Irvine, 2005-11-01 A married person falls deeply in love with someone else A man of average income feels he cannot be truly happy unless he owns an expensive luxury car A dieter has an irresistible craving for ice cream Desires often come to us unbidden and unwanted and they can have a dramatic impact sometimes changing the course of our lives In On Desire William B Irvine takes us on a wide ranging tour of our impulses wants and needs showing us where these feelings come from and how we can try to rein them in Spicing his account with engaging observations by writers like Seneca Tolstoy and Freud Irvine considers the teachings of Buddhists Hindus the Amish Shakers and Catholic saints as well as those of ancient Greek and Roman and modern European philosophers Irvine also looks at what modern science can tell us about desire such as what happens in the brain when we desire something and how animals evolved particular desires and he advances a new theory about how desire itself evolved Irvine also suggests that at the same time that we gained the ability to desire we were programmed to find some things more desirable than others Irvine concludes that the best way to attain lasting happiness is not to change the world around us or our place in it but to change ourselves If we can convince ourselves to want what we already have we can dramatically enhance our happiness Brimming with wisdom and practical advice On Desire offers a thoughtful approach to controlling unwanted passions and attaining a more meaningful life Who's Buying Which Popular Short Fiction Now, & What Are They Paying? Anne Hart, 2007-09-20 Online booksellers are rapidly becoming online publishers Sell your short fiction or nonfiction to the newest markets Anyone who publishes your compiled short stories novels or nonfiction is looking for more opportunities to market your work If you have published your stories or nonfiction with a mainstream or print on demand publisher that firm cooperates with online booksellers They probably want to leverage serial rights opportunities with your short stories articles or nonfiction excerpts from your books After publication you need to drive people to online booksellers Web sites and your own to create visibility The revolution is in virtual book tours and online marketing with booksellers Another hidden market is short story publishing rights auctions online to create visibility You sell your writing as you'd sell a product at one of the online auctions Long before finding any publisher or after the face out shelf life of your book is over sell or pre sell your creations online Offer short stories or articles to the public for a small fee to download The music and movie industry do it So can you Online booksellers already are famous for a targeted community of readers that buy online That's only one hint of hidden markets for authors that want to be well paid for short stories or brief nonfiction Here's how to write customize and market precisely what these merchants want Here's how to pose the least financial risk to them **Free Time!** Vajragupta Staunton, 2019-04-24 In our fast moving world many people

can feel their time is wound tight their lives constantly hassled and hectic Fast forward seems to be the collective default setting So often we can be over busy and over stimulated and this can send stress levels higher and higher In Free Time Vajragupta Staunton shows us that investigating our experience of time and considering our relationship with it can be deeply and powerfully transformative
