**Samuel** Solomon Goldman,1962      □□□□□ Solomon Goldman,1962      **BIBLE. O.T.. Samuel. Samuel : Hebrew text and English translation with an introduction and commentary** S. Goldman,1949      **Samuel** ,1971      **1 Samuel - 2 Kings** David E. Garland,2005 Now completely revised 1 Samuel 2 Kings continues the Gold Medallion Award winning legacy of The Expositor s Bible Commentary series making world class biblical scholarship accessible to all people      Reader's Guide to Judaism Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the

most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly

**The Interpretation of the Hebrew Word אָדָם (People) in Samuel-Kings** Luke Emehiele Ijezie,2006 This study of the word people in the biblical context touches one of the central issues of biblical literature The author addresses the semantic and literary critical problems involved in interpreting the Hebrew word within the complex texts of 1 2 Samuel and 1 2 Kings While the word is often rendered by the English word people and its cognates in the modern languages it is also shown that the idea of people together with its semantic range in the modern usage is not identical to the ancient Hebrew Concerted effort is thus made to identify the basic factors and patterns that explain its meaning in various Hebrew contexts The study explains how expresses both Israel s identity as a secular polity as well as its identity as a religious entity The discussion is carried out in the light of a number of chosen texts and these are analyzed both synchronically and diachronically National Union Catalog ,1982 Includes entries for maps and atlases

**Politics in the Bible** Paul Abramson,2017-09-08 The Bible is fundamental to Western culture Political philosophers from Hobbes Locke Montesquieu and Rousseau to modern political theorists such as George H Sabine Leo Strauss and Sheldon S Wolin have drawn upon biblical examples American political leaders such as Thomas Paine Abraham Lincoln and William Jennings Bryan all drew heavily upon the Bible Today most contemporary politicians display less familiarity with Scripture although many proudly proclaim themselves to be born again Christians Politics in the Bible has a simple goal to help readers to think critically about how the Bible illuminates understanding of justice leadership and politics For a political scientist there are great advantages to studying the Bible Students of the Bible have short texts to analyze but they have a history of two thousand years of Jewish and Christian scholarly discussion In that tradition Paul R Abramson analyzes stories drawn from eighteen of the thirty nine books of the Hebrew Bible and fifteen of the twenty seven books of the New Testament Abramson argues that the Bible is a book that should be read even by those who do not believe it has any transcendent significance One can choose to read it as the revealed word of God as a source of Western morality as a compilation of interesting stories poetry and history or as a work of great literature Although this book discusses selected stories that have political implications it also considers parts that have literary merit This unusual volume may stimulate new thinking about the Bible as a source of insight into political ideas The Urim and Thummim Cornelis Van Dam,1997 This is the first exhaustive study of the Urim and Thummim since 1824 and in this book Van Dam sets out to rectify that lack of attention He investigates all of the biblical data concerning this enigmatic oracular means of high priestly revelation and its connection in the historical books of the Old Testament with the common phrase to enquire of Yahweh God After surveying the history of interpretation and the treatment of the terms in the various versions and translations Van Dam examines the

implications of similar oracular devices and priestly dress within the larger cultural context of the ancient Near East He places the Urim and Thummim within the context of divine revelation and human inquiry and the corollary prohibition of divination in ancient Israel He concludes that the breastpiece functioned as a pouch to hold the Urim and Thummim which therefore clearly were tangible objects Van Dam traces the use of this oracular instrument through the early monarchy under David from the time of Joshua through the early monarchy under David and its apparent disappearance by the time of the classical prophets where a shift to primarily verbal oracles occurs Concurrent with his study of the history of the oracle Van Dam interacts with current discussion on the nature and process of God's revelation to humankind *King James Version Bible Commentary for Today* Thomas Nelson, 2023-05-30 Every generation seeks to apply the Bible's timeless truth about God to its context The King James Version Bible Commentary for Today is just that the most up to date commentary on the time honored text of the King James Version written by a trusted team of conservative scholars This volume approaches the Bible with humility and respect as they explore its meaning for our generation The King James Version Bible Commentary for Today provides readers and students of the Bible with clear explanations of the antiquated English vocabulary of the King James text as well as the Hebrew Aramaic and Greek words that form the original languages of the Bible It also focuses on the intended meaning of the original authors providing linguistic historical and archaeological insights that illuminate the biblical text for seasoned and new Bible readers Features include New material by respected scholars The best in conservative scholarship from multiple denominations Illuminating verse by verse expositions that shed light on the meaning of Scripture Nontechnical and jargon free no need to know Hebrew or Greek 14 maps help readers understand the world of the Old Testament and New Testament Biblical Hermeneutics Bruce Corley, Steve Lemke, Grant Lovejoy, 2002 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics Dictionary Catalog of the Klau Library, Cincinnati Hebrew Union College-Jewish Institute of Religion.
