Metaphor and Diaspora in Contemporary Writing J. Sell,2012-01-06 Choose ten major contemporary diasporic writers from Abdulrazak to Zadie ask ten leading authorities to write about their use of metaphor and this is the result a timely reassertion of metaphor s unrivalled capacity to encompass sameness and difference and create understanding and empathy across boundaries of nationality race and ethnicity

The Dialect of Modernism Michael North,1998-01-22 The Dialect of Modernism uncovers the crucial role of racial masquerade and linguistic imitation in the emergence of literary modernism Rebelling against the standard language and literature written in it modernists such as Joseph Conrad Gertrude Stein T S Eliot Ezra Pound and William Carlos Williams reimagined themselves as racial aliens and mimicked the strategies of dialect speakers in their work In doing so they made possible the most radical representational strategies of modern literature which emerged from their attack on the privilege of standard language At the same time however another movement identified with Harlem was struggling to free itself from the very dialect the modernists appropriated at least as it had been rendered by two generations of white dialect writers For writers such as Claude McKay Jean Toomer and Zora Neale Hurston this dialect became a barrier as rigid as the standard language itself Thus the two modern movements which arrived simultaneously in 1922 were linked and divided by their different stakes in the same language In *The Dialect of Modernism* Michael North shows through biographical and historical investigation and through careful readings of major literary works that however

different they were the two movements are inextricably connected and thus cannot be considered in isolation Each was marked for good and bad by the other **Same, Different, Equal** Rosemary C. Salomone,2008-10-01 Although coeducation has been the norm within private and public schools since the 1970s single sex education has staged a comeback in recent years as a means of addressing the academic and social problems faced by some students Single sex education raises controversy on ideological grounds and in 1996 the Supreme Court struck down the all male admissions policy at the Virginia Military Institute in a decision that has cast a legal cloud over public initiatives In this timely book Rosemary Salomone offers a reasoned educational and legal argument supporting single sex education as an alternative to coeducation particularly in the case of disadvantaged minority students Salomone examines the history of women s education and exclusion philosophical and psychological theories of sameness and difference findings on educational achievement and performance the research evidence on single sex schooling and the legal questions that have arisen Correcting many of the current misconceptions about single sex education she argues that it is a viable option and that the road to gender equality should be paved with diverse educational opportunities for all students regardless of race class or gender Leading the Night Philo Ikonya,2010-12-01 Deprived of being heard people still have a voice They make it heard in ways that disturb the status quo This book is an engagement with such voices Can Deni Wairi Yaadi matatu people militia people and taxi drivers in Kenya also ask Who am I to be brilliant gorgeous talented fabulous as Nelson Mandela did Why do two men wearing bling bling turn into two snakes dancing in Rika s imagination The web of corruption is intricate No one can lead this night alone It takes many constellations each one twinkling in its own radius Many rays of light dispel darkness The peoples good leadership alone can check politicians terrible ways Philo Ikonya is the author of two poetry anthologies This Bread of Peace and Out if Prison **Skating on Thin Ice** David Lee Keiser,1999 **The Color of Race in America, 1900-1940** Matthew Pratt Guterl,2002-10-30 With the social change brought on by the Great Migration of African Americans into the urban northeast after the Great War came the surge of a biracial sensibility that made America different from other Western nations How white and black people thought about race and how both groups understood and attempted to define and control the demographic transformation are the subjects of this new book by a rising star in American history An elegant account of the roiling environment that witnessed the shift from the multiplicity of white races to the arrival of biracialism this book focuses on four representative spokesmen for the transforming age Daniel Cohalan the Irish American nationalist Tammany Hall man and ruthless politician Madison Grant the patrician eugenicist and noisy white supremacist W E B Du Bois the African American social scientist and advocate of social justice and Jean Toomer the American pluralist and novelist of the interior life Race politics and classification were their intense and troubling preoccupations in a world they did not create would not accept and tried to change **The Crisis** William Edward Burghardt Du Bois,1926 **Outdoor Life** ,1913 *Narratives from Beyond the UK Reggae Bassline* William 'Lez' Henry,Matthew Worley,2020-11-25 This book explores the history of

reggae in modern Britain from the time it emerged as a cultural force in the 1970s As basslines from Jamaica reverberated across the Atlantic so they were received and transmitted by the UK's Afro Caribbean community From roots to lovers rock from deejays harnessing the dancehall crowd to dub poets reporting back from the socio economic front line British reggae soundtracked the inner city experience of black youth In time reggae's influence permeated the wider culture informing the sounds and the language of popular music whilst also retaining a connection to the street level sound systems clubs and centres that provided space to create protest and innovate This book is therefore a testament to struggle and ingenuity a collection of essays tracing reggae's importance to both the culture and the politics of late twentieth and early twenty first century Britain

A Different Mirror Ronald Takaki, 2012-06-05 Takaki traces the economic and political history of Indians African Americans Mexicans Japanese Chinese Irish and Jewish people in America with considerable attention given to instances and consequences of racism The narrative is laced with short quotations cameos of personal experiences and excerpts from folk music and literature Well known occurrences such as the Triangle Shirtwaist Factory Fire the Trail of Tears the Harlem Renaissance and the Japanese internment are included Students may be surprised by some of the revelations but will recognize a constant thread of rampant racism The author concludes with a summary of today's changing economic climate and offers Rodney King's challenge to all of us to try to get along Readers will find this overview to be an accessible cogent jumping off place for American history and political science plus a guide to the myriad other sources identified in the notes
