

# SAN FRANCISCO OPERA

SUMMER FESTIVAL SEASON 1982

# San Francisco Opera 19221978

**Jeannie Williams**

## **San Francisco Opera 1922-1978:**

**The San Francisco Opera, 1922-1978** Arthur Bloomfield, 1978      **The San Francisco Civic Center** James Haas, 2019-05-15 San Francisco is known and loved around the world for its iconic man made structures such as the Golden Gate Bridge cable cars and Transamerica Pyramid Yet its Civic Center with the grandest collection of monumental municipal buildings in the United States is often overlooked drawing less global and local interest despite its being an urban planning marvel featuring thirteen government office and cultural buildings In The San Francisco Civic Center James Haas tells the complete story of San Francisco s Civic Center and how it became one of the most complete developments envisioned by any American city Originally planned and designed by John Galen Howard in 1912 the San Francisco Civic Center is considered in both design and materials one of the finest achievements of the American reformist City Beautiful movement an urban design movement that began more than a century ago Haas meticulously unravels the Civic Center s story of perseverance and dysfunction providing an understanding and appreciation of this local and national treasure He discusses why the Civic Center was built how it became central to the urban planning initiatives of San Francisco in the early twentieth century and how the site held onto its founders vision despite heated public debates about its function and achievement He also delves into the vision for the future and related national trends in city planning and the architectural and art movements that influenced those trends Riddled with inspiration and leadership as well as controversy The San Francisco Civic Center much like the complex itself is a stunning manifestation of the confident spirit of one of America s most dynamic and creative cities

Opera Companies and Houses of the United States Karyl Lynn Zietz, 2024-10-15 This is a state by state guide to more than 90 opera houses and companies in the United States Inaugural performances a history of opera in the city an ordinary season s repertory and performers and directors are highlighted      Music and Politics in San Francisco Leta E. Miller, 2012 Leta Miller s long awaited study is a tightly woven fast paced and luminous chronicle of San Francisco s musical coming of age Her keen insights into Chinese opera night club jazz and two international expositions go far to rekindle the era s spirited mix of talent taste patronage and politics The groundbreaking work of an accomplished music and social historian Music and Politics in San Francisco is a most welcome companion to Catherine Parsons Smith s Making Music in Los Angeles Jonathan Elkus Lecturer in Music Emeritus UC Davis From three disastrous days in April 1906 through the onset of an even greater disaster in 1941 from the San Francisco Conservatory through the performances of the Chinese Opera Leta Miller traces the musico political history of the Paris of the West in meticulous detail This important book adds immeasurably to our knowledge of West Coast American music whilst simultaneously challenging a number of historiographical shibboleths David Nicholls contributing editor of The Cambridge History of American Music Leta Miller s San Francisco s Musical Life is a pure pleasure to read Miller manages that rare feat of digesting what must have been many years of digging through newspapers and archives into a fun lively highly readable narrative Each chapter strikes a comfortable balance among factual exposition

colorful anecdote and historical analysis Miller brings equal depth and insight to each of her disparate subjects she writes with charm and clarity throughout and the whole is arranged in a way that is clear and logical never monotonous Mary Ann Smart author of *Mimomania Music and Gesture in Nineteenth Century Opera* Kurt Herbert Adler and the San Francisco Opera: Community and union leaders, family and friends, 1994 **Historic Walks in San Francisco** Rand Richards, 2002 Eighteen self guided walking tours down city streets that will take you back in time with colorful stories about the buildings along the way and the people associated with them Brimming with insight and the odd fact laced with humor and drama this unique guidebook sheds new light on the history of one of America's renowned cities Easy to follow maps and dozens of historic photographs The Dream Endures Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow

Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books **Fritz Reiner, Maestro and Martinet**

Kenneth Morgan, 2010-10-01 This award winning book now available in paperback is the first solid appraisal of the legendary career of the eminent Hungarian born conductor Fritz Reiner 1888-1963 Personally enigmatic and often described as difficult to work with he was nevertheless renowned for the dynamic galvanization of the orchestras he led a nearly unrivaled technical ability and high professional standards Reiner's influence in the United States began in the early 1920s and lasted until his death Reiner was also deeply committed to serious music in American life especially through the promotion of new scores In *Fritz Reiner Maestro and Martinet* Kenneth Morgan paints a very real portrait of a man who was both his own worst enemy and one of the true titans of his profession **Operas in English: A Dictionary** Margaret Ross

Griffel, 2012-12-21 In this revised and expanded edition of *Operas in English: A Dictionary* Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos Since the book's initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4,400 covering the world of opera in English from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer's name librettist's name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U.S. including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non-English ones other operas if any involving the same story or characters cross references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings *Operas in English* features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A-Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures **The San Francisco Version of Don Carlos** Gregory De Silva, 1993

**Succeeding Puccini** David Chandler, Raffaele Mellace, Full Professor of Musicology and History of Music Diraas - Department of Arts and Humanities Raffaele Mellace, 2025 Marking the 150th anniversary of his birth this is the first critical

biography of Italo Montemezzi 1875-1952 an important composer seventeen years younger than Puccini who became internationally famous with *L'amore dei tre re* 1913 From 1905 when he was signed up by Puccini's publisher Casa Ricordi Montemezzi was often seen as Puccini's successor or heir apparent Inspired most of all by late Verdi and by Wagner's works Montemezzi sought to create a distinctively new kind of Italian opera that was in his own words different from anything that had been done before a real Italian music drama with dynamism drama poetry all of it bathed in an atmosphere of musical rapture To numerous critics especially in America Montemezzi achieved his lofty goal with music of intense lyricism and power Yet after *La nave* 1918 the opera Montemezzi himself considered his masterpiece his career faltered his marriage to a New York heiress in 1921 removed any financial incentive to compose and he found himself increasingly out of sympathy with musical developments in Fascist Italy

**Start-up at the New Met** Paul Jackson, 2006-12 In this new work Paul Jackson examines the decade that saw the move from the old house uptown to the technological marvel at Lincoln Center There Rudolf Bing's final six years give way to four seasons of management turmoil until 1976 when James Levine was named music director and took hold of the Met's artistic future

*Jon Vickers* Jeannie Williams, 2007-05-31 The first biography of a legendary tenor

**Encyclopedia of American Opera** Ken Wlaschin, 2024-10-16 This encyclopedia lists describes and cross references everything to do with American opera works both operas and operettas composers librettists singers and source authors along with relevant recordings The approximately 1 750 entries range from ballad operas and composers of the 18th century to modern minimalists and video opera artists Each opera entry consists of plot history premiere and cast followed by a chronological listing of recordings movies and videos

*Singers of Italian Opera* John Rosselli, 1995-03-02 Adelina Patti was the most highly regarded singer in history She earned nearly 5 000 a night and had her own railway carriage Yet a minor comic singer would perform for the cost of his food and a pair of shoes to wear on stage John Rosselli's wide ranging study introduces all those singers members of the chorus as well as stars who have sung Italian opera from 1600 to the twentieth century Singers are shown slowly emancipating themselves from dependence on great patrons and entering the dangerous freedom of the market Rosselli also examines the sexist prejudices against the castrati of the eighteenth century and against women singers Securely rooted in painstaking scholarship and sprinkled with amusing anecdote this is a book to fascinate and inform opera fans at all levels

*A Companion to Wagner's Parsifal* William Kinderman, Katherine Rae Syer, 2005 These essays demonstrate and explore the abiding fascination of Wagner's controversial work

**The Opera Quarterly**, 1995 *The Metropolitan Opera Encyclopedia* David Hamilton, Alike Andris-Michalaros, 1987 An elegant gift and comprehensive reference for opera lovers The Metropolitan Opera Encyclopedia draws on the talents and resources of the world's greatest opera house Describes singers composers operas and more 250 black and white photographs

*The National Trust Guide to Great Opera Houses in America* Karyl Lynn Zietz, Karyl Charna Lynn, 1996-10-14 Grouped by geographic region this easy to use resource contains important historical information on

structures some destroyed as well as those still standing including dates name changes seating capacity and more Many of the buildings featured are National Historic Landmarks or are listed in the National Register of Historic Places Almost 140 vintage and recent photographs bring to life these magnificent buildings and the operatic scenes enacted on their stages

*Encore* ,1987
