Marriage - The Pros and Cons of the Issue ViewCaps, 2013-03-07 Gay Marriage That single phrase is enough to spark a passionate debate from either side It s hard to form a view one way or another when there is so much heated opinion for or against it The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively It lays out only the facts

and let s you decide what opinion to take ViewCaps is an imprint of BookCaps Study Guides With each book a issue is objectively analyzed We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books **The Challenge of Same-Sex Marriage** Mark Strasser,1999-09-30 In November 1998 the Hawaii and Alaska electorates voted to amend their state constitutions so that same sex marriages would not have to be recognized Rather than end the controversy surrounding same sex marriages the passage of these amendments will only spur more litigation because the referenda themselves implicate constitutional guarantees and because amending a state constitution cannot lessen federal constitutional protections Since same sex marriages promote many of the same individual and state interests that opposite sex marriages do states will be unable to justify their same sex marriage bans if those rationales are closely examined When challenged the recent constitutional amendments in Hawaii and Alaska may well be held unconstitutional by the state supreme courts on federal constitutional grounds although ultimately the United States Supreme Court will likely be asked to resolve the relevant issues Suppose that state same sex marriage bans are held not to violate federal constitutional guarantees but that one state nonetheless recognizes such unions The other states will be permitted to refuse to recognize marriages celebrated in that state only if certain conditions have been met Contrary view notwithstanding the law of nature exception will not apply in this case Further even the Defense of Marriage Act will likely not afford states the right to refuse to recognize any and all same sex marriages validly celebrated in sister states **Debating Same-Sex Marriage** John Corvino,Maggie Gallagher,2012-06-01 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon Debating Same Sex Marriage provides an indispensable roadmap to the ongoing debate Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions What is marriage for Is sexual difference essential to it Why does the government sanction it What are the implications of same sex marriage for children s welfare for religious freedom and for our understanding of marriage itself While the authors disagree on many points they share the following conviction Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate

Same-Sex Marriage Jeanne Nagle,2010-01-15 Provides information on same sex marriage and different viewpoints on the issue **Are We 'persons' Yet?** Kathleen A. Lahey,1999-01-01 In 1929 women were declared persons under the British North America Act Seventy years later a similar move is afoot to establish constitutional personhood for lesbian gay bisexual transsexual and transgendered people **Encyclopedia of Gender and Society** Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors **Contemporary Moral Issues** Lawrence M. of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality **Sexualities and Communication in Everyday Life** Karen E. Kain, 2018-07-11 In this book Philip J Kain introduces Hegel s Philosophy of Right by focusing on disagreements both with standard interpretations of his work and with Hegel himself Arguing that Hegel s justification for punishment ultimately fails Kain shows how this failure brings into focus the inherent difficulties in justifying punishment at all thus producing a valuable Hegelian argument against punishment Whereas many of Hegel s critics have argued that he misunderstands Kant s categorical imperative Kain argues the opposite that Hegel has a sophisticated understanding of it and simply attempts to provide a broader ethical context for Kant s position In addressing these and other questions such as whether Hegel s theory of recognition properly understood can provide philosophical support for same sex marriage and whether supporting monarchy over democracy means that Hegel seeks less rather than greater power for the state Kain makes Hegel s work more approachable by drawing out philosophical points of independent importance *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set* Constance L.
