Arming the Western Front Roger Lloyd-Jones, M.J.

Lewis,2016-06-10 The First World War was above all a war of logistics Whilst the conflict will forever be remembered for the mud and slaughter of the Western Front it was a war won on the factory floor as much as the battlefield Examining the war from an industrial perspective Arming the Western Front examines how the British between 1900 and 1920 set about mobilising economic and human resources to meet the challenge of industrial war Beginning with an assessment of the run up to war the book examines Edwardian business state relations in terms of armament supply It then outlines events during the first year of the war taking a critical view of competing constructs of the war and considering how these influenced decision makers in both the private and public domains This sets the framework for an examination of the response of business firms to the demand for shells more shells and their varying ability to innovate and manage changing methods of production and organisation The outcome a central theme of the book was a complex and evolving trade off between the quantity and quality of munitions supply an issue that became particularly acute during the Battle of the Somme in 1916 This deepened the economic and political tensions between the military the Ministry of Munitions and private engineering contractors as the pressure to increase output accelerated markedly in the search for victory on the western front The Great War created a dual army one in the field the other at home producing munitions and the final section of the book examines the tensions between the two as the country strove for final victory and faced the challenges of the transition to the peace time economy **A London Bibliography of the Social Sciences** ,1931 Vols 1 4 include material to June 1 1929

Standard of Living Patrick Gray,Joshua Hall,Ruth Wallis Herndon,Javier Silvestre,2022-09-23 This anthology honors the life and work of American economist John E Murray whose work on the evolution of the standard of living spanned multiple disciplines Publishing extensively in the areas of the history of healthcare and health insurance labor markets religion and family related issues from education to orphanages fertility and marriage Murray was much more than an economic historian and his influence can be felt across the wider scholarly community Written by Murray s academic collaborators mentors and mentees this collection of essays covers topics such as the effect of the 1918 influenza pandemic on U S life insurance holdings the relationship between rapid economic growth and type 2 diabetes and the economics of the early church This volume will be of use to scholars and students interested in economic history cliometrics labor economics and American and European history as well as the history of religion **Europe on the Path to Self-Destruction** Jack L.

Schwartzwald,2022-07-19 Between the years 1815 and 1945 Europe achieved unrivaled global dominance only to see it shattered by two world wars This frenetic rise and fall was attended by immense societal change In 1815 Europe remained largely agricultural and dependent upon horsepower By 1945 the power of the atom had been unleashed Two industrial revolutions occurred in the interim the first founded upon coal iron and steam the second upon oil steel electricity and internal combustion The implications for humanity were profound This concise yet comprehensive study is divided into three sections In section one the map of Europe emerges in its modern visage as unrestrained nationalist fervor gives rise to an

assemblage of new nation states In section two the continent attains global hegemony as massive industrialization fuels a mad scramble for colonial markets and raw materials In section three a cauldron of national ethnic and class hatreds spawn the rise of totalitarianism and the overthrow of European hegemony in two calamitous world wars By tracing the events and undercurrents of this vital period in European history this book offers trenchant insights for the lay reader and the student of history alike

Rethinking Modern European Intellectual History Darrin M. McMahon, Samuel Moyn, 2014-03 This book is a collection of essays by leading practitioners of modern European intellectual history reflecting on the theoretical and methodological underpinnings of the field The essays each attempt to assess their respective disciplines giving an account of their development and theoretical evolution while also reflecting on current problems challenges and possibilities

The British National Bibliography Arthur James Wells, 2006 German Thought and International Relations R. Shilliam, 2009-03-26 A fundamental question for IR is whether the value system of liberalism can be universalized or if in fact the illiberal reality of international politics systematically rules out such a universalisation The book addresses this issue by focusing on the rise and fall of a specific liberal project supported by influential German intellectuals **A Comparative History of Commerce and Industry, Volume II** David E. McNabb, 2016-01-26 A Comparative History of Commerce and Industry Volume II offers a subjective review of how the cultural social and economic institutions of commerce and industry evolved in industrialized nations to produce the institution we now know as business enterprise *History*, 1975

Empires of Vice Diana S. Kim, 2021-08-10 A Shared Turn Opium and the Rise of Prohibition The Different Lives of Southeast Asia's Opium Monopolies Morally Wrecked in British Burma 1870s 1890s Fiscal Dependency in British Malaya 1890s 1920s Disastrous Abundance in French Indochina 1920s 1940s Colonial Legacies Diskurse und Praktiken der Schulbuchproduktion in der Bundesrepublik Deutschland und England am Beispiel von Afrikawissen Lars Müller, 2021-11-15 Was ist aus Schulbuchern über Afrika zu lernen und woher kommen diese Wissensbestände Schulbuchproduktion wird in diesem Band als Knotenpunkt gesellschaftlicher Diskurse und Praktiken verstanden und Schulbuchwissen im Kontext seiner Produktionsbedingungen sowie der gesellschaftlichen Debatten analysiert Mit Blick auf die Schulbuchproduktion wird gezeigt dass die Vorstellung dass Schulbucher in einem Top down Modell produziert werden relativiert werden muss Zudem wird sichtbar wie viele unterschiedliche Akteurinnen und Akteure im Bildungsbereich um Afrikawissen rangen Lars Müller zeichnet das Spektrum des Sagbaren in Bezug auf Afrikawissen nach und zeigt wie sich manche Wissensbestände durchsetzten und andere randständig blieben What can we learn about Africa from textbooks and where does this knowledge originate This study locates textbook production at the intersection of societal discourse and practice and analyses textbook knowledge in the context of its production conditions as well as debates within society Focusing particularly on textbook production Müller's study critically questions the common assumption that textbooks are produced in a top down model and calls for this premise to be relativised It also shows how many different actors contend to define knowledge about Africa

within the education sector Ultimately this book traces the spectrum of what is considered utterable in regard to knowledge about Africa and shows how certain knowledge corpora have become prominent and others marginalised Bulletin ,1995

Austria, Prussia and Germany, 1806-1871 John Breuilly,2002 In this survey of an important period in European history John Breuilly examines the influences and events that resulted in the formation of the German nation state under Prussian dominance The Historian ,1986 Theatricality Tracy C. Davis,Thomas Postlewait,2003 This collection of specially commissioned accessible essays explores that element of performance theory known as theatricality Six case studies use historically specific circumstances to illustrate how and why the concept of theatricality was and is used Topics discussed include early use of the term employment of theatricality by a number of other disciplines to describe events non Western interpretation of theatricality and its use when discussing and analyzing political and cultural events and philosophies The book provides a first step guide for those discovering the complex yet rewarding world of performance theory *Educational Secularization within Europe and Beyond* Mette Buchardt,2024-11-04 Did religion disappear with modernization and the secularization reforms that changed the relation between religion and state throughout the European empires and nation states from late nineteenth century onwards Or was religion rather transformed becoming a part of the new social and national imaginaries on the road from European empires to African Middle Eastern European Union and Post Soviet nation states What are the historical roots behind the divisions of state church and education that characterized the late nineteenth and during the twentieth century What has been the role of education in this context both with regard to political reforms targeting the education systems and with regard to broader public enlightenment efforts and modernization of the state Connecting scholars across the fields of history and historical sociology of education church history and historical religion research and political history and covering the time span from the early modern period and up until the present this volume explores how education reform has functioned as an arena for the political project of secularization and in which way this contributed to transforming and revitalizing religion
