to be understood to grasp Sam Houston's Wife A Biography Of Margaret Lea Houston in its entirety.
 4. In chapter 3, the author will examine the practical applications of Sam Houston's Wife A Biography Of Margaret Lea Houston in daily life. The third chapter will showcase real-world examples of how Sam Houston's Wife A Biography Of Margaret Lea Houston can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Sam Houston's Wife A Biography Of Margaret Lea Houston in specific contexts. The fourth chapter will explore how Sam Houston's Wife A Biography Of Margaret Lea Houston is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Sam Houston's Wife A Biography Of Margaret Lea Houston. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Sam Houston's Wife A Biography Of Margaret Lea Houston.
