Remote Control Childhood? Diane E. Levin,1998 Ever since television became a daily staple of U S family life its influence on children has been the subject of study and debate No aspect of the debate has been more heated than violence in the media But a growing knowledge base has shifted the focus of the debate from whether media violence contributes to violence in real life to what can be done to deal with and reduce the violence This book written for both teachers and parents aims to inspire creation of a village that supports the development of more positive media and media culture for children The guide is divided into three parts Part 1 gives background information on media media violence and the media culture and how it affects children Part 2 discusses classroom strategies for working effectively with children on the full range of ways media media violence and media culture touch their lives Part 3 describes strategies for working on media issues outside the

classroom with parents in schools and in the wider community Throughout the book is information detailing the important issues underlying each topic as well as guidelines to clarify how to address these issues action ideas for how to begin and numerous examples illustrating how teachers parents and others in the wider community have translated the suggestions into practice in their particular settings The Resources section includes a bibliography selected videos on media violence and children selected children s books with annotations organizations national TV networks government officials and major toy manufacturers and retailers Appendices present the NAEYC Position Statement on Media Violence in Children s Lives sample materials from a community activity and a sample flyer from a local event Contains 19 references EV
