Sam Patch, Champion Jumper Irwin Shapiro,1972-01-01 A jumpy Rhode Island boy leaps his way to fame and then disappears in an amazing jump right through the earth Sam Patch, the Famous Jumper Paul E. Johnson,2004-06-16 The true history of a legendary American folk hero In the 1820s a fellow named Sam Patch grew up in Pawtucket Rhode Island working there when he wasn't drinking as a mill hand for one of America's new textile companies Sam made a name for himself one day by jumping seventy feet into the tumultuous waters below Pawtucket Falls When in 1827 he repeated the stunt in Paterson New Jersey another mill town an even larger audience gathered to cheer on the daredevil they would call the Jersey Jumper Inevitably he went to Niagara Falls where in 1829 he jumped not once but twice in front of thousands who had paid for a good view The distinguished social historian Paul E Johnson gives this deceptively simple story all its deserved richness revealing in its characters and social settings a virtual microcosm of Jacksonian America He also relates the real jumper to the mythic Sam Patch who turned up as a daring moral hero in the works of Hawthorne and Melville in London plays and pantomimes and in the spotlight with Davy Crockett a Sam Patch who became the namesake of Andrew Jackson's favorite horse In his shrewd and powerful analysis Johnson casts new light on aspects of American society that we may have overlooked or underestimated This is innovative American history at its best Tall Tales of America Irwin

Slaughter,2023-11-14 In the first half of the nineteenth century the United States saw both a series of Protestant religious revivals and the dramatic expansion of the marketplace Although today conservative Protestantism is associated with laissez faire capitalism many of the nineteenth century believers who experienced these transformations offered different competing visions of the link between commerce and Christianity Joseph P Slaughter offers a new account of the interplay between religion and capitalism in American history by telling the stories of the Protestant entrepreneurs who established businesses to serve as agents of cultural and economic reform Faith in Markets examines three Christian business enterprises and the visions of a Christian marketplace they represented Shaped by Pietist Calvinist and Arminian theologies each offered
