Corporal Punishment of Children: A Human Rights Violation Susan Bitensky, 2006-06-14 The core of this book is a detailed analysis of the status of corporal punishment of children including Areasonable spankings by parents under international human rights law The analysis leads compellingly to the conclusion that such punishment is indeed a human rights violation consonant with modern norms about right and decent treatment of juveniles The book further provides a comparative analysis between the domestic laws of the seventeen nations that ban all corporal punishment of children and examples of the domestic laws in the countries that still permit some physical chastisement of children

Routledge Handbook of Evidence-Based Criminal Justice Practices Edelyn Verona, Bryanna Fox, 2023-10-31 Now more than ever the criminal justice system and the programs policies and practices within it are subject to increased public scrutiny due to well founded concerns over effectiveness fairness and potential unintended consequences One of the best means to address these concerns is to draw upon evidence based approaches demonstrated to be effective through empirical research rather than through anecdote standard practice or professional experience alone National Institute of Justice 2011 The goal of this book is to describe the most useful actionable and

evidence based solutions to many of the most pressing questions in the criminal justice system today Specifically this edited volume contains brief and accessible summaries of the best available research alongside detailed descriptions of evidence based practices across different areas of the criminal justice system It is written so that practitioners and researchers alike can use the text as reference tool in their work and in training the new generation of individuals working to improve the system Researchers and practitioners in many areas of criminal justice crime prevention policing courts prosecution defendants judges corrections sanctions and sentencing can reference specific chapters in this book to guide their policy and practice decisions Although theory is a guide for the practices described the chapters will address practical issues in implementation and action This book overcomes the limitations of previous criminal justice practice books in that it is written as a practice resource and reference guide and spans practices and policies across different sectors of the criminal justice system from prevention to policing to sanctions and corrections Each chapter contains a list of action items based upon the best available scientific research that can be implemented in practice to address key issues and long standing challenges in the criminal justice system Handbook of Global Legal Policy Stuart Nagel,2022-04-18 Featuring a pragmatic approach to coping with the legal complications surrounding pretrial release drug related crime and freedom of religion among other issues this timely reference presents a host of legal policy problems in diverse political and cultural settings throughout the world Contributors bridge the academic gulf between worldwide and public policy studies as well as the ideological gap between liberal and conservative attitudes toward constitutional law individual liberty public safety and human rights The authors emphasize the need for an integrated one world perspective in the international legal community drawing on over 1200 references tables and illustrations **Law Books in Print: Subjects** Robert L. Buckwalter,1982 **Women and Children as Victims and Offenders: Background, Prevention, Reintegration** Helmut Kury,Śławomir Redo,Evelyn Shea,2016-06-20 This work compiles experiences and lessons learned in meeting the unique needs of women and children regarding crime prevention and criminal justice in particular the treatment and social reintegration of offenders and serves as a cross disciplinary work for academic and policy making analyses and follow up in developing and developed countries Furthermore it argues for a more humane and effective approach to countering delinquency and crime among future generations In a world where development positively depends on the rule of law and the related investment security two global trends may chart the course of development urbanization and education Urbanization will globalize the concepts of justice and fairness education will be dominated by the urban mindset and digital service economy just as a culture of lawfulness will This work looks at crime prevention education as an investment in the sustainable quality of life of succeeding generations and at those who pursue such crime prevention as the providers of much needed skills in the educational portfolio Adopting a reformist approach this work collects articles with findings and recommendations that may be relevant to domestic and international policymaking including the United Nations Studies and their educational value for the welfare

of coming generations The books address the relevant United Nations ideas by combining them with academic approaches Guided by the Editors respective fields of expertise and in full recognition of academic freedom and organized scepticism it includes contributions by lawyers criminologists sociologists and other eminent experts seeking to bridge the gap between academic and policy perspectives as appropriate against the international background including the United Nations developments The second volume opens with Part IV which presents articles on different kinds of crime prevention The effectiveness of punishment and in particular imprisonment is examined by contrasting it with alternative sanctions and the following questions are raised Does harsh punishment have a crime preventive effect What are the side effects of imprisonment on the offenders and their families Are alternatives such as restorative justice or mediation more effective and cheaper Part V outlines proactive strategies of crime prevention e g for potential sex offenders or in the domain of internet crime Part VI envisions a more peaceful and inclusive society which would be realized by improving the protection of women and children in their everyday life and easing the reintegration of those who have become offenders The importance of the role played by the UN in formulating these goals is underlined The volume concludes with an epilogue of the 70th President of the United Nations Economic and Social Council Martin Sajdik and a post scriptum of the editors p *The Virtual Prison* Julian V. Roberts,2004 Analyses the effectiveness and implications of community custody for offenders and society as a whole
