director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love s Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment **Love, Marriage—and Jesus**

Jonathan F. Bayes,2021-10-26 The marriage of a man to a woman is a wonderful gift of God to the human race a gift worth celebrating The Song of Solomon is a song cycle which sings of the joys of married love It is realistic recognizing how every married couple has to contend with the effects of sin on their relationship and it demonstrates how the difficulties may be resolved when things do go wrong But the Song also points us upwards to consider and to celebrate the model love relationship that exemplified by the Lord Jesus Christ in his love for his bride the church *Love and Russian Literature* Ira Nadel,2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 Love and Russian Literature casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism **Love: All That Matters** Mark Vernon,2013-01-25 Love All That Matters argues that the modern view on love has been distorted by a fixation on romantic love that has depleted our resources for living through the darker sides of love whereas in fact there are several ways in which humans give and experience love over the course of their lives and it is best to have access to them all Vernon draws on science psychology philosophy and literature to examine eight different kinds of love each associated with a phase of human development From infant narcissism and the emergence of eros through puberty and the rush of romantic love to the end of life and the love of God this is a beguiling tour of the most mysterious force of all This accessible and readable book will appeal to both students and general readers giving a fascinating introduction to the psychology and philosophy of love and what matters most about it **Women of the Teutonic Nations** Hermann

Schoenfeld,2022-07-20 You will love this story about the massive and impressive Teutonic woman Excerpt It is certain that the prehistoric Germanic community began with the communal use of women for pleasure or profit This common use could be broken and suppressed only by marriage by capture *A comprehensive Indonesian-English Dictionary* Alan M.
