**Scott W. Stern**

## **Samuel Seabury A Challenge:**

*Samuel Seabury* Walter Chambers,1932      Challenges on the Emmaus Road T. Felder Dorn,2021-11-25 While slavery and secession divided the Union during the American Civil War they also severed the Northern and Southern dioceses of the Protestant Episcopal Church In Challenges on the Emmaus Road T Felder Dorn focuses on the way Northern and Southern Episcopal bishops confronted and responded to the issues and events of their turbulent times Prior to the Civil War Southern bishops were industrious in evangelizing among enslaved African Americans but at the same time they supported the legal and social aspects of the peculiar institution Southern and Northern bishops parted company over the institution of slavery not over the place of blacks in the Episcopal Church As Southern states left the Union Southern dioceses separated from the Episcopal Church in the United States The book's title was inspired by the Gospel of Luke 24 13 35 in which the resurrected Jesus Christ walked unrecognized with his disciples and discussed the events of his own crucifixion and disappearance from his tomb Dorn perceives that scriptural episode as a metaphor for the responses of Episcopal bishops to the events of the Civil War era Dorn carefully summarizes the debates within the church and in secular society surrounding the important topics of the era In doing so he lays the groundwork for his own interpretations of church history and also provides authentic data for other church scholars to investigate such topics as faith and doctrine evangelism and the administrative history of one of the most important institutions in America Dorn devotes the final chapters to the postwar reunification of the Episcopal Church and Southern bishops involvement in establishing the Commission on Freedmen to offer help with the educational and spiritual needs of the recently emancipated slaves      **The Bishop and the Butterfly** Michael

Wolraich,2024-02-06 The 1931 murder of Broadway Butterfly Vivian Gordon exposed an explosive story of graft corruption and entrapment that went all the way to the top of the state Wolraich brings a journalist's eye and a novelist's elegance to this story of Jazz Age New York New York Times Vivian Gordon went out before midnight in a velvet dress and mink coat Her body turned up the next morning in a desolate Bronx park a dirty clothesline wrapped around her neck At her stylish Manhattan apartment detectives discovered notebooks full of names businessmen socialites gangsters And something else a letter from an anti corruption commission established by Governor Franklin Delano Roosevelt Led by the imperious Judge Samuel Seabury the commission had uncovered a police conspiracy to frame women as prostitutes Had Vivian Gordon been executed to bury her secrets As FDR pressed the police to solve her murder Judge Seabury pursued the trail of corruption to the top of Gotham's powerful political machine the infamous Tammany Hall      **Alcohol and Alcohol Safety: Basic volume**

**with bibliographies** Peter Finn,1972      **Centenary of the consecration of ... Samuel Seabury. Authorised report of proceedings in Scotland and elsewhere, ed. by J.S. Wilson** John Skinner Wilson,1885      **The Trials of Nina McCall** Scott W. Stern,2018-05-15 The nearly forgotten story of the fight against the American Plan a government program designed to regulate women's bodies and sexuality A consistently surprising page turner a brilliant study of the way social anxieties

have historically congealed in state control over women's bodies and behavior New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century Tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying STIs or just promiscuous This discriminatory program dubbed the American Plan lasted from the 1910s into the 1950s implicating a number of luminaries including Eleanor Roosevelt John D Rockefeller Jr Earl Warren and even Eliot Ness while laying the foundation for the modern system of women's prisons In some places vestiges of the Plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day Nina McCall's story provides crucial insight into the lives of countless other women incarcerated under the American Plan Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment Yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape And as Nina McCall did they sued their captors In an age of renewed activism surrounding harassment health care prisons women's rights and the power of the state this virtually lost chapter of our history is vital reading

*Biography by Americans, 1658-1936* Edward H. O'Neill, 2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals

**Once Upon a Time in New York** Herbert Mitgang, 2003-04-28 A flavorful account of New York City politics during the 1920s Jazz Age centering on the intersecting careers of the city's popular Night Mayor Jimmy Walker and the state's patrician governor Franklin D Roosevelt Mitgang's extensive use of newspaper quotes and legal transcripts helps paint vivid portraits of Walker Roosevelt and the large cast of characters who played a part in Walker's fall from grace and Roosevelt's meteoric rise to four term president

*The Law and Practice of the City Court of the City of New York* Samuel Seabury, 1907

*The Children's Challenge to the Church* William Edward Gardner, 1913

**Smugglers, Bootleggers, and Scofflaws** Ellen Nickerson Lawson, 2013-12-01 Uses previously unstudied Coast Guard records for New York City and environs to examine the development of Rum Row and smuggling in New York City during Prohibition With the passage of the Eighteenth Amendment drying up New York City promised to be the greatest triumph of the proponents of Prohibition Instead the city remained the nation's greatest liquor market *Smugglers Bootleggers and Scofflaws* focuses on liquor smuggling to tell the story of Prohibition in New York City Using previously unstudied Coast Guard records from 1920 to 1933 for New York City and environs Ellen Nickerson Lawson examines the development of Rum Row and smuggling via the coasts of Long Island the Long Island Sound the Jersey shore and along the Hudson and East Rivers Lawson demonstrates how smuggling syndicates on the Lower East Side the West Side and Little Italy contributed to the emergence of the Broadway Mob She also explores New York City's scofflaw population patrons of thirty thousand speakeasies and five

hundred nightclubs as well as how politicians Fiorello La Guardia James Jimmy Walker Nicholas Murray Butler Pauline Morton Sabin and Al Smith articulated their views on Prohibition to the nation Lawson argues that in their assertion of the freedom to drink alcohol for enjoyment New York's smugglers bootleggers and scofflaws belong in the American tradition of defending liberty The result was the historically unprecedented step of repeal of a constitutional amendment with passage of the Twenty first Amendment in 1933 **Cardozo** Andrew L. Kaufman,1998 Benjamin Nathan Cardozo unarguably one of the most outstanding judges of the twentieth century is a man whose name remains prominent and whose contributions to the law remain relevant This first complete biography of the longtime member and chief judge of the New York Court of Appeals and Justice of the Supreme Court of the United States during the turbulent years of the New Deal is a monumental achievement by a distinguished interpreter of constitutional law Cardozo was a progressive judge who understood and defended the proposition that judge made law must be adapted to modern conditions He also preached and practiced the doctrine that respect for precedent history and all branches of government limited what a judge could and should do Thus he did not modernize law at every opportunity In this book Kaufman interweaves the personal and professional lives of this remarkable man to yield a multidimensional whole Cardozo's family ties to the Jewish community were a particularly significant factor in shaping his life as was his father's scandalous career and ultimate disgrace as a lawyer and judge Kaufman concentrates however on Cardozo's own distinguished career including twenty three years in private practice as a tough minded and skillful lawyer and his classic lectures and writings on the judicial process From this biography emerges an estimable figure holding to concepts of duty and responsibility but a person not without frailties and prejudice

Imperial Hearst Ferdinand Lundberg,2017-12-18 Hearst's journalistic ethics were probably never more clearly exposed than during the national election campaign of 1936 It is true that eighty per cent of the newspapers in the United States spread slanders and calumnies against the President But the Hearst organs pulled all the stops and thundered vilification with all the resources at their command The President was portrayed as a lunatic a wastrel and a cartoonist's version of a frothing Communist Picture and text described him and his advisers as dangerously radical malicious and altogether feeble minded The Hearst press did not hesitate to attribute the source of Roosevelt's social legislation to Moscow Nor did consistency deter Hearst from charging plagiarism from Hitler and Mussolini His newspapers shouted denunciation and abuse Sound familiar This work is the only complete exposition of the financial political and social results of the career of William Randolph Hearst Alcohol and Alcohol Safety Peter Finn,1972 Charles Evans Hughes Robert F. Wesser,2018-05-31 When Charles Evans Hughes defeated William Randolph Hearst for the governorship of New York in 1906 the New York State Republican Party was split between the remnants of the rural conservative Platt political machine in Albany and the forces loyal to the progressive energetic President and former New York Governor Teddy Roosevelt Although Hughes owed his nomination largely to Roosevelt's desire to weaken conservative influences the aloof and

independent governor's moral idealism and legal experience led him to positions more liberal and unyielding than even Roosevelt could endorse. In this thorough study of Hughes's two terms as governor, Robert F. Wesser depicts the tensions of conservatism and liberalism, corruption and moral indignation which rent the state government under his administration. Making use of unpublished manuscript collections, both personal and organizational, and other primary sources, Wesser evaluates the strengths and weaknesses of Hughes as a political leader and reformer. He shows that despite opposition from his own party, Hughes's governorship produced important reform legislation in three areas: improvement of the machinery and processes of government; extension of the state's regulatory authority over businesses engaged in public services; and expansion of governmental police and welfare functions. These legislative achievements were supplemented by Hughes's relentless dedication to administrative efficiency, which helped shift the focus of New York politics from the legislature and party organization to the office of the governor. But not all Governor Hughes's efforts were successful, and Wesser carefully analyzes his failures as well as his triumphs, including the humiliating defeat at the hands of his own party's bosses in his quest to pass a direct primary voting bill, providing a complete portrait of a significant turning point in the history of New York and of the man who undermined some of the very foundations of the old political order. First published in 1967, Charles Evans Hughes remains an important work of scholarship on the history of New York and of the Progressive Era, more broadly.

*Nightclub City* Burton W. Peretti, 2013-04-19 In the Roaring Twenties, New York City nightclubs and speakeasies became hot spots where traditions were flouted and modernity was forged. With powerful patrons in Tammany Hall and a growing customer base, nightclubs flourished in spite of the efforts of civic-minded reformers and federal Prohibition enforcement. This encounter between clubs and government generated scandals, reform crusades, and regulations that helped to redefine the image and reality of urban life in the United States. Ultimately, it took the Great Depression to cool Manhattan's Jazz Age nightclubs, forcing them to adapt and relocate, but not before they left their mark on the future of American leisure. *Nightclub City* explores the cultural significance of New York City's nightlife between the wars, from Texas Guinan's notorious 300 Club to Billy Rose's nostalgic Diamond Horseshoe. Whether in Harlem, Midtown, or Greenwich Village, raucous nightclub activity tested early twentieth-century social boundaries. Anglo-Saxon novelty seekers, Eastern European impresarios, and African American performers crossed ethnic lines, while provocative comediennes and scantily clad chorus dancers challenged and reshaped notions of femininity. These havens of liberated sexuality, as well as prostitution and illicit liquor consumption, allowed their denizens to explore their fantasies and fears of change. The reactions of cultural critics, federal investigators, and reformers such as Fiorello La Guardia exemplify the tension between leisure and order. Peretti's research delves into the symbiotic relationships among urban politicians, social reformers, and the business of vice. Illustrated with archival photographs of the clubs and the characters who frequented them, *Nightclub City* is a dark and dazzling study of New York's bygone nightlife.

TR's Last War David Pietrusza, 2018-09-01 A riveting new account of Theodore Roosevelt's impassioned

crusade for military preparedness as America fitfully stumbles into World War I spectacularly punctuated by his unique tongue lashings of the vacillating Woodrow Wilson his rousing advocacy of a masculine pro Allied Americanism a death defying compulsion for personal front line combat a gingerly rapprochement with GOP power brokers and yes perhaps even another presidential campaign Roosevelt is a towering Greek god of war But Greek gods begat Greek tragedies His own entreaties to don the uniform are rebuffed and he remains stateside But his four sons fight over there with heartbreaking consequences two are wounded his youngest and most loved child dies in aerial combat Yet though grieving and weary TR may yet surmount everything with one monumentally odds defying last triumph Poised at the very brink of a final return to the White House death stills his indomitable spirit In his lively witty blow by blow style David Pietrusza captures through the lens of the Bull Moose the 1916 presidential campaign America's entry into the Great War in 1917 Woodrow Wilson's presidency and the last years of one of American history's greatest men who said on his death bed at the age of sixty I promised myself that I would work up to the hilt until I was sixty and I have done it I have kept my promise Pietrusza not only transports readers with his dramatic portraits of TR his hated rival Wilson and politics in wild flux but also poignantly chronicles the horrific price a family pays in war *Opinion; a Journal of Jewish Life and Letters*, 1931

**The Girl Problem** Ruth M. Alexander, 1995 During the Progressive Era young working class women were sometimes jailed for engaging in social and sexual activities that signaled their rejection of Victorian moral standards These disadvantaged delinquents were subject to legal sanctions that were rarely applied to rebellious middle class girls As she traces the history of a social crisis that came to be known as the girl problem Ruth M Alexander reconstructs the stories of individual women incarcerated in reformatories who helped redefine female adolescence in the United States Alexander draws on the rich case files of reformatories at Bedford Hills and Albion New York Bringing together writings by the young inmates letters from their parents and institutional records she follows the histories of a hundred girls as they run afoul of the law are incarcerated and struggle to reenter society From the interplay among girls families courts and penal institutions emerges a fascinating picture of class inequality and culture conflict Alexander finds that most delinquent young women eventually accepted the idea that freedom was best won by conformity and accommodation In showing how a new social problem was identified and tackled Alexander also documents the emergence of the modern professions of social work and mental hygiene Reenacting a key chapter in the transformation of adolescence *The Girl Problem* contributes to the history of sexuality and social reform through the Progressive Era and beyond **Pulitzer** W. A. Swanberg, 2023-07-11 From the National Book Award winning author an absorbing biography of the esteemed editor publisher power broker and rival to William Randolph Hearst An eccentric genius Joseph Pulitzer immigrated to the United States to fight in the Civil War despite barely speaking English He would soon master the language enough to begin a successful newspaper career in St Louis become a fierce opponent to William Randolph Hearst and eventually found the Columbia School of Journalism A Hungarian born into poverty

Pulitzer epitomized the American Dream by building a fortune But he also suffered going blind in the middle of his career experiencing extreme mood swings and developing an intense irritability that made everyday life difficult to tolerate In this book W A Swanberg a recipient of the prestigious prize named after Pulitzer recounts the personal and professional life of the newspaper magnate as well as his significant influence on American politics Swanberg reveals how the New York World managed to balance admirably accurate reporting with popular appeal and explores Pulitzer s colorful contradictory character courageous and self pitying dictatorial and generous Set against the backdrop of a turbulent era this is a portrait of an outsize personality by an author with a flair for both the big picture and small fascinating detail Includes photographs Praise for W A Swanberg s biographies First rate The New York Times on Citizen Hearst Engrossing Kirkus Reviews on Norman Thomas The Last Idealist

## Whispering the Techniques of Language: An Psychological Quest through **Samuel Seabury A Challenge**

In a digitally-driven earth where displays reign great and immediate conversation drowns out the subtleties of language, the profound techniques and psychological subtleties concealed within phrases frequently go unheard. However, located within the pages of **Samuel Seabury A Challenge** a interesting literary prize blinking with natural emotions, lies an extraordinary journey waiting to be undertaken. Composed by an experienced wordsmith, that marvelous opus attracts readers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within ab muscles fabric of each and every word. Within the emotional depths of this poignant review, we shall embark upon a honest exploration of the book is key subjects, dissect their charming publishing model, and yield to the strong resonance it evokes heavy within the recesses of readers hearts.
