his life campaigning to reconstruct Shakespeare's Globe near its original site in London Born in the USA he trained as an actor in Chicago and began his career during the golden age of radio drama before moving on to Broadway A vocal left wing activist Wanamaker moved to the UK during the turbulent era of the anti Communist witch hunts Having crossed the Atlantic he carved a successful international career as actor producer and director He directed the opening production at the Sydney Opera House With his staunch sense of purpose he made as many enemies as friends charismatic and persuasive he was also stubborn and domineering But above all he was a man of great vision and it was that vision that inspired many to help make his dream of Shakespeare's Globe come into being which opened to much fanfare in 1997 **Springs of Action** Alfred R. Mele, 1992 Tackling some central problems in the philosophy of action Mele constructs an explanatory model for intentional behavior locating the place and significance of such mental phenomena as beliefs desires reasons and intentions in the etiology of intentional action In the first part Mele illuminates the connection between desire and action and defends detailed characterizations of irresistible desires and reasons for action Mele argues for the viability of a causal approach to the explanation of intentional action in terms of psychological states and events paying special attention to recent worries about the causal relevance of the mental In Part Two Mele goes on to develop a subtle and well defended view that the motivational role of intentions is of a different sort from that of beliefs and desires Mele's account based largely on a careful study of the functions of intentions presents intentions as states irreducible to collections of beliefs and desires which hinge on their executive and representational features *Springs of Action* will be of interest not only to philosophers of action but also to those interested in the philosophy of mind metaphysics and ethics *The Sam Gunn Omnibus* Ben Bova, 2009-04-14 THE IRREPRESSIBLE SAM GUNN A hero without peer or scruples Sam Gunn has a nose for trouble money and women though not necessarily in that order A man with the ego and stature of a Napoleon the business acumen of a P T Barnum and the raging hormones of a teenage boy Sam is the finest astronaut NASA ever trained and dumped But more than money more than women Sam Gunn loves justice And he really does love money and women Whether he's suing the Pope helping twin sisters entangled in the virtual sex trade or on trial for his life on charges of interplanetary genocide you can be sure of one thing this is one space jockey who'll meet every challenge with a smile on his lips an ace up his sleeve and a weapon in his pocket Now for the first time between covers Hugo winner Ben Bova presents all the tales of Sam Gunn to date including three never before collected in book form Here is the entire chronicle of Sam Gunn trailblazer and scoundrel as he scams his way from one end of the Solar System to the other giving bold new meaning to the term venture capitalist *FOR THE LOVE OF SAM* Jackie Merritt, 2011-07-15 THEY CALLED HIM STONEFACE Yet the moment starry eyed Tamara Benning caught the reticent rancher's gaze she felt an instant connection She wanted Sam Sherard Desperately Still after a glorious weekend together she couldn't help wondering if the father of her unborn baby was in it for the long haul Sam didn't know the meaning of happily ever after but he did know how important it was for his child to grow up with both parents So he
