Looking For Jake:

Looking for Jake and Other Stories China Miéville, 2005 A novella and thirteen short stories of brilliant diversity from a master of literary fantasy **Looking for Jake** China Miéville, 2005-08 A collection of short fiction features ten previously published works as well as four original tales and another told in graphic novel format featuring artwork by Lian Sharp

Looking for Jake and Other Stories China Miéville, 2005 Step into a London ravaged by unearthly creatures at once utterly alien and chillingly familiar This collection contains thirteen short stories of visionary cityscapes and urban paranoia ghosts monsters and impossible diseases Looking for Jake China Miéville, 2005-08-30 Miéville moves effortlessly into the first division of those who use the tools and weapons of the fantastic to define and create the fiction of the coming century Neil Gaiman What William Gibson did for science fiction China Miéville has done for fantasy shattering old paradigms with fiercely imaginative works of startling often shocking intensity Now from this brilliant young writer comes a groundbreaking collection of stories many of them previously unavailable in the United States including four never before published tales one set in Miéville's signature fantasy world of New Crobuzon Among the fourteen superb fictions are Jack Following the events of his acclaimed novel *Perdido Street Station* this tale of twisted attachment and horrific revenge traces the rise and fall of the Remade Robin Hood known as Jack Half a Prayer Familiar Spurned by its creator a sorceress's familiar embarks on a strange and unsettling odyssey of self discovery in a coming of age story like no other *Reports of Certain Events in London* In which a writer named China Miéville receives a package containing clues to a vast and ongoing yet utterly secret war a war about to turn a most unexpected corner *The Tain* In this major story winner of the Locus Award for Best Novella a postapocalyptic London is overrun by vampires and monsters alien yet weirdly familiar and one man holds the future of humanity in his hands Plus ten other tales including *On the Way to the Front* a graphic short story illustrated by Eisner Award nominated Liam Sharp BONUS This edition contains an excerpt from China Miéville's *Embassytown* **Locomotive Engineers Journal** ,1906 **Brotherhood of Locomotive Engineers Journal** ,1906 Brotherhood of Locomotive Engineer's Monthly Journal ,1906 Brotherhood of Locomotive Engineers' Monthly Journal ,1906 *Jake's Country Pride* Glen Daniels, 2022-03-16 This story is the continuation of the life and times of Jake and Lydia that began in *Jake's America* their battles within themselves their struggles with the dos and don'ts of public service and the sacrifices it entails *Trust* First Bruce Deel, Sara Grace, 2019-07-23 If we choose to trust unconditionally how many lives could we change When Pastor Bruce Deel took over the Mission Church in the 30314 zip code of Atlanta he had orders to shut it down The church was old and decrepit and its neighborhood known as Better Leave You Effing Fool or the Bluff for short had the highest rates of crime homelessness and incarceration in Georgia Expecting his time there to only last six months Deel was not prepared for what happened next One Sunday he was approached by a woman he didn't know I've been hooking and stripping for fourteen years she said Can you help me Soon after Bruce founded an organization called City of Refuge rooted in the principle of

radical trust Other nonprofits might drug test before offering housing lock up valuables or veto a program giving job skills and character references to felons as a liability But Bruce believed the best way to improve outcomes for the marginalized and impoverished was to extend them trust even if that trust was violated multiple times and even if someone didn't yet trust themselves Since then City of Refuge has helped over 20 000 people in Atlanta's toughest neighborhood escape the cycles of homelessness joblessness and drug abuse Of course trust alone can't overcome a broken system that perpetuates inequality Presenting an unvarnished window into the lives of ex-cons drug addicts human trafficking survivors and displaced souls who have come through City of Refuge Trust First examines the context in which Bruce's Atlanta neighborhood went downhill and what City of Refuge chose to do about it They've become a one-stop shop for transitional housing on-site medical and mental health care childcare and vocational training including accredited intensives in auto tech culinary arts and coding While most social services focus on one pain point and leave the burden on the poor to find the crosstown bus that'll serve their other needs Bruce argues that bringing someone out of homelessness requires treating all of their needs simultaneously This model has proven so effective that a dozen new chapters of City of Refuge have opened in the US including in California Illinois Ohio Maryland Virginia Texas and Georgia More than a narrative about a single place in time this radical primer for behavioral change belongs on every leader's shelf Heartfelt deeply personal and inspiring Trust First will break down your assumptions about whether anyone is ever truly a lost cause Bruce will donate a portion of his proceeds from Trust First to the charitable organization City of Refuge
