

A photograph of a two-lane asphalt road winding through a dense forest. The road has double yellow lines in the center and a white line on the right. The trees are dark and silhouetted against a twilight sky with soft, pinkish light. The overall mood is contemplative and serene.

Solomon, 2021-04-21 You can deal with an issue all your life but until you choose to move on with a positive attitude you will remain stuck in your past There s power in a single positive thought Therein lies the flashlight to shine your path to recovery which reveals that you hold the power to your mind because it s you who feeds it and you hold the switch to a brighter day So turn it on My experience in moving forward in life began with me looking back and understanding the hurts of life I went through which led me to discover the power of forgiveness And when I did I made the decision to forgive and understand that everything happens for a reason it could be a life lesson Your future has a lot to do with your past You might not have had the chance to determine your past but you have a choice to turn your life around as well as the lives of the people around you So choose to use it wisely and so it matters with what attitude you are reflecting on your past I give you two options 1 the positive or 2 the positive **Looking Back, Moving Forward** DIANE Publishing Company, 1995-07 Recognizes the
