Memorial of the Whittlesey Family in the United States Whittlesey association, 1855      **God's Word, My Voice** Lyn Zill Briggs, 2015-02-01 Want the children in your congregation to leave with God's Word on their lips and in their hearts This collection of The Revised Common Lectionary readings Old Testament Psalm New Testament and Gospel are paraphrased for children to be read aloud in Sunday morning worship will help kids easily read and understand the word God has for their lives This collection of lectionary paraphrases is written in a child's speaking voice NOT as an adult telling a story to the children The psalms include a refrain for the entire congregation that closely parallels to the Book of Common Prayer's version      *The Children's Bible* Charles Foster Kent Henry A. Sherman, 2016-08-24 The Children's Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is hoped that The Children's Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding

Peters,2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God s message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author s website **360-Degree Life** Billy Joe Daugherty,2010-04-13 What if you had a second chance to chart your life What if you only had a few days to live Would you love Would you laugh Would you give Would you live differently than you do right now Billy Joe Daugherty If possible would you do a makeover on parts of your life Most of us would gladly say Yes to a fresh start and that s exactly what God offers So many people live empty and frustrating lives which is tragic because God desires a full productive and satisfying life for His children 360 Life explores how ordinary people regardless of their challenges can experience life altering change through simple faith Billy Joe Daugherty weaves material from the Bible his own experiences and riveting interviews with contemporary Christians to reveal how not just to survive struggles but to rise above them That s the
