Rhymes N Reasons: The Lyrical Expressions of Bob Marks Bob Marks,2019-04-19 In that Rhymes and Reasons are songs not poems I ve left them in the accepted patterns necessary to set them to music There may be some repetition but rare is the song sang in its entirety without repeating verses or choruses especially what is now considered the chorus The earlier songs were primarily AABA or ABAC patterns which were the norm back then As patterns evolved into the more contemporary verse chorus mode I d suspect that happened because repetition of the chorus allows for more rousing concert finales in which audience might be tempted to sing along **Same Time, Next Christmas** Christine Rimmer,2018-12-01 They re each other s Christmas present But what about the other 364 days Ex soldier Matthias Bravo likes spending the holidays hunkered down in his remote Oregon cabin Until Sabra Bond seeks refuge from a winter storm Now they meet every year for a no strings Yuletide romance But Matthias is changing the rules This Bravo bachelor finally knows what he wants Sabra forever Is she ready to commit to love not just at Christmas but every day of the year Same Time, Next Christmas Victoria Alexander,2015-12-14 From 1 New York Times bestselling author Victoria Alexander comes a romantic Christmas historical which features the happily ever after story of a fan favorite and how one little impetuous moment can lead to the miracle of love My friends have always considered me the most proper among us But no one was more surprised than I Portia Lady Redwell when I decided to flee the matchmaking efforts of my family to spend Christmas in an enchanting villa on the coast of Italy My admittedly impulsive plans were immediately complicated by the presence of a certain gentleman Mr Fletcher Jamison who insisted he had a claim on the villa It was only in the true spirit of Christmas that I agreed to share the villa with him His charm his blue eyes as dark as the December seas and the laugh that oddly seemed to fill my soul were not considerations That I returned again for Christmas is due entirely to the charm of the villa and nothing at all to do with the fact that he too would be there My friend Veronica has often said those least likely to bend are most likely to snap It appears I have snapped *This Time Next Year We'll Be Laughing* Jacqueline Winspear,2020-11-10 A 2021 Edgar Award Nominee for Best Critical Biographical Jacqueline Winspear has created a memoir of her English childhood that is every bit as engaging as her Maisie Dobbs novels just as rich in character and detail history and humanity Her writing is lovely elegant and welcoming Anne Lamott The New York Times bestselling author of the Maisie Dobbs series offers a deeply personal memoir of her family s resilience in the face of war and privation After sixteen novels Jacqueline Winspear has taken

the bold step of turning to memoir revealing the hardships and joys of her family history Both shockingly frank and deftly restrained her story tackles the difficult poignant and fascinating family accounts of her paternal grandfather s shellshock her mother s evacuation from London during the Blitz her soft spoken animal loving father s torturous assignment to an explosives team during WWII her parents years living with Romany Gypsies and Winspear s own childhood picking hops and fruit on farms in rural Kent capturing her ties to the land and her dream of being a writer at its very inception An eye opening and heartfelt portrayal of a post War England we rarely see This Time Next Year We ll Be Laughing chronicles a childhood in the English countryside of working class indomitability and family secrets of artistic inspiration and the price of memory
